**SUMMARY OF SENATE BILLS 245 through 250 as introduced 2-7-95:**

The bills would amend the various Acts to prohibit an elected public official, who was a member of a retirement system or a pension or retirement benefit plan established under one of the Acts, from retiring before the date that he or she was eligible to retire under the normal retirement provisions or the disability retirement provisions of the particular Act. **FISCAL IMPACT**

The bills would have no fiscal impact on State or local government. Normal retirement benefits are prefunded; therefore, the funds necessary to pay the normal retirement benefits have been paid in the past and thus require no additional State or local appropriations.
