enate Bill 518 (as introduced 9-20-23)
Sponsor: Senator Darrin Camilleri
Committee: Education

(Senate-passed version)

Date Completed: 9-25-23

CONTENT

The bill would amend Part 22 (School Personnel Certificates and Permits) of the Revised School Code to extend, from July 21, 2024, to July 21, 2027, the date after which the Superintendent of Public Instruction (SPI) could no longer issue an interim teaching certificate (ITC) to an individual to teach special education.

Among other things, Part 22 authorizes the SPI to establish a process for an individual to earn an ITC, which qualifies that individual to teach in public schools and to earn a Michigan teaching certificate. The Code allows the SPI to grant an ITC for teaching special education until July 21, 2024. An individual granted an ITC to teach special education before July 21, 2024, could continue to teach special education after this date.

The bill would extend the sunset on this provision from July 21, 2024, to July 21, 2027.
