HOUSE BILL 6333 SUBSTITUTE (H-1)

Sponsor: Rep. Patricia Birkholz
House Committee: Health Policy

FLOOR ANALYSIS - 11/12/02

Analyst(s): Bob Schneider

SUMMARY

The bill amends the Public Health Code to replace current provisions for health profession dental specialty certifications with provisions providing for health profession specialty field licenses for licensed dentists specializing in certain subfields of dentistry (e.g. orthodontics, pediatric dentistry). Since the bill maintains current law requirements for obtaining the specialty designation as well as current law fee requirements, it would have no fiscal impact on the State or on local units of government.
