The itemized statement below identifies the estimated appropriations from which spending to units of local government will occur:

Part-time independent student program.....	\$ 1,255,700
Michigan education opportunity grant.....	932,900
Michigan work-study.....	1,570,500
TOTAL	\$ 3,759,100

Sec. 202. The appropriations authorized under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 208. Unless otherwise specified, the institutions of higher education receiving appropriations in part 1 shall use the Internet to fulfill the reporting requirements of this act. This requirement may include transmission of reports via electronic mail to the recipients identified for each reporting requirement, or it may include placement of reports on an Internet or Intranet site.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods and services, or both, are available.

Sec. 212. (1) The funds appropriated in part 1 to state institutions of higher education shall be paid out of the state treasury and distributed by the state treasurer to the respective institutions in 11 equal monthly installments on the sixteenth of each month, or the next succeeding business day, beginning with October 16, 2003. Except for Wayne State University, each institution shall accrue its July and August 2004 payments to its institutional fiscal year ending June 30, 2004.

(2) All universities shall submit higher education institutional data inventory (HEIDI) data and associated financial and program information requested by and in a manner prescribed by the state budget director. For universities with fiscal years ending June 30, 2003, these data shall be submitted to the state budget director by October 15, 2003. Universities with a fiscal year ending September 30, 2003 shall submit preliminary HEIDI data by November 15, 2003 and final data by December 15, 2003. If a university fails to submit HEIDI data and associated financial aid program information in accordance with this reporting schedule, the state treasurer shall withhold the monthly installments under subsection (1) to the university until those data are submitted.

(3) A detailed description of procedures utilized to arrive at the amounts appropriated in part 1 shall be submitted to each institution by the senate and house fiscal agencies.

Sec. 213. Funds received by the state from the federal government or private sources for the use of a college or university are appropriated for the purposes for which they are provided. The acceptance and use of federal or private funds do not place an obligation upon the legislature to continue the purposes for which the funds are made available.

Sec. 214. If section 274 of the income tax act of 1967, 1967 PA 281, MCL 206.274, is not repealed and if a state institution of higher education that receives funds under this act notifies the department of treasury regarding its tuition and fee rates in order to qualify as an eligible institution for the Michigan tuition tax credit under section 274 of the income tax act of 1967, 1967 PA 281, MCL 206.274, the institution shall also submit the notification and applicable documentation of tuition and fee changes to the house and senate fiscal agencies.

Sec. 215. A state institution of higher education that receives funds under this act shall furnish all program and financial information that is required by and in a manner prescribed by the state budget director or the house or senate appropriations committee.

GRANTS AND FINANCIAL AID

Sec. 301. (1) Payments of the amounts included in part 1 for the state competitive scholarship program shall be distributed pursuant to 1964 PA 208, MCL 390.971 to 390.981.

(2) The Michigan higher education assistance authority shall implement a proportional competitive scholarship maximum award level for recipients enrolled less than full-time in a given semester or term.

(3) If a student who receives an award under this section has his or her tuition and fees paid under the Michigan educational trust program, pursuant to the Michigan education trust act, 1986 PA 316, MCL 390.1421 to 390.1444, and still has financial need, the funds awarded under this section may be used for educational expenses other than tuition and fees.

(4) If the Michigan higher education assistance authority increases the maximum award per eligible student from that provided in the previous fiscal year, it shall not have the effect of reducing the number of eligible students receiving awards in relation to the total number of eligible applicants. Any increase in the maximum grant shall be proportional for all eligible students receiving awards.

Sec. 302. (1) The amounts appropriated in part 1 for the state tuition grant program shall be distributed pursuant to 1966 PA 313, MCL 390.991 to 390.997a.

(2) Tuition grant awards shall be made to all eligible Michigan residents who apply before July 15, 2003 and who are qualified. Tuition grant awards shall not be made to students newly enrolled in a juris doctor law degree program after the 1995-96 academic year.

(3) The Michigan higher education assistance authority shall determine an actual maximum tuition grant award per student that ensures that the aggregate payments for the tuition grant program do not exceed the appropriation contained in part 1 for the state tuition grant program. By December 15, 2003, and again by February 1, 2004, the authority shall analyze the status of award commitments, shall make any necessary adjustments, and shall confirm that those award commitments will not exceed the appropriation contained in part 1 for the tuition grant program. The determination and actions shall be reported to the state budget director and the house and senate fiscal agencies no later than February 15, 2004. If award adjustments are necessary, the students shall be notified of the adjustment by the third Monday in February.

(4) Any unexpended and unencumbered funds remaining on September 30, 2004 from the amounts appropriated in part 1 for the tuition grant program shall not lapse on September 30, 2004, but shall continue to be available for expenditure for tuition grants provided in the 2004-2005 fiscal year. The use of these unexpended fiscal year 2003-2004 funds shall terminate at the end of the 2004-2005 fiscal year.

