20 board's regulatory expenses and the department's expenses to
21 administer horse racing programs, shall be reduced proportionately
22 if revenues to the agriculture equine industry development fund
23 decline during the preceding fiscal year to a level lower than the
24 amounts appropriated in part 1.

25 Sec. 804. It is the intent of the legislature that the

6 to county fairs or other organizations from the funds appropriated
7 in part 1 for county fairs, shows, and expositions grants. Grantees
8 will be required to provide a dollar-for-dollar cash match with
9 grant awards and identify measurable project outcomes. A county
10 fair organization that received a county fair capital improvement
11 grant in the prior fiscal year shall not receive a grant from the
12 appropriation in part 1.

13 (3) From the amount appropriated in part 1 for county fairs,
14 shows, and expositions, up to \$20,000.00 shall be expended for the
15 purpose of financial support, promotion, prizes, and premiums of
16 equine, livestock, and other agricultural commodity expositions in
17 this state.

18 (4) All fairs receiving grants under this section shall
19 provide a report to the department on the financial impact
20 resulting from the capital improvement project on both fair and
21 nonfair events. These reports are due for 3 years immediately
22 following the completion of the capital improvement project.

23 (5) The department shall identify criteria, evaluate
24 applications, and provide recommendations to the director for final
25 approval of grant awards.

26 (6) The department may expend money from the funds
27 appropriated in part 1 for the county fairs, shows, and expositions

1 grants for administering the program.

2 (7) The unexpended portion of the county fairs, shows, and
3 expositions grants is considered a work project appropriation in
4 accordance with section 451a of the management and budget act, 1984
5 PA 431, MCL 18.1451a. The following apply to the project:

6 (a) The purpose of the project is to support building

27 (h) Pharmacy services provided as part of integrated health

1 care services.

2 Sec. 803. (1) The department shall assure that all prisoners,
3 upon any health care treatment, are given the opportunity to sign a
4 release of information form designating a family member or other
5 individual to whom the department shall release records information
6 regarding a prisoner. A release of information form signed by a
7 prisoner shall remain in effect for 1 year, and the prisoner may
8 elect to withdraw or amend the release form at any time.

9 (2) The department shall assure that any such signed release
10 forms follow a prisoner upon transfer to another department
11 facility or to the supervision of a parole officer.

12 (3) The form shall be placed online, on a public website
13 managed by the department.

14 Sec. 804. The department shall report quarterly to the senate
15 and house appropriations subcommittees on corrections, the senate
16 and house fiscal agencies, the legislative corrections ombudsman,
17 and the state budget office on prisoner health care utilization.
18 The report shall include the number of inpatient hospital days,
19 outpatient visits, emergency room visits, and prisoners receiving
20 off-site inpatient medical care in the previous quarter, by
21 facility.

22 Sec. 807. The funds appropriated in part 1 for Hepatitis C
23 treatment shall be used only to purchase specialty medication for
24 Hepatitis C treatment in the prison population. In addition to the
25 above appropriation, any rebates received from the medications used
26 shall be used only to purchase specialty medication for Hepatitis C
27 treatment. On a quarterly basis, the department shall issue a

1 report to the senate and house appropriations subcommittees on
2 corrections, the senate and house fiscal agencies, the legislative
3 corrections ombudsman, and the state budget office, showing for the
4 previous 4 quarters the total amount spent on specialty medication
5 for the treatment of Hepatitis C, the number of prisoners that were
6 treated, the amount of any rebates that were received from the
7 purchase of specialty medication, and what outstanding rebates are
8 expected to be received.

9 Sec. 812. (1) The department shall provide the department of
10 health and human services with a monthly list of prisoners newly
11 committed to the department of corrections. The department and the
12 department of health and human services shall enter into an
13 interagency agreement under which the department of health and
14 human services provides the department of corrections with monthly
15 lists of newly committed prisoners who are eligible for Medicaid
16 benefits in order to maintain the process by which Medicaid
17 benefits are suspended rather than terminated. The department shall
18 assist prisoners who may be eligible for Medicaid benefits after
19 release from prison with the Medicaid enrollment process prior to
20 release from prison.

21 (2) The department shall provide the senate and house
22 appropriations subcommittees on corrections, the senate and house
23 fiscal agencies, the legislative corrections ombudsman, and the
24 state budget office with quarterly updates on the utilization of
25 Medicaid benefits for prisoners.

26 Sec. 816. By April 1, the department shall provide the senate
27 and house appropriations subcommittees on corrections, the senate

1 and house fiscal agencies, the legislative corrections ombudsman,
2 and the state budget office with a report on pharmaceutical
3 expenditures and prescribing practices. In particular, the report
4 shall provide the following information:

5 (a) A detailed accounting of expenditures on antipsychotic
6 medications.

7 (b) Any changes that have been made to the prescription drug
8 formularies.

9 **CORRECTIONAL FACILITIES ADMINISTRATION**

10 Sec. 904. The department shall calculate the per prisoner/per
11 day cost for each prisoner security custody level. This calculation
12 shall include all actual direct and indirect costs for the previous
13 fiscal year, including, but not limited to, the value of services
14 provided to the department by other state agencies and the
15 allocation of statewide legacy costs. To calculate the per
16 prisoner/per day costs, the department shall divide these direct
17 and indirect costs by the average daily population for each custody
18 level. For multilevel facilities, the indirect costs that cannot be
19 accurately allocated to each custody level can be included in the
20 calculation on a per-prisoner basis for each facility. A report
21 summarizing these calculations and the direct and indirect costs
22 included in them shall be submitted to the senate and house
23 appropriations subcommittees on corrections, the senate and house
24 fiscal agencies, the legislative corrections ombudsman, and the
25 state budget office not later than December 15.

26 Sec. 906. Any local unit of government or private nonprofit

1 organization that contracts with the department for public works
2 services shall be responsible for financing the entire cost of such
3 an agreement.

4 Sec. 907. The department shall report by March 1 to the senate
5 and house appropriations subcommittees on corrections, the senate
6 and house fiscal agencies, the legislative corrections ombudsman,
7 and the state budget office on academic and vocational programs.
8 The report shall provide information relevant to an assessment of
9 the department's academic and vocational programs, including, but
10 not limited to, all of the following:

11 (a) The number of instructors and the number of instructor
12 vacancies, by program and facility.

13 (b) The number of prisoners enrolled in each program, the
14 number of prisoners completing each program, the number of
15 prisoners who do not complete each program and are not subsequently
16 reenrolled, and the reason for not completing the program, the
17 number of prisoners transferred to another facility while enrolled
18 in a program and not subsequently reenrolled, the number of
19 prisoners enrolled who are repeating the program, and the number of
20 prisoners on waiting lists for each program, all itemized by
21 facility.

22 (c) The steps the department has undertaken to improve
23 programs, track records, accommodate transfers and prisoners with
24 health care needs, and reduce waiting lists.

25 (d) The number of prisoners paroled without a high school
26 diploma and the number of prisoners paroled without a high school
27 equivalency.

1 (e) An explanation of the value and purpose of each program,
2 for example, to improve employability, reduce recidivism, reduce
3 prisoner idleness, or some combination of these and other factors.

4 (f) An identification of program outcomes for each academic
5 and vocational program.

6 (g) The number of prisoners not paroled at their earliest
7 release date due to lack of a high school equivalency, and the
8 reason those prisoners have not obtained a high school equivalency.

9 Sec. 910. The department shall allow the Michigan Braille
10 transcribing fund program to operate at its current location. The
11 donation of the building by the Michigan Braille transcribing fund
12 at the G. Robert Cotton Correctional Facility in Jackson is
13 acknowledged and appreciated. The department shall continue to
14 encourage the Michigan Braille transcribing fund program to produce
15 high-quality materials for use by the visually impaired.

16 Sec. 911. By March 1, the department shall report to the
17 senate and house appropriations subcommittees on corrections, the
18 senate and house fiscal agencies, the legislative corrections
19 ombudsman, and the state budget office the number of critical
20 incidents occurring each month by type and the number and severity
21 of assaults, escape attempts, suicides, and attempted suicides
22 occurring each month at each facility during the immediately
23 preceding calendar year.

24 Sec. 912. The department shall report monthly to the senate
25 and house appropriations subcommittees on corrections, the senate
26 and house fiscal agencies, the legislative corrections ombudsman,
27 and the state budget office on the ratio of correctional officers

1 to prisoners for each correctional institution, the ratio of shift
2 command staff to line custody staff, and the ratio of noncustody
3 institutional staff to prisoners for each correctional institution.

4 Sec. 913. (1) From the funds appropriated in part 1, the
5 department shall focus on providing required programming to
6 prisoners who are past their earliest release date because of not
7 having received the required programming. Programming includes, but
8 is not limited to, violence prevention programming, assaultive
9 offender programming, sexual offender programming, substance abuse
10 treatment programming, thinking for a change programming, and any
11 other programming that is required as a condition of parole.

12 (2) It is the intent of the legislature that any prisoner
13 required to complete a violence prevention program, sexual offender
14 program, or other program as a condition of parole shall be placed
15 on a waiting list for the appropriate programming upon entrance to
16 prison and transferred to a facility where that program is
17 available in order to accomplish timely completion of that program
18 prior to the expiration of his or her minimum sentence and
19 eligibility for parole. Nothing in this section should be deemed to
20 make parole denial appealable in court.

21 (3) The department shall submit a quarterly report to the
22 senate and house appropriations subcommittees on corrections, the
23 senate and house fiscal agencies, the legislative corrections
24 ombudsman, and the state budget office detailing enrollment in sex
25 offender programming, assaultive offender programming, violent
26 offender programming, and thinking for a change programming. At a
27 minimum, the report shall include the following:

1 (a) A full accounting, from the date of entrance to prison, of
2 the number of individuals who are required to complete the
3 programming, but have not yet done so.

4 (b) The number of individuals who have reached their earliest
5 release date, but who have not completed required programming.

6 (c) A plan of action for addressing any waiting lists or
7 backlogs for programming that may exist.

8 Sec. 924. The department shall evaluate all prisoners at
9 intake for substance abuse disorders, serious developmental
10 disorders, serious mental illness, and other mental health
11 disorders. Prisoners with serious mental illness or serious
12 developmental disorders shall not be removed from the general
13 population as a punitive response to behavior caused by their
14 serious mental illness or serious developmental disorder. Due to
15 persistent high violence risk or severe disruptive behavior that is
16 unresponsive to treatment, prisoners with serious mental illness or
17 serious developmental disorders may be placed in secure residential
18 housing programs that will facilitate access to institutional
19 programming and ongoing mental health services. A prisoner with
20 serious mental illness or serious developmental disorder who is
21 confined in these specialized housing programs shall be evaluated
22 or monitored by a medical professional at a frequency of not less
23 than every 12 hours.

24 Sec. 925. By March 1, the department shall report to the
25 senate and house appropriations subcommittees on corrections, the
26 senate and house fiscal agencies, the legislative corrections
27 ombudsman, and the state budget office on the annual number of

1 prisoners in administrative segregation between October 1, 2017 and
2 September 30, 2018, and the annual number of prisoners in
3 administrative segregation between October 1, 2017 and September
4 30, 2018 who at any time during the current or prior prison term
5 were diagnosed with serious mental illness or have a developmental
6 disorder and the number of days each of the prisoners with serious
7 mental illness or a developmental disorder have been confined to
8 administrative segregation.

