House Bill 5403 (Substitute S-1)
Sponsor: Representative George Cushingberry
House Committee: Appropriations
Senate Committee: Appropriations

Date Completed: 1-12-10

CONTENT

House Bill 5403 (S-1) would make supplemental appropriations for fiscal year (FY) 2009-10. The bill includes supplemental appropriations for two departments and totals \$8.9 million of Gross appropriations funded by Federal and State Restricted fund sources. The supplemental appropriations included in the bill were recommended by the Office of the State Budget (OSB) on October 21, 2009, December 3, 2009, and December 11, 2009. The table below provides a summary of the line-item appropriations contained in the bill.

Line-Item Appropriation Summary

Department of Energy, Labor, and Economic Growth: The bill would appropriate \$1.2 million of Federal funding under the United States Department of Labor's Workforce Innovation and Regional Economic Development (WIRED) Initiative. The funding would provide the Southeast Michigan region with a WIRED grant that would be used to promote job creation in advanced manufacturing, life sciences, homeland security, and alternative energy. The Southeast Michigan WIRED region is headed by the Detroit Regional Chamber of Commerce and the Detroit Renaissance.

Department of Human Services: The bill would appropriate \$25,000 in private revenue for a food aid outreach project for the elderly in Muskegon County. This appropriation has not been recommended by the OSB.

Department of Environmental Quality: The bill would appropriate \$5.5 million of State Restricted funding for the Brownfield Grant and Loan Program in the Department of Environmental Quality. The funding would be used to capitalize the revolving loan fund program and provide up to \$5.5 million of loans for cleanup projects by local units of government.

Department of Treasury: The bill would appropriate \$2.2 million of Federal funds for the continuing training of families, counselors, and community leaders to ensure low-income students are using all available financial aid programs to help subsidize the cost of a college education. A web page would be developed with this Federal fund source.

Boilerplate Language Sections
