The People of the State of Michigan enact:

TITLE

An act to regulate gifts of real and personal property to cities, villages, townships, and counties, and the use of those gifts and other funds; and to validate all gifts made before the enactment of this act.

Sec. 2. (1) To provide a means and method to encourage and assist businesses in locating and expanding in this state, and if not prohibited by the terms of the grant, a city, village, township, or county may use a federal, state, or local grant or the proceeds of a federal, state, or local grant to make a secured or unsecured loan or to make a grant to a private person, to a corporation or other business association, to a city, village, township, or county, or to an instrumentality of a city, village, township, or county. A county may grant or loan funds to a township, village, or city located within that county for the purpose of encouraging and assisting businesses to locate and expand within the county. A grant or loan under this subsection shall not be derived from ad valorem taxes except for ad valorem taxes approved by a vote of the people for economic development. The county shall establish an application process for proposals to receive a grant or loan under this subsection. The awarding of a grant or loan under this subsection shall be made at a public hearing of the county board of commissioners. The grant or loan contract shall require a report to the county board of commissioners regarding the activities of the recipient and the degree to which the recipient has met the stated public purpose of the funding.

(2) A loan or grant made under subsection (1) may be used for local public improvements or to encourage and assist businesses in locating or expanding in this state, to preserve jobs in this state, to encourage investment in the communities in this state, or for other public purposes.

(3) The right to repayment of a loan made under subsection (1) may be assigned by a city, village, township, or county to an entity, agency, or authority created pursuant to law, or to a private corporation or association created to make and administer loans made under subsection (1).

(4) A city, village, township, or county may receive loans under subsection (1) and issue loan revenue bonds secured by the repayment of loans made under subsection (1). For the purposes specified in subsection (2), bonds issued

pursuant to this section shall be approved by the department of treasury before their issuance, but shall not otherwise be subject to the provisions of the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821. In determining whether the issuance of the bonds shall be approved, the department of treasury shall take into consideration the following:

(a) Whether the bonds conform to the provisions of law.

(b) Whether the probable revenue and properties pledged for payment of the bonds will be sufficient to pay the principal of and interest on the bonds when due.

(c) Whether the amount of the proposed issue is sufficient or excessive for the purpose for which the bonds are to be issued.

(5) The loan revenue bonds shall not be general obligations of the city, village, township, or county issuing the loan revenue bonds. The loan revenue bonds are declared to be issued for an essential public and governmental purpose, and, together with interest on those bonds and income from those bonds, shall be exempted from all taxes.

This act is ordered to take immediate effect.
