

## HOUSE RESOLUTION NO. 296

Reps. Rheingans, Breen, Brixie, DeBoer, Glanville, Haadsma, Hood, MacDonell, Paiz and Wilson offered the following resolution:

1           A resolution to commemorate the 50th anniversary of the  
2 signing of Michigan Indian Day.

3           Whereas, The state of Michigan is home to many people  
4 indigenous to the Americas, sometimes referred to as Native  
5 American, Indian, or First Nation; and

6           Whereas, Michigan's current borders include the twelve  
7 federally recognized tribal nations with each having a unique and  
8 independent government with different management and decision-  
9 making structures which exercise sovereign authority; and

10           Whereas, Public Act 30 of 1974 established the fourth Friday  
11 in September as Indian Day in Michigan; and

1           Whereas, The people of the state of Michigan benefit from an  
2 understanding of the historical and contemporary lives of those who  
3 came before us and currently live on these pleasant peninsulas; and

4           Whereas, Our shared history of the place we call Michigan  
5 dates back approximately 14,000 years to the time before the last  
6 glacier retreated from the land, and humans, including the  
7 Anishinaabeg, populated the area. Our tribal partners pass along  
8 the history of these first people; and

9           Whereas, In 2002, the State of Michigan and federally  
10 recognized tribal nations entered into a government-to-government  
11 accord, providing a framework for a government-to-government  
12 partnership that recognizes that the parties share a responsibility  
13 to provide for and protect the health, safety, and welfare of their  
14 common citizens. The 2002 accord sought to enhance and improve  
15 communication between the parties, foster respect for their  
16 sovereign status, and facilitate the resolution of potentially  
17 contentious issues; and

18           Whereas, In 2019, the Governor signed Executive Directive  
19 2019-17, to further strengthen relations between the State of  
20 Michigan and the federally recognized tribal nations. The Directive  
21 reaffirmed the commitments made during the 2002 accord, reiterated  
22 tribal sovereignty, and ordered each Executive Branch department  
23 and agency to seek consultation on any actions or decisions that  
24 they make that would impact any of the tribes; and

25           Whereas, In 2023, the State of Michigan designated Manoomin as  
26 the state's official native grain, honoring its contemporary,  
27 historical, cultural, and spiritual significance to the Indigenous  
28 peoples that have lived here for thousands of years; and

29           Whereas, Michigan is honored to have twelve federally

1 recognized tribes within its borders: the Bay Mills Chippewa  
2 Community, the Grand Traverse Bay Band of Ottawa and Chippewa  
3 Indians, the Hannahville Indian Community, the Keweenaw Bay Indian  
4 Community, the Lac Vieux Desert Band of Lake Superior Chippewa  
5 Indians, the Little River Band of Ottawa Indians, the Little  
6 Traverse Bay Bands of Odawa Indians, the Match-e-be-nash-she-wish  
7 Band of Potawatomi Indians of Michigan, the Nottawaseppi Huron Band  
8 of Potawatomi Indians, the Pokagon Band of Potawatomi Indians, the  
9 Saginaw Chippewa Indian Tribe, and the Sault Ste. Marie Tribe of  
10 Chippewa Indians; and

11       Whereas, The state of Michigan and our tribal partners have  
12 engaged in many fruitful and cooperative efforts to improve the  
13 lives of our citizens and Michigan Indian Day is an annual  
14 opportunity to honor those accomplishments; now, therefore, be it

15       Resolved, That the members of this legislative body  
16 commemorate the 50th anniversary of the signing of Michigan Indian  
17 Day. We recognize the significant contributions of Indian nations,  
18 their citizens, and predecessors to our great state's rich history  
19 and bright future; and be it further

20       Resolved, That our common future will be improved with  
21 thorough cooperation and communication between tribal and state  
22 leadership.
