### **Motions and Resolutions**

Reps. Yaroch, Cherry, Crawford, Garza, Haadsma, Hope, Jones, Kuppa, Liberati, Sabo, Shannon, Sneller, Warren, Wittenberg and Witwer offered the following resolution:

**House Resolution No. 110.**

A resolution to declare May 23, 2019, as Stop the Bleed Day in the state of Michigan.

Whereas, The “Stop the Bleed” campaign is a national awareness effort to educate people about the importance of bleeding control measures, encourage all Michigan citizens to participate in the initiative, and learn more about the importance of bleeding-control measures; and

Whereas, Each year, more than 180,000 people die from traumatic injuries sustained as a result of events including motor vehicle crashes, falls, industrial and farm accidents, natural disasters, and tragic mass casualty events; and

Whereas, Trauma is the leading cause of death in the United States for individuals under age 44 and the fourth leading cause of death overall; and

Whereas, The most common preventable cause of death in these situations is the loss of too much blood in the minutes before trained immediate responders arrive; and

Whereas, Bleeding control is best performed with use of pressure or tourniquets within the initial moments of trauma and anyone can be trained to act as an immediate responder to stop a life-threatening hemorrhage. Military experience has proven that bleeding control techniques result in reduced rates of death from a hemorrhage; and

Whereas, May 23 is National Stop the Bleed Day. The “Stop the Bleed” campaign is a call-to-action movement intended to cultivate grassroots efforts that encourage bystanders to become trained, equipped, and empowered to help in a bleeding emergency before professional help arrives; and

Whereas, Providing Michigan citizens with the best chance of survival includes educating them with the knowledge and skills to perform immediate bleeding control and encouraging public places to equip bleeding control kits; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 23, 2019, as Stop the Bleed Day in the state of Michigan.

The question on the adoption of the resolution,

The resolution was adopted.

Reps. Paquette, Bollin, Ellison, Miller, Yaroch, Cherry, Crawford, Garza, Haadsma, Hope, Jones, Kuppa, Liberati, Sabo, Shannon, Sneller, Warren, Webber, Wittenberg and Witwer offered the following resolution:

**House Resolution No. 111.**

A resolution to commemorate the 120th anniversary of the founding of the Michigan Municipal League.

Whereas, May 23, 2019, marks 120 years of the Michigan Municipal League’s presence in the state of Michigan; and

Whereas, The origins of the Michigan Municipal League were initiated in 1899 when a group of mayors sought to collaborate with one another and form an organization to focus on ‘good government’ and strengthen the concept of home rule. The original bylaws envisioned an organization whose purpose was “the affiliation of municipal officials and the general improvement of every branch of municipal administration...”; and

Whereas, Michigan organized a state municipal league in 1899, following California, Indiana, Iowa, and Wisconsin. The organization was known as the League of Michigan Municipalities, and its founding members were: Adrian, Albion, Alpena, Ann Arbor, Battle Creek, Bay City, Benton Harbor, Big Rapids, Cadillac, Charlevoix, Charlotte, Coldwater, Detroit, Dowagiac, Eaton Rapids, Flint, Grand Haven, Grand Ledge, Grand Rapids, Hillsdale, Holly, Hudson, Ionia, Jackson, Kalamazoo, Lansing, Ludington, Manistee, Marshall, Mason, Monroe, Muskegon, Niles, Owosso, Pontiac, Port Huron, Rochester, Saginaw, St. Louis, Stanton, St. Joseph, Traverse City, Wyandotte, and Ypsilanti; and

Whereas, The League’s continuity was secured in 1928 by creating a permanent home in Ann Arbor, hiring a full-time employee, publishing a periodical, and establishing a clearinghouse of information. Harold D. Smith was the first director and built the League into a statewide organization by doubling membership his first year and doubling it again in his second year; and

Whereas, In 1957, the League expanded its presence by establishing an additional consultation and research office in Lansing and ten years later held its first legislative conference bolstering its advocacy and coverage of municipal issues at the state level; and

Whereas, One hundred and twenty years later, the mission statement reads: “The Michigan Municipal League is dedicated to making Michigan’s communities better by thoughtfully innovating programs, energetically connecting ideas and people, actively serving members with resources and services, and passionately inspiring positive change for Michigan’s greatest centers of potential: its communities”; and

Whereas, The League continues its legacy of service to meet the challenges of 515 of Michigan’s cities and villages; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 120th anniversary of the founding of the Michigan Municipal League; and be it further

Resolved, That a copy of this resolution be transmitted to the Michigan Municipal League as evidence of our esteem for being Michigan’s voice for local government over the last 120 years.