9 Sec. 929. From the funds appropriated in part 1, the
10 department shall do all of the following:

11 (a) Ensure that any inmate care and control staff in contact
12 with prisoners less than 18 years of age are adequately trained
13 with regard to the developmental and mental health needs of
14 prisoners less than 18 years of age. By April 1, the department
15 shall report to the senate and house appropriations subcommittees
16 on corrections, the senate and house fiscal agencies, the
17 legislative corrections ombudsman, and the state budget office on
18 the training curriculum used and the number and types of staff
19 receiving annual training under that curriculum.

20 (b) Provide appropriate placement for prisoners less than 18
21 years of age who have serious mental illness, serious emotional
22 disturbance, or a serious developmental disorder and need to be
23 housed separately from the general population. Prisoners less than
24 18 years of age who have serious mental illness, serious emotional
25 disturbance, or a serious developmental disorder shall not be
26 removed from an existing placement as a punitive response to
27 behavior caused by their serious mental illness, serious emotional

1 disturbance, or a serious developmental disorder. Due to persistent
2 high violence risk or severe disruptive behavior that is
3 unresponsive to treatment, prisoners less than 18 years of age with
4 serious emotional disturbance, serious mental illness, or serious
5 developmental disorders may be placed in secure residential housing
6 programs that will facilitate access to institutional programming
7 and ongoing mental health services. A prisoner less than 18 years
8 of age with serious mental illness, serious emotional disturbance,
9 or a serious developmental disorder who is confined in these
10 specialized housing programs shall be evaluated or monitored by a
11 medical professional at a frequency of not less than every 12
12 hours.

13 (c) Implement a specialized offender success program that
14 recognizes the needs of prisoners less than 18 years old for
15 supervised offender success.

16 Sec. 930. The department shall submit a quarterly report to
17 the senate and house appropriations subcommittees on corrections,
18 the senate and house fiscal agencies, the legislative corrections
19 ombudsman, and the state budget office on the number of youth in
20 prison. The report shall include, but not be limited to, the
21 following information:

22 (a) The total number of inmates under age 18 who are not on
23 Holmes youthful trainee act status.

24 (b) The total number of inmates under age 18 who are on Holmes
25 youthful trainee act status.

26 (c) The total number of inmates aged 18 to 23 who are on
27 Holmes youthful trainee act status.

1 Sec. 940. (1) Any lease, rental, contract, or other legal
2 agreement that includes a provision allowing a private person or
3 entity to use state-owned facilities or other property to conduct a
4 for-profit business enterprise shall require the lessee to pay fair
5 market value for the use of the state-owned property.

6 (2) The lease, rental, contract, or other legal agreement
7 shall also require the party using the property to make a payment
8 in lieu of taxes to the local jurisdictions that would otherwise
9 receive property tax revenue, as if the property were not owned by
10 the state.

11 Sec. 942. The department shall ensure that any contract with a
12 public or private party to operate a facility to house state
13 prisoners includes a provision to allow access by both the office
14 of the legislative auditor general and the office of the
15 legislative corrections ombudsman to the facility and to
16 appropriate records and documents related to the operation of the
17 facility. These access rights for both offices shall be the same
18 for the contracted facility as for a general state-operated
19 correctional facility.

20 Sec. 943. The department shall submit a report by May 1 to the
21 senate and house appropriations subcommittees on corrections, the
22 senate and house fiscal agencies, the legislative corrections
23 ombudsman, and the state budget office on the actual and projected
24 savings achieved by closing correctional facilities. Savings
25 amounts shall be itemized by facility. Information required by this
26 section shall start with the closure of the Pugsley Correctional
27 Facility, which closed in September of 2016.

1 Sec. 944. When the department is planning to close a
2 correctional facility, the department shall fully consider the
3 potential economic impact of the prison closure on the community
4 where the facility is located. The department, when weighing all
5 factors related to the closure of a facility, shall also consider
6 the impact on the local community where the facility to be closed
7 is located.

8 Sec. 945. As a condition of expenditure of the funds
9 appropriated in part 1, the department shall provide the senate and
10 house appropriations subcommittees on corrections, the senate and
11 house fiscal agencies, the legislative corrections ombudsman, and
12 the state budget office with monthly status reports on
13 implementation of utilization of state employees for prison food
14 service operations. Reports shall include, but not be limited to,
15 the following:

16 (a) Implementation timeline.

17 (b) Delays in implementation and cause for delays.

18 (c) Number of employees necessary to sufficiently perform food
19 service operations, by facility, including position titles.

20 (d) Number of food service-related employees hired, by
21 facility, by position.

22 (e) Number of food service-related vacant positions, by
23 facility.

24 (f) Listing of all food service-related contracts and goods or
25 services to be provided through those contracts.

26 (g) Percent of food service-related contracts awarded to
27 disadvantaged business owners.

1 **MISCELLANEOUS**

2 Sec. 1009. The department shall make an information packet for
3 the families of incoming prisoners available on the department's
4 website. The information packet shall be updated by February 1. The
5 packet shall provide information on topics including, but not
6 limited to: how to put money into prisoner accounts, how to make
7 phone calls or create Jpay email accounts, how to visit in person,
8 proper procedures for filing complaints or grievances, the rights
9 of prisoners to physical and mental health care, how to utilize the
10 offender tracking information system (OTIS), truth-in-sentencing
11 and how it applies to minimum sentences, the parole process, and
12 guidance on the importance of the role of families in the reentry
13 process. The department is encouraged to partner with external
14 advocacy groups and actual families of prisoners in the packet-
15 writing process to ensure that the information is useful and
16 complete.

17 Sec. 1011. The department may accept in-kind services and
18 equipment donations to facilitate the addition of a cable network
19 that provides programming that will address the religious needs of
20 incarcerated individuals. This network may be a cable television
21 network that presently reaches the majority of households in the
22 United States. A bilingual channel affiliated with this network may
23 also be added to department programming to assist the religious
24 needs of Spanish-speaking inmates. The addition of these channels
25 shall be at no additional cost to this state.

26 Sec. 1013. From the funds appropriated in part 1, priority may
27 be given to funding reentry or rehabilitation programs that have

1 been demonstrated to reduce prison violence and recidivism,
 2 including faith-based initiatives.

3 **ONE-TIME APPROPRIATIONS**

4 Sec. 1100. From the funds appropriated in part 1 for new
 5 custody staff training, the department shall increase the training
 6 capacity for new custody staff. The purpose of additional academies
 7 is to address higher than normal attrition of correction officers
 8 and decrease overtime costs.

6 of government to enter into agreements with federally recognized
7 Indian tribes to provide financial assistance to local units of
8 government or to jointly provide public services.

9 (4) A local revenue sharing board described in subsection (1)
10 shall comply with all applicable provisions of any agreement
11 authorized by the Indian gaming regulatory act, Public Law 100-497,
12 in which the local revenue sharing board is referenced, including,

27 are less than the amounts appropriated from the fund, available

1 revenues shall be used to fully fund the appropriation in part 1
2 for casino gaming regulation activities before distributions are
3 made to other state departments and agencies. If the remaining
4 revenue in the fund is insufficient to fully fund appropriations to
5 other state departments or agencies, the shortfall shall be
6 distributed proportionally among those departments and agencies.

7 Sec. 976. The executive director of the Michigan gaming
8 control board may pay rewards of not more than \$5,000.00 to a

7 gaming control board shall reduce the number of future race dates
8 conducted by race meeting licensees with which the certified
9 horsemen's organization has contracts. Prior to the reduction in
10 the number of authorized race dates due to budget deficits, the
11 executive director of the Michigan gaming control board shall
12 provide notice to the certified horsemen's organizations with an
13 opportunity to respond with alternatives. In determining actual
14 costs, the Michigan gaming control board shall take into account
15 that each specific breed may require different regulatory
16 mechanisms.

17 Sec. 979. In addition to the funds appropriated in part 1, the
18 Michigan gaming control board may receive and expend state lottery
19 fund revenue in an amount not to exceed \$3,000,000.00 for necessary

22 received, cannot be used, or will not be used.

23 Sec. 216. (1) In addition to funds appropriated in part 1 for
24 all programs and services, there is appropriated for write-offs of
25 accounts receivable, deferrals, and for prior year obligations in
26 excess of applicable prior year appropriations, an amount equal to
27 total write-offs and prior year obligations, but not to exceed

1 amounts available in prior year revenues.

2 (2) The department's ability to satisfy appropriation fund
3 sources in part 1 shall not be limited to collections and accruals
4 pertaining to services provided in the current fiscal year, but

9 Sec. 220. The department shall ensure that faith-based
10 organizations are able to apply and compete for services, programs,
11 or contracts that they are qualified and suitable to fulfill. The
12 department shall not disqualify faith-based organizations solely on
13 the basis of the religious nature of their organization or their
14 guiding principles or statements of faith.

15 Sec. 221. According to section 1b of the social welfare act,
16 1939 PA 280, MCL 400.1b, the department shall treat part 1 and this

19 Sec. 222. (1) The department shall make the entire policy and
20 procedures manual available and accessible to the public via the
21 department website.

22 (2) The department shall report by April 1 of the current
23 fiscal year on each specific policy change made to implement a
24 public act affecting the department that took effect during the
25 prior calendar year to the house and senate appropriations
26 subcommittees on the budget for the department, the joint committee
27 on administrative rules, the senate and house fiscal agencies, and

1 policy offices. The department shall attach each policy bulletin
2 issued during the prior calendar year to this report.

3 Sec. 223. The department may establish and collect fees for
4 publications, videos and related materials, conferences, and
5 workshops. Collected fees are appropriated when received and shall
6 be used to offset expenditures to pay for printing and mailing
7 costs of the publications, videos and related materials, and costs
8 of the workshops and conferences. The department shall not collect
9 fees under this section that exceed the cost of the expenditures.

10 When collected fees are appropriated under this section in an
11 amount that exceeds the current fiscal year appropriation, within
12 30 days the department shall notify the chairs of the house and
13 senate appropriations subcommittees on the department budget, the
14 house and senate fiscal agencies and policy offices, and the state
15 budget director of that fact.

16 Sec. 224. The department may retain all of the state's share
17 of food assistance overissuance collections as an offset to general
18 fund/general purpose costs. Retained collections shall be applied
19 against federal funds deductions in all appropriation units where
20 department costs related to the investigation and recoupment of
21 food assistance overissuances are incurred. Retained collections in
22 excess of such costs shall be applied against the federal funds
23 deducted in the departmental administration and support
24 appropriation unit.

25 Sec. 225. (1) Sanctions, suspensions, conditions for
26 provisional license status, and other penalties shall not be more
27 stringent for private service providers than for public entities

1 performing equivalent or similar services.

2 (2) Neither the department nor private service providers or
3 licensees shall be granted preferential treatment or considered
4 automatically to be in compliance with administrative rules based
5 on whether they have collective bargaining agreements with direct
6 care workers. Private service providers or licensees without
7 collective bargaining agreements shall not be subjected to
8 additional requirements or conditions of licensure based on their
9 lack of collective bargaining agreements.

10 Sec. 226. If the revenue collected by the department from fees
11 and collections exceeds the amount appropriated in part 1, the
12 revenue may be carried forward with the approval of the state
13 budget director into the subsequent fiscal year. The revenue
14 carried forward under this section shall be used as the first
15 source of funds in the subsequent fiscal year.

