8 financial assistance to local units of government or to jointly
9 provide public services.

28 created in section 12a of the Michigan Gaming Control and Revenue
29 Act, 1996 IL 1, MCL 432.212a, are less than the amounts

1 appropriated from the state services fee fund, available revenues
2 must be used to fully fund the appropriation in part 1 for casino
3 gaming regulation activities before distributions are made to other
4 state departments and agencies. If the remaining revenue in the
5 state services fee fund is insufficient to fully fund
6 appropriations to other state departments or agencies, the
7 shortfall must be distributed proportionally among those

20 person who provides information that results in the arrest and
21 conviction on a felony or misdemeanor charge for a crime that
22 involves the horse racing industry. A reward paid under this
23 section must be paid out of the appropriation in part 1 for the
24 racing commission.

25 Sec. 977. All appropriations from the equine industry
26 development fund created in section 20 of the horse racing law of
27 1995, 1995 PA 279, MCL 431.320, except for the racing commission
28 appropriations, must be reduced proportionately if revenues to the
29 equine industry development fund decline during the current fiscal

1 year to a level lower than the amount appropriated in part 1.

2 Sec. 978. The Michigan gaming control board shall use actual
3 expenditure data in determining the actual regulatory costs of
4 conducting racing dates and shall submit a report of that data to
5 the standard report recipients and the senate and house of
6 representatives appropriations subcommittees on agriculture. The
7 Michigan gaming control board may not be reimbursed for more than
8 the actual regulatory cost of conducting race dates. Before the
9 Michigan gaming control board reduces the number of authorized race
10 dates under this section, the executive director of the Michigan
11 gaming control board shall provide notice to the certified
12 horsemen's organizations with an opportunity to respond with

25 Sec. 1100. (1) Subject to section 242 of the management and
 26 budget act, 1984 PA 431, MCL 18.1242, and on the approval of the
 27 state building authority, the department of treasury may expend
 28 from the general fund of this state during the fiscal year an
 29 amount necessary to meet the cash flow requirements of those state

1 building authority projects solely for lease to a state agency
2 identified in both part 1 and this section, and for which state
3 building authority bonds or notes have not been issued, and for the
4 sole acquisition by the state building authority of equipment and
5 furnishings for lease to a state agency as permitted by 1964 PA
6 183, MCL 830.411 to 830.425, for which the issuance of bonds or
7 notes is authorized by an appropriations PA that is effective for
8 the immediately preceding fiscal year. Any general fund advances
9 for which state building authority bonds have not been issued must
10 bear an interest cost to the state building authority at a rate
11 that is not greater than the rate earned by the state treasurer's
12 common cash fund during the period in which the advances are
13 outstanding and are repaid to the general fund of this state.

14 (2) On sale of bonds or notes for the projects identified in
15 part 1 or for equipment as authorized by an appropriations PA and
16 in this section, the state building authority shall credit the

4 state building authority funding to a university or community

8 to use that excess revenue to reimburse the state building
9 authority. The excess revenue received by the state building
10 authority as reimbursement must be credited to the general fund to