The question on the adoption of the resolution,

The resolution was adopted.

Reps. Haadsma, Cherry, Crawford, Garza, Hope, Jones, Kuppa, Liberati, Manoogian, Sabo, Shannon, Sneller, Sowerby, Warren, Wittenberg and Witwer offered the following resolution:

**House Resolution No. 112.**

A resolution to declare May 23, 2019, as Centenarian Day in the state of Michigan.

Whereas, The state of Michigan includes a growing number of older Americans who enrich our community through their diverse life experiences and are recognized and celebrated each May during Older Americans Month; and

Whereas, The state of Michigan is committed to strengthening our community by connecting with and supporting older adults, their families, and caregivers by acknowledging the many valuable contributions to society that our older adults have made to the betterment of our community; and

Whereas, The United States has the greatest number of centenarians in the world. In 2011, Michigan was home to more than 1,700 centenarians; and

Whereas, Longevity of life is a blessing for an individual and for a community which benefits from the knowledge, creativity, and experiences each individual brings to all; and

Whereas, The state of Michigan recognizes with respect and admiration the contributions of all of its citizens, but especially those who are embarking on a century of living; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 23, 2019, as Centenarian Day in the state of Michigan. We urge every resident to join in the celebration of our community friends and neighbors who are marking 100 years of living, contributing, and enriching our lives and community.

### Messages from the Senate

#### Senate Concurrent Resolution 8.

A concurrent resolution to declare Adverse Childhood Experiences (ACEs) a critical health issue, commit the Legislature to action, and encourage the Governor to direct agencies to assess and report progress on reducing ACEs.

Whereas, Adverse Childhood Experiences (ACEs) are now widely recognized as a dominant factor in the current and future well-being of children due to the harmful effects of toxic stress related to abuse (including physical, emotional, and sexual abuse), neglect (including physical and emotional neglect), and various family dysfunctions; and

Whereas, The relationship between ACEs and future health issues and conditions has an evidence-based foundation starting with the groundbreaking ACE study conducted collaboratively between the United States Centers for Disease Control and Prevention and Kaiser Permanente. This study has been cited more than 17,000 times in peer-reviewed scientific research articles; and

Whereas, The growing body of evidence on the science of human development incorporates research findings on ACEs and the long-term neurobiological, biomedical, and epigenetic consequences of toxic stress; and

Whereas, National and state surveys indicate that as many as 70 percent of Michigan adults had at least one ACE during their childhood and as much as 20 percent of Michigan's adult population had four or more ACEs; and

Whereas, The relationship between ACEs and the current prevalence of chronic disease, addictive behaviors, and related conditions is now recognized by many as a major public health crisis. Nationwide, these conditions and illnesses cost billions of dollars in resources and reduce lifetime expectancy, and they all have their roots in childhood trauma; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we declare that ACEs constitute a critical health issue in Michigan and commit to an ongoing strategy to significantly reduce ACEs in Michigan through legislative leadership, legislative acts, appropriations, reporting, and oversight; and be it further

Resolved, That we encourage the Governor to issue an executive directive that would require administrating agencies to assess if the implementation of their programs reduces ACEs and provide an annual state report and data to the Legislature and general public about progress in reducing ACEs in Michigan; and be it further

Resolved, That copies of this resolution be transmitted to the Governor of the State of Michigan and the Director of the Michigan Department of Health and Human Services.

The Senate has adopted the concurrent resolution.

Reps. Chery, Crawford, Haadsma, Hope, Kuppa, Liberati, Warren and Wittenberg were named co-sponsors of the concurrent resolution.

The concurrent resolution was referred to the Committee on Health Policy.