16 Sec. 227. The state departments, agencies, and commissions
17 receiving tobacco tax funds and Healthy Michigan fund revenue from
18 part 1 shall report by April 1 of the current fiscal year to the
19 senate and house appropriations committees, the senate and house

21 (a) Detailed spending plan by appropriation line item
22 including description of programs and a summary of organizations
23 receiving these funds.

27 benefit levels where applicable.

1 (d) Outcome measures used to evaluate programs, including
2 measures of the effectiveness of these programs in improving the
3 health of Michigan residents.

4 Sec. 228. If a quality assurance assessment payment that the
5 department has the legal right to collect and that resulted from an
6 overpayment by the department to a provider, excluding those caused
7 by department error, is not received by the required due date, the
8 department may assess a penalty of 1% per month until the
9 overpayment is paid back in full. The penalty shall be calculated
10 each month on the unpaid balance of the overpayment as of the first
11 day of the month. This section does not apply to overpayments for
12 which the department has other legal authority to assess a penalty.
13 The state share of any funds collected under this section shall be
14 deposited in the state general fund.

15 Sec. 229. (1) The department shall extend the interagency
16 agreement with the Michigan talent investment agency for the
17 duration of the current fiscal year, which concerns TANF funding to
18 provide job readiness and welfare-to-work programming. The
19 interagency agreement shall include specific outcome and
20 performance reporting requirements as described in this section.
21 TANF funding provided to the Michigan talent investment agency in
22 the current fiscal year is contingent on compliance with the data
23 and reporting requirements described in this section. The
24 interagency agreement must require the Michigan talent investment
25 agency to provide all of the following items by January 1 of the
26 current fiscal year for the previous fiscal year to the senate and
27 house appropriations subcommittees on the department budget and the

1 state budget office:

2 (a) An itemized spending report on TANF funding, including all
3 of the following:

4 (i) Direct services to recipients.

5 (ii) Administrative expenditures.

6 (b) The number of family independence program (FIP) recipients
7 served through the TANF funding, including all of the following:

8 (i) The number and percentage who obtained employment through
9 Michigan Works!

10 (ii) The number and percentage who fulfilled their TANF work
11 requirement through other job readiness programming.

12 (iii) Average TANF spending per recipient.

13 (iv) The number and percentage of recipients who were referred
14 to Michigan Works! but did not receive a job or job readiness
15 placement and the reasons why.

16 (2) By March 1 of the current fiscal year, the department
17 shall provide to the senate and house appropriations subcommittees
18 on the department budget, the senate and house fiscal agencies, the
19 senate and house policy offices, and the state budget office an
20 annual report on the following matters itemized by Michigan Works!
21 agency: the number of referrals to Michigan Works! job readiness
22 programs, the number of referrals to Michigan Works! job readiness
23 programs who became a participant in the Michigan Works! job
24 readiness programs, the number of participants who obtained
25 employment, and the cost per participant case.

26 Sec. 231. From the funds appropriated in part 1 for travel
27 reimbursements to employees, the department shall allocate up to

1 \$100,000.00 toward reimbursing counties for the out-of-pocket
2 travel costs of the local county department board members and
3 county department directors to attend 1 meeting per year of the
4 Michigan County Social Services Association.

5 Sec. 232. (1) The department shall provide the approved
6 spending plan for each line item receiving an appropriation in the
7 current fiscal year to the senate and house appropriations
8 subcommittees on the department budget and the senate and house
9 fiscal agencies within 60 days of approval by the department but
10 not later than January 15 of the current fiscal year. The spending
11 plan shall include the following information regarding planned
12 expenditures for each category: allocation in the previous period,
13 change in the allocation, and new allocation. The spending plan
14 shall include the following information regarding each revenue
15 source for the line item: category of the fund source indicated by
16 general fund/general purpose, state restricted, local, private or
17 federal. Figures included in the approved spending plan shall not
18 be assumed to constitute the actual final expenditures, as line
19 items may be updated on an as-needed basis to reflect changes in
20 projected expenditures and projected revenue. The department shall
21 supplement the spending plan information by providing a list of all
22 active contracts and grants in the department's contract systems.

23 (2) Notwithstanding any other appropriation authority granted
24 in part 1, the department shall not appropriate any additional
25 general fund/general purpose funds or any related federal and state
26 restricted funds without providing a written 30-day notice to the
27 senate and house appropriations subcommittees on the department

1 budget, the senate and house fiscal agencies, and the senate and
2 house policy offices.

3 Sec. 252. The appropriations in part 1 for Healthy Michigan
4 plan - behavioral health, Healthy Michigan plan administration, and
5 Healthy Michigan plan are contingent on the provisions of the
6 social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, that were
7 contained in 2013 PA 107 not being amended, repealed, or otherwise
8 altered to eliminate the Healthy Michigan plan. If that occurs,
9 then, upon the effective date of the amendatory act that amends,
10 repeals, or otherwise alters those provisions, the remaining funds
11 in the Healthy Michigan plan - behavioral health, Healthy Michigan
12 plan administration, and Healthy Michigan plan line items shall
13 only be used to pay previously incurred costs and any remaining
14 appropriations shall not be allotted to support those line items.

15 Sec. 263. (1) Except as otherwise provided in this subsection,
16 before submission of a waiver, a state plan amendment, or a similar
17 proposal to CMS or other federal agency, the department shall
18 provide written notification of the planned submission to the house
19 and senate appropriations subcommittees on the department budget,
20 the house and senate fiscal agencies and policy offices, and the
21 state budget office. This subsection does not apply to the
22 submission of a waiver, a state plan amendment, or similar proposal
23 that does not propose a material change or is outside of the
24 ordinary course of waiver, state plan amendment, or similar
25 proposed submissions.

26 (2) The department shall provide written biannual reports to
27 the senate and house appropriations subcommittees on the department

1 budget, the senate and house fiscal agencies, and the state budget
2 office summarizing the status of any new or ongoing discussions
3 with CMS or the United States Department of Health and Human
4 Services or other federal agency regarding potential or future
5 waiver applications as well as the status of submitted waivers that
6 have not yet received federal approval. If, at the time a biannual
7 report is due, there are no reportable items, then no report is
8 required to be provided.

9 Sec. 264. The department shall not take disciplinary action
10 against an employee for communicating with a member of the
11 legislature or his or her staff.

12 Sec. 270. The department shall advise the legislature of the
13 receipt of a notification from the attorney general's office of a
14 legal action in which expenses had been recovered pursuant to
15 section 106(4) of the social welfare act, 1939 PA 280, MCL 400.106.
16 By February 1 of the current fiscal year, the department shall
17 submit a written report to the house and senate appropriations
18 subcommittees on the department budget, the house and senate fiscal
19 agencies, and the state budget office that includes, at a minimum,
20 all of the following:

21 (a) The total amount recovered from the legal action.

22 (b) The program or service for which the money was originally
23 expended.

24 (c) Details on the disposition of the funds recovered such as
25 the appropriation or revenue account in which the money was
26 deposited.

27 (d) A description of the facts involved in the legal action.

1 Sec. 274. (1) The department, in collaboration with the state
2 budget office, shall submit to the house and senate appropriations
3 subcommittees on the department budget, the house and senate fiscal
4 agencies, and the house and senate policy offices 1 week after the
5 day the governor submits to the legislature the budget for the
6 ensuing fiscal year a report on spending and revenue projections
7 for each of the capped federal funds listed below. The report shall
8 contain actual spending and revenue in the previous fiscal year,
9 spending and revenue projections for the current fiscal year as
10 enacted, and spending and revenue projections within the executive
11 budget proposal for the fiscal year beginning October 1, 2019 for
12 each individual line item for the department budget. The report
13 shall also include federal funds transferred to other departments.
14 The capped federal funds shall include, but not be limited to, all
15 of the following:

16 (a) TANF.

17 (b) Title XX social services block grant.

18 (c) Title IV-B part I child welfare services block grant.

19 (d) Title IV-B part II promoting safe and stable families
20 funds.

21 (e) Low-income home energy assistance program.

22 (2) It is the intent of the legislature that the department,
23 in collaboration with the state budget office, not utilize capped
24 federal funding for economics adjustments for FTEs or other
25 economics costs that are included as part of the budget submitted
26 to the legislature by the governor for the ensuing fiscal year,
27 unless there is a reasonable expectation for increased federal

1 funding to be available to the department from that capped revenue
2 source in the ensuing fiscal year.

3 Sec. 275. (1) As part of the year-end closing process, the
4 department, with the approval of the state budget director, is
5 authorized to realign sources between other federal, TANF, and
6 capped federal financing authorizations in order to maximize
7 federal revenues. This realignment of financing shall not produce a
8 gross increase or decrease in the department's total individual
9 line item authorizations, nor will it produce a net increase or
10 decrease in total federal revenues, or a net increase in TANF
11 authorization.

12 (2) Not later than November 30, the department shall submit to
13 the house and senate appropriations subcommittees on the department
14 budget, the house and senate fiscal agencies, and the house and
15 senate policy offices a report on the realignment of federal fund
16 sources that took place as part of the year-end closing process for
17 the previous fiscal year.

18 Sec. 279. (1) All master contracts relating to foster care and
19 adoption services as funded by the appropriations in section 105 of
20 part 1 shall be performance-based contracts that employ a client-
21 centered results-oriented process that is based on measurable
22 performance indicators and desired outcomes and includes the annual
23 assessment of the quality of services provided.

24 (2) By February 1 of the current fiscal year, the department
25 shall provide the senate and house appropriations subcommittees on
26 the department budget, the senate and house fiscal agencies and
27 policy offices, and the state budget office a report detailing

1 measurable performance indicators, desired outcomes, and an
2 assessment of the quality of services provided by the department
3 during the previous fiscal year.

4 Sec. 280. By March 1 of the current fiscal year, the
5 department shall provide a report to the house and senate
6 appropriations committees, the house and senate fiscal agencies,
7 the house and senate policy offices, and the state budget director
8 that provides all of the following for each line item in part 1
9 containing personnel-related costs, including the specific
10 individual amounts for salaries and wages, payroll taxes, and
11 fringe benefits:

12 (a) FTE authorization.

13 (b) Spending authorization for personnel-related costs, by
14 fund source, under the spending plan.

15 (c) Actual year-to-date expenditures for personnel-related
16 costs, by fund source, through the end of the prior month.

17 (d) The projected year-end balance or shortfall for personnel-
18 related costs, by fund source, based on actual monthly spending
19 levels through the end of the prior month.

20 (e) A specific plan for addressing any projected shortfall for
21 personnel-related costs at either the gross or fund source level.

22 Sec. 288. (1) Beginning October 1 of the current fiscal year,
23 no less than 90% of a new department contract supported solely from
24 state restricted funds or general fund/general purpose funds and
25 designated in this part or part 1 for a specific entity for the
26 purpose of providing services to individuals shall be expended for
27 such services after the first year of the contract.

1 (2) The department may allow a contract to exceed the
2 limitation on administrative and services costs if it can be
3 demonstrated that an exception should be made to the provision in
4 subsection (1).

5 (3) By September 30 of the current fiscal year, the department
6 shall report to the house and senate appropriations subcommittees
7 on the department budget, house and senate fiscal agencies, and
8 state budget office on the rationale for all exceptions made to the
9 provision in subsection (1) and the number of contracts terminated
10 due to violations of subsection (1).

