Sponsor: Senator Mike Green  
Committee: Judiciary

**CONTENT**

The bill would amend Public Act 59 of 1935, which creates the Michigan State Police (MSP), to permit the MSP Director to authorize State-employed security personnel to exercise limited arrest powers on any State property.

Under the Act, the MSP Director may authorize limited arrest powers for security personnel employed by the State for the protection of State-owned or -leased property or facilities in the City of Lansing and in Eaton County's Windsor Township (the site of the State Secondary Complex). Limited arrest authority may be exercised only when the security employee is on a tour of duty as prescribed by the Director upon State-owned or -leased property and the person is identified by a uniform as a State security employee.

The bill would delete reference to the City of Lansing and Windsor Township. Under the bill, the MSP Director could authorize State-employed security personnel to exercise limited arrest powers for the protection of State-owned or -leased property and facilities.
