STATE ID CARD: REQ. ACCEPTANCE

House Bill 5670
Sponsor: Rep. Lyn Bankes
Committee: Commerce

Complete to 3-26-96

A SUMMARY OF HOUSE BILL 5670 AS INTRODUCED 3-12-96

The bill would amend Public Act 222 of 1972, which provides for issuance of the official state personal identification card, to require either a financial institution or a retail business establishment, when requesting identification, to accept an official state ID card as acceptable proof of identification of the person, as it would accept a valid driver's license. In addition, the bill would require a police officer to accept a state ID card for identification purposes if the situation for which he or she requested identification did not pertain to driving a vehicle. Someone who refused to accept an official state ID card as proof of identification would be guilty of a misdemeanor and could be fined up to \$500, and each refusal would constitute a separate offense.