11 Sec. 289. By March 1 of the current fiscal year, the
12 department shall provide to the senate and house appropriations
13 subcommittees on the department budget, the senate and house fiscal
14 agencies, and the senate and house policy offices an annual report
15 on the supervisor-to-staff ratio by department divisions and
16 subdivisions.

17 Sec. 290. Any public advertisement for public assistance shall
18 also inform the public of the welfare fraud hotline operated by the
19 department.

20 Sec. 295. (1) From the funds appropriated in part 1 to
21 agencies providing physical and behavioral health services to
22 multicultural populations, the department shall award grants in
23 accordance with the requirements of subsection (2). The state is
24 not liable for any spending above the contract amount. Funds shall
25 not be released until reporting requirements under section 295 of
26 article X of 2017 PA 107 are satisfied.

27 (2) The department shall require each contractor described in

1 subsection (1) that receives greater than \$1,000,000.00 in state
2 grant funding to comply with performance-related metrics to
3 maintain their eligibility for funding. The organizational metrics
4 shall include, but not be limited to, all of the following:

5 (a) Each contractor or subcontractor shall have accreditations
6 that attest to their competency and effectiveness as behavioral
7 health and social service agencies.

8 (b) Each contractor or subcontractor shall have a mission that
9 is consistent with the purpose of the multicultural agency.

10 (c) Each contractor shall validate that any subcontractors
11 utilized within these appropriations share the same mission as the
12 lead agency receiving funding.

13 (d) Each contractor or subcontractor shall demonstrate cost-
14 effectiveness.

15 (e) Each contractor or subcontractor shall ensure their
16 ability to leverage private dollars to strengthen and maximize
17 service provision.

18 (f) Each contractor or subcontractor shall provide timely and
19 accurate reports regarding the number of clients served, units of
20 service provision, and ability to meet their stated goals.

21 (3) The department shall require an annual report from the
22 contractors described in subsection (2). The annual report, due 60
23 days following the end of the contract period, shall include
24 specific information on services and programs provided, the client
25 base to which the services and programs were provided, information
26 on any wraparound services provided, and the expenditures for those
27 services. The department shall provide the annual reports to the

1 senate and house appropriations subcommittees on health and human
2 services, the senate and house fiscal agencies, and the state
3 budget office.

4 Sec. 296. From the funds appropriated in part 1, the
5 department shall be responsible for the necessary and reasonable
6 attorney fees and costs incurred by private and independent legal
7 counsel chosen by current and former classified and unclassified
8 department employees in the defense of those employees in any state
9 or federal lawsuit or investigation related to the water system in
10 a city in which a declaration of emergency was issued because of
11 drinking water contamination.

12 Sec. 297. By April 1 of the current fiscal year, the
13 department shall report on the number of FTEs in pay status by type
14 of staff. The report shall include a comparison by line item of the
15 number of FTEs authorized from funds appropriated in part 1 to the
16 actual number of FTEs employed by the department at the end of the
17 reporting period.

18 Sec. 298. (1) The department shall continue to pursue the
19 implementation of the demonstration model as specified under
20 section 298(2) of article X of 2017 PA 107. The department shall
21 ensure that the demonstration model described in this subsection is
22 implemented in a manner that ensures at least all of the following:

23 (a) That any changes made to a Medicaid waiver or Medicaid
24 state plan to implement the demonstration model described in this
25 subsection must only be in effect for the duration of the
26 demonstration model described in this subsection.

27 (b) That the demonstration model described in this subsection

1 is consistent with the stated core values as identified in the
2 final report of the workgroup established in section 298 of article
3 X of 2016 PA 268.

4 (c) That updates are provided to the medical care advisory
5 council, behavioral health advisory council, and developmental
6 disabilities council.

7 (2) The department shall continue to pursue the implementation
8 of up to 3 pilot projects as specified under section 298(3) of
9 article X of 2017 PA 107. The department shall ensure that the
10 pilot projects described in this subsection are implemented in a
11 manner that ensures at least all of the following:

12 (a) That allows the CMHSP in the geographic area of the pilot
13 project to be a provider of behavioral health supports and
14 services.

15 (b) That any changes made to a Medicaid waiver or Medicaid
16 state plan to implement the pilot projects described in this
17 subsection must only be in effect for the duration of the pilot
18 projects described in this subsection.

19 (c) That the project is consistent with the stated core values
20 as identified in the final report of the workgroup established in
21 section 298 of article X of 2016 PA 268.

22 (d) That updates are provided to the medical care advisory
23 council, behavioral health advisory council, and developmental
24 disabilities council.

25 (3) The department shall ensure that the pilot projects and
26 demonstration model described in subsections (1) and (2) are
27 operational for the entire current fiscal year. Each pilot project

1 shall be designed to last at least 2 years.

2 (4) For the duration of any pilot projects and demonstration
3 model, the department shall require that contracts between CMHSPs
4 and the Medicaid health plans within their pilot region mandate
5 that any and all realized benefits and cost savings of integrating
6 the physical health and behavioral health systems shall be
7 reinvested in services and supports for individuals having or at
8 risk of having a mental illness, an intellectual or developmental
9 disability, or a substance use disorder. Any and all realized
10 benefits and cost savings shall be specifically reinvested in the
11 counties where the savings occurred in accordance with the Medicaid
12 state plan and any applicable Medicaid waiver.

13 (5) It is the intent of the legislature that the primary
14 purpose of the pilot projects and demonstration model is to test
15 how the state may better integrate behavioral and physical health
16 delivery systems in order to improve behavioral and physical health
17 outcomes, maximize efficiencies, minimize unnecessary costs, and
18 achieve material increases in behavioral health services without
19 increases in overall Medicaid spending.

20 (6) The department shall continue to partner with 1 of the
21 state's research universities to evaluate any pilot project and
22 demonstration model that is authorized under this section. The
23 evaluation shall comply with all of the following:

24 (a) Include information on the pilot project's or
25 demonstration model's success in meeting the performance metrics
26 developed in this subsection and information on whether the pilot
27 project could be replicated into other geographic areas with

1 similar performance metric outcomes.

2 (b) Include the performance metrics, at a minimum, from each
3 of the following categories:

4 (i) Improvement of the coordination between behavioral health
5 and physical health.

6 (ii) Improvement of services available to individuals with
7 mental illness, intellectual or developmental disabilities, or
8 substance use disorders.

9 (iii) Benefits associated with full access to community-based
10 services and supports.

11 (iv) Customer health status.

12 (v) Customer satisfaction.

13 (vi) Provider network stability.

14 (vii) Treatment and service efficacies before and after the
15 pilot projects and demonstration model.

16 (viii) Use of best practices.

17 (ix) Financial efficiencies.

18 (x) Barriers to clinical data sharing with Medicaid health
19 plans.

20 (xi) Any other relevant categories.

21 (c) Be completed within 6 months of the end of the pilot
22 project or demonstration model and be provided to the department,
23 the house and senate appropriations subcommittees on the department
24 budget, the house and senate fiscal agencies, the house and senate
25 policy offices, and the state budget office.

26 (7) Upon completion of any pilot project or demonstration
27 model advanced under this section, the managing entity of the pilot

1 project or demonstration model shall submit a report to the senate
2 and house appropriations subcommittees on the department budget,
3 the senate and house fiscal agencies, the senate and house policy
4 offices, and the state budget office within 30 days of completion
5 of that pilot project or demonstration model detailing their
6 experience, lessons learned, efficiencies and savings revealed,
7 increases in investment on behavioral health services, and
8 recommendations for extending pilot projects to full implementation
9 or discontinuation.

10 Sec. 299. (1) No state department or agency shall issue a
11 request for proposal (RFP) for a contract in excess of
12 \$5,000,000.00, unless the department or agency has first considered
13 issuing a request for information (RFI) or a request for
14 qualification (RFQ) relative to that contract to better enable the
15 department or agency to learn more about the market for the
16 products or services that are the subject of the RFP. The
17 department or agency shall notify the department of technology,
18 management, and budget of the evaluation process used to determine
19 if an RFI or RFQ was not necessary prior to issuing the RFP.

20 (2) From funds appropriated in part 1, for all RFPs issued
21 during the current fiscal year where an existing service received
22 proposals by multiple vendors, the department shall notify all
23 vendors within 30 days of the RFP decision. The notification to
24 vendors shall include details on the RFP process, including the
25 respective RFP scores and the respective cost for each vendor. If
26 the highest scored RFP or lowest cost RFP does not receive the
27 contract for an existing service offered by the department, the

1 notification shall issue an explanation for the reasons that the
2 highest scored RFP or lowest cost RFP did not receive the contract
3 and detail the incremental cost target amount or service level
4 required that was required to migrate the service to a new vendor.
5 Additionally, the department shall include in the notification
6 details as to why a cost or service difference is justifiable if
7 the highest scored or lowest cost vendor does not receive the
8 contract.

9 (3) The department shall submit to the senate and house
10 appropriations subcommittees on the department budget, the senate
11 and house fiscal agencies, the senate and house policy offices, and
12 the state budget office by September 30 of the current fiscal year
13 a report that summarizes all RFPs during the current fiscal year
14 where an existing service received proposals by multiple vendors.
15 The report shall list all finalized RFPs where there was a
16 divergence from awarding the contract to the lowest cost or highest
17 scoring vendor. The report shall also include the cost or service
18 threshold required by department policy that must be satisfied in
19 order for an existing contract to be received by a new vendor.

20 **DEPARTMENTAL ADMINISTRATION AND SUPPORT**

21 Sec. 307. (1) From the funds appropriated in part 1 for
22 demonstration projects, \$950,000.00 shall be distributed as
23 provided in subsection (2). The amount distributed under this
24 subsection shall not exceed 50% of the total operating expenses of
25 the program described in subsection (2), with the remaining 50%
26 paid by local United Way organizations and other nonprofit

1 organizations and foundations.

2 (2) Funds distributed under subsection (1) shall be
3 distributed to Michigan 2-1-1, a nonprofit corporation organized
4 under the laws of this state that is exempt from federal income tax
5 under section 501(c)(3) of the internal revenue code of 1986, 26
6 USC 501, and whose mission is to coordinate and support a statewide
7 2-1-1 system. Michigan 2-1-1 shall use the funds only to fulfill
8 the Michigan 2-1-1 business plan adopted by Michigan 2-1-1 in
9 January 2005.

10 (3) Michigan 2-1-1 shall refer to the department any calls
11 received reporting fraud, waste, or abuse of state-administered
12 public assistance.

13 (4) Michigan 2-1-1 shall report annually to the department and
14 the house and senate standing committees with primary jurisdiction
15 over matters relating to human services and telecommunications on
16 2-1-1 system performance, the senate and house appropriations
17 subcommittees on the department budget, and the senate and house
18 fiscal agencies, including, but not limited to, call volume by
19 health and human service needs and unmet needs identified through
20 caller data and customer satisfaction metrics.

21 Sec. 316. From the funds appropriated in part 1 for terminal
22 leave payments, the department shall not spend in excess of its
23 annual gross appropriation unless it identifies and requests a
24 legislative transfer from another budgetary line item supporting
25 administrative costs, as provided by section 393(2) of the
26 management and budget act, 1984 PA 431, MCL 18.1393.

1 **CHILD SUPPORT ENFORCEMENT**

2 Sec. 401. (1) The appropriations in part 1 assume a total
3 federal child support incentive payment of \$26,500,000.00.

4 (2) From the federal money received for child support
5 incentive payments, \$12,000,000.00 shall be retained by the state
6 and expended for child support program expenses.