(5) The Michigan higher education assistance authority shall continue a proportional tuition grant maximum award level for recipients enrolled less than full-time in a given semester or term.

(6) If the Michigan higher education assistance authority increases the maximum award per eligible student from that provided in the previous fiscal year, it shall not have the effect of reducing the number of eligible students receiving awards in relation to the total number of eligible applicants. Any increase in the maximum grant shall be proportional for all eligible students receiving awards for fiscal year 2003-2004.

(7) All Ferris State University students enrolled at Kendall College of Art and Design prior to January 1, 2001 who were qualified for the state tuition grant shall continue to receive the dollar amount of the state tuition grant for which they were eligible until they graduate or are no longer enrolled in the Kendall College of Art and Design at Ferris State University.

Sec. 303. (1) Included in the appropriation in part 1 is funding for the Michigan work-study program established under 1986 PA 288, MCL 390.1371 to 390.1382, and 1986 PA 303, MCL 390.1321 to 390.1332. An effort should be made by each institution participating in the Michigan work-study program to assure that not less than 10% of those undergraduate, graduate, and professional students eligible to participate in the program are placed with for-profit employers no later than December 31 of each year for which funding is provided under this act.

(2) The Michigan higher education assistance authority shall allocate funds to institutions eligible for work-study money based upon each institution's specific Pell grant index and each institution's utilization rate of work-study funds for the 3 most recent years for which statistics are available.

(3) The Michigan higher education assistance authority shall set aside not more than 5% of the total work-study appropriation to process requests from participating institutions for allocation adjustments. Allocation adjustments shall be based on criteria set by the authority prior to making the allocations under subsection (2).

Sec. 307. The auditor general may audit selected enrollments, degrees, and awards at selected independent colleges and universities receiving awards administered by the department of treasury. The audits shall be based upon definitions and requirements established by the Michigan higher education assistance authority, the state budget director, and the senate and house fiscal agencies. The auditor general shall accept the Free Application for Federal Student Aid (FAFSA) form as the standard of residency documentation. The auditor general shall submit a report of findings to the senate and house appropriations committees and state budget director by May 1, 2004.

Sec. 308. The sums appropriated in part 1 for the student financial aid programs shall be paid out of the state treasury and shall be distributed to the respective institutions under a quarterly payment system as follows:

(a) For the state competitive scholarship, nursing scholarship, tuition incentive, and tuition grant programs, 40% shall be paid at the beginning of the state's first fiscal quarter, 40% at the beginning of the state's second fiscal quarter, 10% at the beginning of the state's third fiscal quarter, and 10% at the beginning of the state's fourth fiscal quarter.

(b) For the work-study program, payments shall be made in 11 monthly installments from October 1 to August 31 of any year.

(c) For the part-time independent student program and the Michigan education opportunity grant program, 50% shall be paid at the beginning of the state's first fiscal quarter, 25% at the beginning of the state's second fiscal quarter, and 25% at the beginning of the state's third fiscal quarter.

(d) For the dental clinics grant program and Robert C. Byrd honors scholarship program, 50% shall be paid at the beginning of the state's first fiscal quarter and 50% at the beginning of the state's second fiscal quarter after the number of earned degrees conferred and total amounts to be paid are certified.

Sec. 309. The Michigan higher education assistance authority shall determine the needs analysis criteria for students to qualify for the competitive scholarship program and tuition grant program. To be consistent with federal requirements, student wages may be taken into consideration when determining the amount of the award.

Sec. 310. Certification of eligibility may begin in the sixth grade and continue until the time of enrollment in a participating institution.

(4) For phase I, the department shall provide payment on behalf of a person eligible under subsection (3). The department shall reject billings that are excessive or outside the guidelines for the type of educational institution.

(5) For phase I, all of the following apply:

(a) Payments for associate degree or certificate programs shall not be made for more than 80 semester or 120 term credits for any individual student at any participating institution.

(8) The department shall work closely with participating institutions to develop an application and eligibility determination process that will provide the highest level of participation and ensure that all requirements of the program are met.

(9) Applications for the tuition incentive program may be approved at any time after the student begins the sixth grade. If a determination of financial eligibility is made, that determination is valid as long as the student meets all other program requirements and conditions.

(10) Each institution shall ensure that all known available restricted grants for tuition and fees are used prior to billing the tuition incentive program for any portion of a student's tuition and fees.

(11) The department shall ensure that the tuition incentive program is well publicized and that potentially eligible Medicaid clients are provided information on the program. The department shall provide the necessary funding and staff to fully operate the program.