7 (3) From the federal money received for child support
8 incentive payments, \$14,500,000.00 shall be paid to the counties
9 based on each county's performance level for each of the federal
10 performance measures as established in 45 CFR 305.2.

11 (4) If the child support incentive payment to the state from
12 the federal government is greater than \$26,500,000.00, then 100% of
13 the excess shall be retained by the state and is appropriated until
14 the total retained by the state reaches \$15,397,400.00.

15 (5) If the child support incentive payment to the state from
16 the federal government is greater than the amount needed to satisfy
17 the provisions identified in subsections (1), (2), (3), and (4),
18 the additional funds shall be subject to appropriation by the
19 legislature.

20 (6) If the child support incentive payment to the state from
21 the federal government is less than \$26,500,000.00, then the state
22 and county share shall each be reduced by 50% of the shortfall.

23 Sec. 409. (1) If statewide retained child support collections
24 exceed \$38,300,000.00, 75% of the amount in excess of
25 \$38,300,000.00 is appropriated to legal support contracts. This
26 excess appropriation may be distributed to eligible counties to
27 supplement and not supplant county title IV-D funding.

(2) Each county whose retained child support collections in the current fiscal year exceed its fiscal year 2004-2005 retained child support collections, excluding tax offset and financial institution data match collections in both the current fiscal year and fiscal year 2004-2005, shall receive its proportional share of the 75% excess.

Sec. 410. (1) If title IV-D-related child support collections are escheated, the state budget director is authorized to adjust the sources of financing for the funds appropriated in part 1 for legal support contracts to reduce federal authorization by 66% of the escheated amount and increase general fund/general purpose authorization by the same amount. This budget adjustment is required to offset the loss of federal revenue due to the escheated amount being counted as title IV-D program income in accordance with federal regulations at 45 CFR 304.50.

(2) The department shall notify the chairs of the house and senate appropriations subcommittees on the department budget and the house and senate fiscal agencies within 15 days of the authorization adjustment in subsection (1).

Sec. 450. (1) From the funds appropriated in part 1 for school success partnership program, the department shall allocate \$525,000.00 by December 1 of the current fiscal year to support the Northeast Michigan Community Service Agency programming, which will take place in each county in the Governor's Prosperity Region 3. 25 Sec. 453. From the funds appropriated in part 1 for homeless
26 programs, the department shall maintain emergency shelter program
27 per diem rates at \$16.00 per bed night to support efforts of

1 shelter providers to move homeless individuals and households into
2 permanent housing as quickly as possible. Expected outcomes are
3 increased shelter discharges to stable housing destinations,
4 decreased recidivism rates for shelter clients, and a reduction in
5 the average length of stay in emergency shelters.

6 Sec. 454. The department shall allocate the full amount of
7 funds appropriated in part 1 for homeless programs to provide
8 services for homeless individuals and families, including, but not
9 limited to, third-party contracts for emergency shelter services.

10 Sec. 455. As a condition of receipt of federal TANF funds,
11 homeless shelters and human services agencies shall collaborate

14 family to the homeless shelter. From the funds appropriated in part
15 1 for homeless programs, the department is authorized to make
16 allocations of TANF funds only to the homeless shelters and human
17 services agencies that report necessary data to the department for
18 the purpose of meeting TANF eligibility reporting requirements.
19 Homeless shelters or human services agencies that do not report
20 necessary data to the department for the purpose of meeting TANF
21 eligibility reporting requirements will not receive reimbursements
22 that exceed the per diem amount they received in fiscal year 2000.
23 The use of TANF funds under this section is not an ongoing
24 commitment of funding.

25 Sec. 457. (1) From the funds appropriated in part 1 for the
26 uniform statewide sexual assault evidence kit tracking system, in
27 accordance with the final report of the Michigan sexual assault

1 evidence kit tracking and reporting commission, \$800,000.00 is
2 allocated from the sexual assault evidence tracking fund to

4 sexual assault evidence kit tracking system. The system shall
5 include the following:

6 (a) A uniform statewide system to track the submission and
7 status of sexual assault evidence kits.

11 (c) Secure electronic access for victims.

12 (d) The ability to accommodate concurrent data entry with kit
13 collection through various mechanisms, including web entry through

15 (2) By March 30 of the current fiscal year, the department
16 shall submit to the senate and house appropriations subcommittees
17 on the department budget, the senate and house fiscal agencies, the
18 senate and house policy offices, and the state budget office a
19 status report on implementation and operation of the uniform
20 statewide sexual assault evidence kit tracking system, including
21 operational status and any known issues regarding implementation.

22 (3) The sexual assault evidence tracking fund established in
23 section 1451 of 2017 PA 158 shall continue to be maintained in the
24 department of treasury. Money in the sexual assault evidence
25 tracking fund at the close of a fiscal year shall remain in the
26 sexual assault evidence tracking fund and shall not revert to the
27 general fund and shall be appropriated as provided by law for the

1 development and implementation of a uniform statewide sexual
2 assault evidence kit tracking system as described in subsection
3 (1).

4 (4) By September 30 of the current fiscal year, the department
5 shall submit to the senate and house appropriations subcommittees

16 kits retrieved by law enforcement after analysis, and the physical
17 location of all released kits collected by health care providers in
18 that year, as of the date of the annual draft report for each
19 reporting agency.

20 Sec. 458. From the funds appropriated in part 1 for crime
21 victim rights services grants, the department shall allocate
22 \$2,000,000.00 state general fund/general purpose to increase grant
23 funding to support the further use of crime victim advocates in the
24 criminal justice system. The purpose of the additional funding is
25 to increase available grant funding for crime victim advocates to
26 ensure that the advocates have the resources, training, and funding
27 needed to respond to the physical and emotional needs of crime

1 victims, provide victims with the necessary services, information,
2 and assistance in order to help them understand and participate in
3 the criminal justice system and experience a measure of safety and
4 security throughout the legal process.

3 a prospective payment system under a performance-based funding
4 model.

5 (2) The department shall continue to pilot a prospective rate
6 payment system for private agencies that includes funding for

11 shall provide to the senate and house appropriations committees on
12 the department budget, the senate and house fiscal agencies and

18 welfare performance-based funding task force issued in response to
19 section 503 of article X of 2013 PA 59, the department shall
20 continue an independent, third-party evaluation of the performance-
21 based funding model.

22 (5) The department shall only implement the performance-based
23 funding model into additional counties where the department,
24 private child welfare agencies, the county, and the court operating
25 within that county have signed a memorandum of understanding that
26 incorporates the intentions of the concerned parties in order to
27 implement the performance-based funding model.

1 (6) The department, in conjunction with members from both the
2 house of representatives and senate, private child placing
3 agencies, the courts, and counties shall continue to implement the
4 recommendations that are described in the workgroup report that was
5 provided in section 503 of article X of 2013 PA 59 to establish a
6 performance-based funding for public and private child welfare

11 Sec. 513. (1) The department shall not expend funds
12 appropriated in part 1 to pay for the direct placement by the
13 department of a child in an out-of-state facility unless all of the

16 as determined by the department interstate compact office.

10 and treatment services; and strengthen the existing prevention,
11 treatment, and recovery systems.

12 Sec. 910. The department shall ensure that substance use
13 disorder treatment is provided to applicants and recipients of
14 public assistance through the department who are required to obtain
15 substance use disorder treatment as a condition of eligibility for
16 public assistance.

17 Sec. 911. (1) The department shall ensure that each contract
18 with a CMHSP or PIHP requires the CMHSP or PIHP to implement
19 programs to encourage diversion of individuals with serious mental
20 illness, serious emotional disturbance, or developmental disability
21 from possible jail incarceration when appropriate.

22 (2) Each CMHSP or PIHP shall have jail diversion services and
23 shall work toward establishing working relationships with
24 representative staff of local law enforcement agencies, including
25 county prosecutors' offices, county sheriffs' offices, county
26 jails, municipal police agencies, municipal detention facilities,
27 and the courts. Written interagency agreements describing what

1 services each participating agency is prepared to commit to the
2 local jail diversion effort and the procedures to be used by local
3 law enforcement agencies to access mental health jail diversion
4 services are strongly encouraged.

5 Sec. 912. The department shall contract directly with the
6 Salvation Army Harbor Light program to provide non-Medicaid
7 substance use disorder services if the local coordinating agency or
8 the department confirms the Salvation Army Harbor Light program
9 meets the standard of care. The standard of care shall include, but
10 is not limited to, utilization of the medication assisted treatment
11 option.

12 Sec. 915. (1) By March 1 of the current fiscal year, the
13 department shall report the following information on the mental
14 health and wellness commission to the house and senate
15 appropriations subcommittees on the department budget, the house
16 and senate fiscal agencies, the house and senate policy offices,
17 and the state budget office:

18 (a) Previous fiscal year expenditures by actionable
19 recommendation of the mental health and wellness commission.

20 (b) Programs utilized during the previous fiscal year to
21 address each actionable recommendation of the mental health and
22 wellness commission.

23 (c) Outcomes and performance measures achieved during the
24 previous fiscal year by actionable recommendation of the mental
25 health and wellness commission.

26 (d) Current fiscal year funding by actionable recommendation
27 of the mental health and wellness commission.

1 (e) Current fiscal year funding by program utilized to address
2 each actionable recommendation of the mental health and wellness
3 commission.

4 (2) By April 1 of the current fiscal year, the department
5 shall report on funding within the executive budget proposal for
6 the fiscal year ending September 30, 2020, by actionable
7 recommendation of the mental health and wellness commission to the
8 same report recipients listed in subsection (1).

9 Sec. 918. On or before the twenty-fifth of each month, the
10 department shall report to the senate and house appropriations
11 subcommittees on the department budget, the senate and house fiscal
12 agencies, and the state budget director on the amount of funding
13 paid to PIHPs to support the Medicaid managed mental health care
14 program in the preceding month. The information shall include the
15 total paid to each PIHP, per capita rate paid for each eligibility
16 group for each PIHP, and number of cases in each eligibility group
17 for each PIHP, and year-to-date summary of eligibles and
18 expenditures for the Medicaid managed mental health care program.

19 Sec. 920. (1) As part of the Medicaid rate-setting process for
20 behavioral health services, the department shall work with PIHP
21 network providers and actuaries to include any state and federal
22 wage and compensation increases that directly impact staff who
23 provide Medicaid-funded community living supports, personal care
24 services, respite services, skill-building services, and other
25 similar supports and services as part of the Medicaid rate.

26 (2) It is the intent of the legislature that any increased
27 Medicaid rate related to state minimum wage increases shall also be

1 distributed to direct care employees.

2 Sec. 924. From the funds appropriated in part 1 for autism
3 services, autism services reimbursement rates shall not exceed 75%
4 of the rates paid by the TRICARE health care program of the United
5 States Department of Defense Military Health System for autism
6 services provided in this state.

7 Sec. 925. From the funds appropriated in part 1 for community
8 mental health non-Medicaid services, each CMHSP is allocated not
9 less than the amount allocated to that CMHSP during the previous
10 fiscal year.

11 Sec. 926. From the funds appropriated in part 1 for community
12 substance use disorder prevention, education, and treatment,
13 \$500,000.00 is allocated for a specialized substance use disorder
14 detoxification pilot project created at a hospital in a city with a
15 population between 95,000 and 97,000 within a county with a
16 population of at least 1,500,000. The hospital must have a wing
17 with at least 10 beds dedicated to stabilizing patients suffering
18 from addiction by providing a specialized trauma therapist as well
19 as a peer support specialist to assist with treatment and
20 counseling. The hospital shall collect data on the outcomes of the
21 pilot project throughout the duration of the pilot project and
22 shall provide a report on the pilot project's outcomes to the house
23 and senate appropriations subcommittees on the department budget,
24 the house and senate fiscal agencies, and the state budget office.

25 Sec. 928. (1) Each PIHP shall provide, from internal
26 resources, local funds to be used as a part of the state match
27 required under the Medicaid program in order to increase capitation

1 rates for PIHPs. These funds shall not include either state funds
2 received by a CMHSP for services provided to non-Medicaid
3 recipients or the state matching portion of the Medicaid capitation
4 payments made to a PIHP.

5 (2) It is the intent of the legislature that any funds that
6 lapse from the funds appropriated in part 1 for Medicaid mental
7 health services shall be redistributed to individual CMHSPs as a
8 reimbursement of local funds on a proportional basis to those
9 CMHSPs whose local funds were used as state Medicaid match. By
10 April 1 of the current fiscal year, the department shall report to
11 the senate and house appropriations subcommittees on the department
12 budget, the senate and house fiscal agencies, the senate and house
13 policy offices, and the state budget office on the lapse by PIHP
14 from the previous fiscal year and the projected lapse by PIHP in
15 the current fiscal year.

16 Sec. 935. A county required under the provisions of the mental
17 health code, 1974 PA 258, MCL 330.1001 to 330.2106, to provide
18 matching funds to a CMHSP for mental health services rendered to
19 residents in its jurisdiction shall pay the matching funds in equal
20 installments on not less than a quarterly basis throughout the
21 fiscal year, with the first payment being made by October 1 of the
22 current fiscal year.

23 Sec. 940. (1) According to section 236 of the mental health
24 code, 1974 PA 258, MCL 330.1236, the department shall do both of
25 the following:

26 (a) Review expenditures for each CMHSP to identify CMHSPs with
27 projected allocation surpluses and to identify CMHSPs with

1 projected allocation shortfalls. The department shall encourage the
2 board of a CMHSP with a projected allocation surplus to concur with
3 the department's recommendation to reallocate those funds to CMHSPs
4 with projected allocation shortfalls.

5 (b) Withdraw unspent funds that have been allocated to a CMHSP
6 if other reallocated funds were expended in a manner not provided
7 for in the approved contract, including expending funds on services
8 and programs provided to individuals residing outside of the
9 CMHSP's geographic region.

10 (2) A CMHSP that has its funding allocation transferred out or
11 withdrawn during the current fiscal year as described in subsection
12 (1) is not eligible for any additional funding reallocations during
13 the remainder of the current fiscal year, unless that CMHSP is
14 responding to a public health emergency as determined by the
15 department.

16 (3) CMHSPs shall report to the department on any proposed
17 reallocations described in this section at least 30 days before any
18 reallocations take effect.

19 (4) The department shall notify the chairs of the
20 appropriation subcommittees on the department budget when a request
21 is made and when the department grants approval for reallocation or
22 withdraw as described in subsection (1). By September 30 of the
23 current fiscal year, the department shall provide a report on the
24 amount of funding reallocated or withdrawn to the senate and house
25 appropriation subcommittees on the department budget, the senate
26 and house fiscal agencies, the senate and house policy offices, and
27 the state budget office.

1 Sec. 942. A CMHSP shall provide at least 30 days' notice
2 before reducing, terminating, or suspending services provided by a
3 CMHSP to CMHSP clients, with the exception of services authorized
4 by a physician that no longer meet established criteria for medical
5 necessity.

6 Sec. 950. From the funds appropriated in part 1 for court-
7 appointed guardian and conservator reimbursements, the department
8 shall allocate \$2,490,000.00 to reimburse counties for 50% of the
9 cost incurred by the county to reimburse court-appointed public
10 guardians and conservators for recipients who also receive CMHSP
11 services. The department shall only reimburse counties for 50% of
12 costs for reimbursements up to \$83.00 per month per court-appointed
13 public guardian and conservator.

14 Sec. 995. From the funds appropriated in part 1 for behavioral
15 health program administration, \$4,350,000.00 is intended to address
16 the recommendations of the mental health diversion council.

17 Sec. 997. The population data used in determining the
18 distribution of substance use disorder block grant funds shall be
19 from the most recent federal census.

20 Sec. 998. For distribution of state general funds to CMHSPs,
21 if the department decides to use census data, the department shall
22 use the most recent federal census data available.

23 Sec. 1003. The department shall notify the Community Mental
24 Health Association of Michigan when developing policies and
25 procedures that will impact PIHPs or CMHSPs.

26 Sec. 1004. The department shall provide the senate and house
27 appropriations subcommittee on the department budget, the senate

1 and house fiscal agencies, and the state budget office any rebased
2 formula changes to either Medicaid behavioral health services or
3 non-Medicaid mental health services 90 days before implementation.
4 The notification shall include a table showing the changes in
5 funding allocation by PIHP for Medicaid behavioral health services
6 or by CMHSP for non-Medicaid mental health services.

7 Sec. 1005. For the purposes of special projects involving
8 high-need children or adults, including the not guilty by reason of
9 insanity population, the department may contract directly with
10 providers of services to these identified populations.

11 Sec. 1008. PIHPs and CMHSPs shall do all of the following:

12 (a) Work to reduce administration costs by ensuring that PIHP
13 responsible functions are efficient in allowing optimal transition
14 of dollars to those direct services considered most effective in
15 assisting individuals served. Any consolidation of administrative
16 functions must be demonstrated by independent analysis, a reduction
17 in dollars spent on administration resulting in greater dollars
18 spent on direct services. Savings resulting from increased
19 efficiencies shall not be applied to PIHP net assets, internal
20 service fund increases, building costs, increases in the number of
21 PIHP personnel, or other areas not directly related to the delivery
22 of improved services.

23 (b) Take an active role in managing mental health care by
24 ensuring consistent and high-quality service delivery throughout
25 its network and promote a conflict-free care management
26 environment.

27 (c) Ensure that direct service rate variances are related to

1 the level of need or other quantifiable measures to ensure that the
2 most money possible reaches direct services.

3 (d) Whenever possible, promote fair and adequate direct care
4 reimbursement, including fair wages for direct service workers.

5 Sec. 1009. (1) Each PIHP shall report to the department by
6 February 1 of the current fiscal year the range of wages paid to
7 direct care workers, including information on the number of direct
8 care workers at each wage level.

9 (2) The department shall report the information required to be
10 reported according to subsection (1) to the senate and house
11 appropriations subcommittees on the department budget, the senate
12 and house fiscal agencies, the senate and house policy offices, and
13 the state budget office by March 1 of the current fiscal year.

14 Sec. 1010. From the funds appropriated in part 1 for
15 behavioral health program administration, up to \$2,000,000.00 shall
16 be allocated to address the implementation of court-ordered
17 assisted outpatient treatment as provided under chapter 4 of the
18 mental health code, 1974 PA 258, MCL 330.1400 to 330.1490.

19 **STATE PSYCHIATRIC HOSPITALS AND FORENSIC MENTAL HEALTH SERVICES**

20 Sec. 1051. The department shall continue a revenue recapture
21 project to generate additional revenues from third parties related
22 to cases that have been closed or are inactive. A portion of
23 revenues collected through project efforts may be used for
24 departmental costs and contractual fees associated with these
25 retroactive collections and to improve ongoing departmental
26 reimbursement management functions.

1 Sec. 1052. The purpose of gifts and bequests for patient
2 living and treatment environments is to use additional private
3 funds to provide specific enhancements for individuals residing at
4 state-operated facilities. Use of the gifts and bequests shall be
5 consistent with the stipulation of the donor. The expected
6 completion date for the use of gifts and bequests donations is
7 within 3 years unless otherwise stipulated by the donor.

8 Sec. 1055. (1) The department shall not implement any closures
9 or consolidations of state hospitals, centers, or agencies until
10 CMHSPs or PIHPs have programs and services in place for those
11 individuals currently in those facilities and a plan for service
12 provision for those individuals who would have been admitted to
13 those facilities.

14 (2) All closures or consolidations are dependent upon adequate
15 department-approved CMHSP and PIHP plans that include a discharge
16 and aftercare plan for each individual currently in the facility. A
17 discharge and aftercare plan shall address the individual's housing
18 needs. A homeless shelter or similar temporary shelter arrangements
19 are inadequate to meet the individual's housing needs.

20 (3) Four months after the certification of closure required in
21 section 19(6) of the state employees' retirement act, 1943 PA 240,
22 MCL 38.19, the department shall provide a closure plan to the house
23 and senate appropriations subcommittees on the department budget
24 and the state budget director.

25 (4) Upon the closure of state-run operations and after
26 transitional costs have been paid, the remaining balances of funds
27 appropriated for that operation shall be transferred to CMHSPs or

1 PIHPs responsible for providing services for individuals previously
2 served by the operations.

3 Sec. 1056. The department may collect revenue for patient
4 reimbursement from first- and third-party payers, including
5 Medicaid and local county CMHSP payers, to cover the cost of
6 placement in state hospitals and centers. The department is
7 authorized to adjust financing sources for patient reimbursement
8 based on actual revenues earned. If the revenue collected exceeds
9 current year expenditures, the revenue may be carried forward with
10 approval of the state budget director. The revenue carried forward
11 shall be used as a first source of funds in the subsequent year.

12 Sec. 1058. Effective October 1 of the current fiscal year, the
13 department, in consultation with the department of technology,
14 management, and budget, may maintain a bid process to identify 1 or
15 more private contractors to provide food service and custodial
16 services for the administrative areas at any state hospital
17 identified by the department as capable of generating savings
18 through the outsourcing of such services.

19 Sec. 1059. The department shall identify specific outcomes and
20 performance measures for the center for forensic psychiatry,
21 including, but not limited to, the following:

22 (a) The average wait time for persons determined incompetent
23 to stand trial before admission to the center for forensic
24 psychiatry.

25 (b) The average wait time for persons determined incompetent
26 to stand trial before admission to other state-operated psychiatric
27 facilities.

1 (c) The number of persons waiting to receive services at the
2 center for forensic psychiatry.

3 (d) The number of persons waiting to receive services at other
4 state-operated hospitals and centers.

5 Sec. 1060. (1) The department shall continue to convene a
6 workgroup that meets at least quarterly in collaboration with the
7 chairs of the house and senate appropriations subcommittees on the
8 department budget or their designees, labor union representation,
9 civil service, and any other appropriate parties to recommend
10 solutions to address mandatory overtime, staff turnover, and staff
11 retention at the state psychiatric hospitals and centers,
12 including, but not limited to, permitting retired workers to return
13 and permitting hiring of part-time workers.

14 (2) By March 1 of the current fiscal year, the department
15 shall provide the workgroup's recommendations to the senate and
16 house appropriations subcommittees on the department budget, the
17 senate and house fiscal agencies, and the state budget office.

18 Sec. 1061. The funds appropriated in part 1 for Caro Regional
19 Mental Health Center shall only be utilized to support a
20 psychiatric hospital located at its current location. It is the
21 intent of the legislature that the Caro Regional Mental Health
22 Center shall remain open and operational at its current location on
23 an ongoing basis, and that any capital outlay funding shall be
24 utilized for planning and construction at the current location
25 instead of at a new location.

26 **HEALTH POLICY**

1 Sec. 1140. From the funds appropriated in part 1 for primary
2 care services, \$250,000.00 shall be allocated to free health
3 clinics operating in the state. The department shall distribute the
4 funds equally to each free health clinic. For the purpose of this
5 appropriation, "free health clinics" means nonprofit organizations
6 that use volunteer health professionals to provide care to
7 uninsured individuals.

8 Sec. 1142. The department shall continue to seek means to
9 increase retention of Michigan medical school students for
10 completion of their primary care residency requirements within this
11 state and ultimately, for some period of time, to remain in this
12 state and serve as primary care physicians. The department is
13 encouraged to work with Michigan institutions of higher education.

14 Sec. 1144. (1) From the funds appropriated in part 1 for
15 health policy administration, the department shall allocate the
16 federal state innovation model grant funding that supports
17 implementation of the health delivery system innovations detailed
18 in this state's "Reinventing Michigan's Health Care System:
19 Blueprint for Health Innovation" document. This initiative will
20 test new payment methodologies, support improved population health
21 outcomes, and support improved infrastructure for technology and
22 data sharing and reporting. The funds will be used to provide
23 financial support directly to regions participating in the model
24 test and to support statewide stakeholder guidance and technical
25 support.

26 (2) Outcomes and performance measures for the initiative under
27 subsection (1) include, but are not limited to, the following:

1 (a) Increasing the number of physician practices fulfilling
2 patient-centered medical home functions.

3 (b) Reducing inappropriate health utilization, specifically
4 reducing preventable emergency department visits, reducing the
5 proportion of hospitalizations for ambulatory sensitive conditions,
6 and reducing this state's 30-day hospital readmission rate.

7 (3) By March 1 and September 1 of the current fiscal year, the
8 department shall submit a written report to the house and senate
9 appropriations subcommittees on the department budget, the house
10 and senate fiscal agencies, and the state budget office on the
11 status of the program and progress made since the prior report.

12 (4) From the funds appropriated in part 1 for health policy
13 administration, any data aggregator created as part of the
14 allocation of the federal state innovation model grant funds must
15 meet the following standards:

16 (a) The primary purpose of the data aggregator must be to
17 increase the quality of health care delivered in this state, while
18 reducing costs.

19 (b) The data aggregator must be governed by a nonprofit
20 entity.

21 (c) All decisions regarding the establishment, administration,
22 and modification of the database must be made by an advisory board.
23 The membership of the advisory board must include the director of
24 the department or a designee of the director and representatives of
25 health carriers, consumers, and purchasers.

26 (d) The Michigan Data Collaborative shall be the data
27 aggregator to receive health care claims information from, without

1 limitation, commercial health carriers, nonprofit health care
2 corporations, health maintenance organizations, and third party
3 administrators that process claims under a service contract.

4 (e) The data aggregator must use existing data sources and
5 technological infrastructure, to the extent possible.

6 Sec. 1145. The department will take steps necessary to work
7 with Indian Health Service, tribal health program facilities, or
8 Urban Indian Health Program facilities that provide services under
9 a contract with a Medicaid managed care entity to ensure that those
10 facilities receive the maximum amount allowable under federal law
11 for Medicaid services.

12 Sec. 1147. (1) From the funds appropriated in part 1 for
13 primary care services, \$1,000,000.00 shall be appropriated for the
14 second year of a 6-year early primary care incentive program to
15 facilitate the placement of physicians in medically underserved
16 areas of this state. The early primary care incentive program
17 format includes all of the following:

18 (a) Recruitment of interested physicians before completion of
19 first year of residency.

20 (b) To participate in the pilot program, a physician must do
21 all of the following:

22 (i) Complete at least 1 year of postgraduate education.

23 (ii) Complete and pass all 3 parts of a national licensing
24 board examination.

25 (iii) Obtain an unrestricted license to engage in the practice
26 of osteopathic medicine and surgery or an unrestricted license to
27 engage in the practice of medicine in this state.

1 (c) A participating physician shall enter into a contract to
2 work with an employer for no less than 2 years in a federally
3 underserved rural or urban area in this state, beginning the year
4 following completion of at least 1 year of postgraduate education.

5 (d) The employer shall employ the physician at a competitive
6 salary. A contractual employer may include, but is not limited to,
7 a private practice physician or physician group, a hospital or
8 hospital system, a community clinic, or a federally qualified
9 health center.

10 (e) Assistance with repayment of medical education loans of
11 the participating physician shall be provided through local, state,
12 federal, or other sources during the employment period, with a
13 target assistance amount of \$50,000.00 over 2 years.

14 (f) Upon completion of the 2-year employment period,
15 participating physicians may reenter and complete a postgraduate
16 residency program.

17 (2) The department shall seek philanthropic support for the
18 early primary care incentive program to achieve increased
19 participation and may use state funds to match philanthropic
20 contributions.

21 (3) The department shall contract with the Michigan Health
22 Council for the purpose of administering the early primary care
23 incentive program. Funds shall be disbursed by the department to
24 the Michigan Health Council by December 1 of the current fiscal
25 year for this purpose.

26 (4) Use of funds for administration of the early primary care
27 incentive program is limited to no more than \$150,000.00.

1 (5) The department shall prepare a report on the status of the
2 early primary care incentive program that shall include, but is not
3 limited to, the number of physicians placed, location of placement,
4 type of employer, average student loan burden of the participating
5 physicians, and average loan relief provided under the program. By
6 April 1 of the current fiscal year, the department shall provide
7 the report described in this subsection to the house and senate
8 appropriations subcommittees on the department budget, the house
9 and senate fiscal agencies and policy offices, and the state budget
10 office.

11 (6) Unexpended and unencumbered funds up to a maximum of
12 \$1,000,000.00 general fund/general purpose revenue in part 1 for
13 primary care services are designated as work project
14 appropriations, and any unencumbered or unallotted funds shall not
15 lapse at the end of the fiscal year and shall be available for
16 expenditures for the early primary care incentive program under
17 this section until the project has been completed. All of the
18 following are in compliance with section 451a of the management and
19 budget act, 1984 PA 431, MCL 18.1451a:

20 (a) The purpose of the work project is to fund the cost of an
21 early primary care incentive program as provided by this section.

22 (b) The work project will be accomplished by administering the
23 partnering of participating physicians with qualifying employers
24 and coordinating the negotiation of medical school loan repayment
25 assistance for the participating physician.

26 (c) The total estimated cost of the work project is
27 \$1,000,000.00 of general fund/general purpose revenue.

1 (d) The tentative completion date of the work project is
2 September 30, 2023.

3 Sec. 1150. The department shall coordinate with the department
4 of licensing and regulatory affairs, the department of the attorney
5 general, all appropriate law enforcement agencies, and the Medicaid
6 health plans to reduce fraud related to opioid prescribing within
7 Medicaid, and to address other appropriate recommendations of the
8 prescription drug and opioid abuse task force outlined in its
9 report of October 2015. By October 1 of the current fiscal year,
10 the department shall submit a report to the senate and house
11 appropriations subcommittees on the department budget, the senate
12 and house fiscal agencies, the senate and house policy offices, and
13 the state budget office on steps the department has taken to
14 coordinate with the entities listed in this section and other
15 stakeholders to reduce fraud related to opioid prescribing, and to
16 address other appropriate recommendations of the task force.

17 Sec. 1151. The department shall coordinate with the department
18 of licensing and regulatory affairs, the department of the attorney
19 general, all appropriate law enforcement agencies, and the Medicaid
20 health plans to work with local substance use disorder agencies and
21 addiction treatment providers to help inform Medicaid beneficiaries
22 of all medically appropriate treatment options for opioid addiction
23 when their treating physician stops prescribing prescription opioid
24 medication for pain, and to address other appropriate
25 recommendations of the prescription drug and opioid abuse task
26 force outlined in its report of October 2015. By October 1 of the
27 current fiscal year, the department shall submit a report to the

1 senate and house appropriations subcommittees on the department
2 budget, the senate and house fiscal agencies, the senate and house
3 policy offices, and the state budget office on how the department
4 is working with local substance use disorder agencies and addiction
5 treatment providers to ensure that Medicaid beneficiaries are
6 informed of all available and medically appropriate treatment
7 options for opioid addiction when their treating physician stops
8 prescribing prescription opioid medication for pain, and to address
9 other appropriate recommendations of the task force. The report
10 shall include any potential barriers to medication-assisted
11 treatment, as recommended by the Michigan medication-assisted
12 treatment guidelines, for Medicaid beneficiaries in both office-
13 based opioid treatment and opioid treatment program facility
14 settings.

15 **LABORATORY SERVICES**

16 Sec. 1170. From the funds appropriated in part 1 for
17 laboratory services, the department shall allocate \$1,000,000.00
18 for enhanced laboratory testing of opioids in cases of drug
19 overdose deaths in order to accurately identify all prescription
20 and nonprescription substances that may have impacted a drug
21 poisoning death. The following provisions apply:

22 (a) The funds shall be used to support state laboratory and
23 county medical examiner costs for collection of biological
24 specimens for all cases of suspected or confirmed overdose death,
25 toxicology screening of specimens for opioids including fentanyl
26 analogues, shipment of specimens as needed, and information systems

1 for reporting of results to the department when a toxicology
2 screening is positive for opioids including fentanyl analogues.

3 (b) The department shall establish standards to specify type
4 of toxicology screening and proper utilization measures that are
5 consistent with standards set by the Centers for Disease Control
6 and Prevention, the College of American Pathologists, and other
7 accrediting organizations.

8 DISEASE CONTROL, PREVENTION, AND EPIDEMIOLOGY

9 Sec. 1180. From the funds appropriated in part 1 for
10 epidemiology administration and for childhood lead program, the
11 department shall maintain a public health drinking water unit and

26 public concurrence process, consistent with the provisions of this
27 part and part 1.

1 (2) The department may provide up to 1 year of continuous
2 eligibility to children eligible for the MICHild program unless the

24 the amount of \$45,000,000.00 directly to qualifying hospitals
25 serving a disproportionate share of indigent patients and to

1 Medicaid recipients, hospitals shall not include GME costs or DSH
2 payments in their contracts with HMOs.

3 (2) The department shall allocate \$45,000,000.00 in DSH
4 funding using the distribution methodology used in fiscal year
5 2003-2004.

6 Sec. 1700. By December 1 of the current fiscal year, the
7 department shall report to the senate and house appropriations
8 subcommittees on the department budget, the senate and house fiscal

22 fiscal year ending September 30, 2017 for private duty nursing
23 services for Medicaid beneficiaries under the age of 21. These
24 additional funds must be used to attract and retain highly
25 qualified registered nurses and licensed practical nurses to

27 children can be cared for in the most homelike setting possible.

1 Sec. 1704. (1) From the funds appropriated in part 1 for

26 may contribute to improvements in family health, economic, and life
27 outcomes.

1 Sec. 1757. The department shall obtain proof from all Medicaid
2 recipients that they are legal United States citizens or otherwise
3 legally residing in this country and that they are residents of
4 this state before approving Medicaid eligibility.

5 Sec. 1764. The department shall annually certify whether rates
6 paid to Medicaid health plans and specialty PIHPs are actuarially
7 sound in accordance with federal requirements and shall provide a
8 copy of the rate certification and approval of rates paid to
9 Medicaid health plans and specialty PIHPs within 5 business days
10 after certification or approval to the senate and house
11 appropriations subcommittees on the department budget, the senate
12 and house fiscal agencies, and the state budget office. Following

15 materially impacts the capitation rates that have been certified in
16 a negative manner.

17 Sec. 1775. (1) By March 1 of the current fiscal year, the
18 department shall report to the senate and house appropriations
19 subcommittees on the department budget, the senate and house fiscal
20 agencies, and the state budget office on progress in implementing

23 including, but not limited to, a description of how the department
24 intends to ensure that service delivery is integrated, how key
25 components of the proposal are implemented effectively, and any
26 problems and potential solutions as identified by the ombudsman
27 described in subsection (2).

1 (2) The department shall ensure the existence of an ombudsman
2 program that is not associated with any project service manager or
3 provider to assist MI Health Link beneficiaries with navigating
4 complaint and dispute resolution mechanisms and to identify
5 problems in the demonstrations and in the complaint and dispute
6 resolution mechanisms.

7 Sec. 1782. Subject to federal approval, from the funds
8 appropriated in part 1 for health plan services, the department
9 shall allocate \$740,000.00 general fund/general purpose plus any
10 available work project funds and federal match through an

23 Sec. 1800. For the distribution of each of the pools within
24 the \$85,000,000.00 outpatient disproportionate share hospital
25 payment, the department shall maintain a formula for the
26 distribution of each pool based on the quality of care, cost,
27 traditional disproportionate share hospital factors such as

1 Medicaid utilization and uncompensated care, and any other factor
2 that the department determines should be considered.

3 Sec. 1801. (1) From the funds appropriated in part 1 for
4 physician services and health plan services, the department shall
5 continue the increase to Medicaid rates for primary care services
6 provided only by primary care providers. For the purpose of this
7 section, a primary care provider is a physician, or a practitioner

11 333.17556, and working as a primary care provider in general
12 practice or board-eligible or certified with a specialty
13 designation of family medicine, general internal medicine, or
14 pediatric medicine, or a provider who provides the department with
15 documentation of equivalency. Providers performing a service and
16 whose primary practice is as a non-primary-care subspecialty is not
17 eligible for the increase. The department shall establish policies
18 that most effectively limit the increase to primary care providers
19 for primary care services only.

20 (2) By March 1 of the current fiscal year, the department
21 shall provide to the senate and house appropriations subcommittees
22 on the department budget, the senate and house fiscal agencies, the

27 Sec. 1802. From the funds appropriated in part 1 for hospital

1 services and therapy, \$11,978,300.00 in general fund/general
2 purpose revenue shall be provided as lump-sum payments to hospitals
3 that qualified for rural hospital access payments in fiscal year
4 2013-2014 and that provide obstetrical care in the current fiscal
5 year. Payment amounts shall be based on the volume of obstetrical
6 care cases and newborn care cases for all such cases billed by each
7 qualified hospital in the most recent fiscal year for which data
8 are available. Payments shall be made by January 1 of the current
9 fiscal year.

10 Sec. 1804. The department, in cooperation with the department
11 of military and veterans affairs, shall work with the federal
12 public assistance reporting information system to identify Medicaid
13 recipients who are veterans and who may be eligible for federal
14 veterans health care benefits or other benefits.

15 Sec. 1805. Hospitals receiving medical services payments for
16 graduate medical education shall submit fully completed quality
17 data to a nonprofit organization with extensive experience in
18 collecting and reporting hospital quality data on a public website.
19 The reporting must utilize consensus-based nationally endorsed
20 standards that meet National Quality Forum-endorsed safe practices.
21 The organization collecting the data must be an organization that
22 uses severity-adjusted risk models and measures that will help
23 patients and payers identify hospital campuses likely to have
24 superior outcomes. The public website shall provide information to
25 allow consumers to compare safe practices by hospital campus,
26 including, but not limited to, perinatal care, hospital-acquired
27 infection, and serious reportable events. Hospitals receiving

1 medical services payments for graduate medical education shall also
2 make their fully completed quality data available on the hospital's
3 website. The department shall withhold 25% of a hospital's graduate
4 medical education payment if the hospital does not submit the data
5 to a qualifying nonprofit organization described in this section by
6 January 1 of the current fiscal year.

7 Sec. 1806. (1) The department shall contractually require the
8 Medicaid health plans to monitor the progress of implementing the
9 Medicaid health plan common formulary. As part of the monitoring
10 process, by February 1 of the current fiscal year, the Medicaid

9 include recognized concepts such as 1-year continuous enrollment
10 and the HEDIS audited data. The determination of the performance of
11 the 0.25% capitation withhold is at the discretion of the
12 department but must include the utilization of high-value services
13 and discouraging the utilization of low-value services.

14 Sec. 1810. The department shall enhance encounter data
15 reporting processes and develop rules that would make each health
16 plan's encounter data as complete as possible, provide a fair
17 measure of acuity for each health plan's enrolled population for
18 risk adjustment purposes, capitation rate setting, diagnosis-
19 related group rate setting, and research and analysis of program
20 efficiencies while minimizing health plan administrative expense.
21 The department shall notify each contracting Medicaid health plan
22 of any encounter data that have not been accepted for the purposes
23 of rate setting.

24 Sec. 1812. By June 1 of the current fiscal year, and using the
25 most recent available cost reports, the department shall complete a
26 report of all direct and indirect costs associated with residency
27 training programs for each hospital that receives funds

14 (3) As used in this section, "national accrediting entity"
15 means the National Committee for Quality Assurance, the URAC,
16 formerly known as the Utilization Review Accreditation Commission,
17 or other appropriate entity, as approved by the department.

18 Sec. 1837. The department shall continue, and expand where
19 appropriate, utilization of telemedicine and telepsychiatry as

2 ambulatory sites and rural locations.

3 Sec. 1850. The department may allow Medicaid health plans to
4 assist with the redetermination process through outreach activities
5 to ensure continuation of Medicaid eligibility and enrollment in
6 managed care. This may include mailings, telephone contact, or
7 face-to-face contact with beneficiaries enrolled in the individual
8 Medicaid health plan. Health plans may offer assistance in
9 completing paperwork for beneficiaries enrolled in their plan.

10 Sec. 1851. From the funds appropriated in part 1 for adult
11 home help services, the department shall allocate up to \$150,000.00
12 state general fund/general purpose revenue plus any associated
13 federal match to develop and deploy a mobile electronic visit
14 verification solution that shall include biometric identity

17 predicated on input from the results of the 2017 stakeholder
18 survey.

19 Sec. 1855. From the funds appropriated in part 1 for program
20 of all-inclusive care for the elderly (PACE), to the extent that
21 funding is available in the PACE line item and unused program slots
22 are available, the department may do the following:

23 (a) Increase the number of slots for an already-established
24 local PACE program if the local PACE program has provided
25 appropriate documentation to the department indicating its ability
26 to expand capacity to provide services to additional PACE clients.

27 (b) Suspend the 10 member per month individual PACE program

1 enrollment increase cap in order to allow unused and unobligated
2 slots to be allocated to address unmet demand for PACE services.

3 Sec. 1856. (1) From the funds appropriated in part 1 for
4 hospice services, \$3,318,000.00 shall be expended to provide room
5 and board for Medicaid recipients who meet hospice eligibility
6 requirements and receive services at Medicaid-enrolled hospices
7 with residences in this state. The department shall distribute
8 funds through grants based on the total beds located in all
9 eligible residences that have been providing these services as of
10 October 1, 2017. Any eligible grant applicant may inform the
11 department of their request to reduce the grant amount allocated
12 for their residence and the funds shall be distributed
13 proportionally to increase the total grant amount of the remaining
14 grant-eligible residences. Grant amounts shall be paid out monthly
15 with 1/12 of the total grant amount distributed each month to the
16 grantees.

17 (2) By September 15 of the current fiscal year, each Medicaid-

3 data, including Medicaid behavioral data, to MAHP and Medicaid
4 health plans or any vendor considered qualified by the department
5 for the purpose of research activities consistent with this state's
6 goals of improving health; increasing the quality, reliability,

8 for the eligible population of Medicaid recipients.

9 Sec. 1861. From the funds appropriated in part 1 for
10 transportation, the department shall maintain the previous fiscal
11 year increase in the number of counties in which a local public
12 transportation entity is the primary administrator of the Medicaid
13 nonemergency transportation benefit. The department shall use a
14 nonprofit transportation brokerage already operating in the state
15 to carry out the requirements of this section. The purpose of this
16 expansion is to improve Medicaid beneficiary access to care, reduce
17 the number of missed physician appointments by Medicaid
18 beneficiaries, and reduce time spent by caseworkers facilitating
19 nonemergency transportation for Medicaid beneficiaries. Performance
20 goals include an increase in utilization of local public
21 transportation, a reduction in the rate of trips reported as missed

19 to identify best practices and to develop a protocol for
20 psychotropic medications. Any changes proposed by the workgroup
21 shall protect a Medicaid beneficiary's current psychotropic
22 pharmaceutical treatment regimen by not requiring a physician
23 currently prescribing any treatment to alter or adjust that
24 treatment.

25 (2) By March 1 of the current fiscal year, the department
26 shall provide the workgroup's recommendations to the senate and

15 inpatient hospitals. MiDocs shall create new residency slots only
16 in the following specialties: family medicine, general internal
17 medicine, general pediatrics, general OB-GYN, psychiatry, and
18 general surgery. Students in the program must agree to forego any

20 postresidency. Any loan repayment, loan interest payment, or
21 scholarships provided to MiDocs trainees shall include a minimum 2-
22 year commitment to practice in an underserved community in this
23 state postresidency. In collaboration with the Michigan Health

24 care services, the department may allocate up to \$3,700,000.00 for

25 prescription drug that is generally recognized in a standard
26 medical reference for the treatment of epilepsy or seizure disorder
27 or organ replacement therapy.

(3) As used in this section, "prior authorization" means a process implemented by the department or its contractual agents that conditions, delays, or denies delivery or particular pharmacy services to Medicaid beneficiaries upon application of predetermined criteria by the department or its contractual agents to those pharmacy services. The process of prior authorization often requires that a prescriber do 1 or both of the following:

(a) Obtain preapproval from the department or its contractual agents before prescribing a given drug.

11 parole and probation agents, prosecuting attorneys, defense
12 attorneys, and community corrections providers. The funds may be
13 used in connection with other federal, state, and local funding

11 decisions that will increase public safety and reduce costs
12 associated with unnecessary pretrial detention.

13 (2) The state court administrative office shall submit a
14 report by March 1 to the senate and house appropriations
15 subcommittees on judiciary, the senate and house fiscal agencies,

4 program, not more than \$100,000.00 shall be available to the state
5 court administrative office to pay for employee costs associated
6 with the administration of the program funds. Of the funds
7 designated for the program, \$500,000.00 is reserved for programs in
8 counties that had more than 325 individuals sentenced to prison in
9 the previous calendar year. Courts interested in participating in
10 the swift and sure sanctions program may apply to the state court

12 part 1 under this section.

13 (2) By April 1, the state court administrative office, in
14 cooperation with the department of corrections, shall provide a

12 to the senate and house appropriations subcommittees on judiciary,
13 the senate and house fiscal agencies, and the state budget office.

14 Sec. 322. If Byrne formula grant funding is awarded to the
15 state appellate defender, the state appellate defender office may
16 receive and expend Byrne formula grant funds in an amount not to
