(Enacted as Public Act 7 of 2025)

SUMMARY:

House Bill 4003 would amend the Michigan Memorial Highway Act to designate highway US-131 in Mecosta County, from 11 Mile Road to Old State Road, as the "Sgt. Matthew Webber Memorial Highway."

Proposed MCL 250.2073b

BACKGROUND:

According to committee testimony and online sources, the Michigan National Guard, and the Military Times, Matthew A. Webber was born in Grand Rapids to Alan and Jayne Webber on October 30, 1982. Matthew attended Morley Stanwood High School in Mecosta County, where he was president of the student council, an Honor Society student, and a three-sport athlete, and he graduated in June 2001. He continued his education by attending Western Michigan University, where he was enrolled in the Business and Marketing degree program. He was a member of the Sigma Phi Epsilon fraternity.

In 1999, before graduating from high school, Matthew joined the Army National Guard, initially not expecting to see active duty but hoping to earn money to attend college. In June 2005, he was called to active duty to proudly serve his country in the war against Iraq.

Sergeant Webber was assigned to the 1st Battalion, 125th Infantry Regiment (Mechanized) Army National Guard and was stationed at Habbaniyah, Iraq. On Monday, November 21, 2005, during combat operations, an improvised explosive device detonated near Sergeant Webber's Humvee. He sustained severe injuries and was flown to Brooke Army Medical Center in San Antonio, Texas. On April 27, 2006, Sergeant Matthew Webber died of his injuries. He was 23 years old.

Designating a portion of highway US-131 in Mecosta County would be an appropriate way to honor Matthew Webber's life, his dedication to his community, and his "always ready, always there" sacrifice for our country.

FISCAL IMPACT:

Section 2 of the Michigan Memorial Highway Act indicates that the state transportation department shall provide for the erection of suitable markers indicating the name of the highway only "when sufficient private contributions are received to completely cover the cost of erecting and maintaining those markers." As a result, the bill has no state or local fiscal impact.

POSITIONS:

The Department of Veterans Affairs indicated support for the bill. (2-25-25)

The Department of Transportation indicated a neutral position on the bill. (2-25-25)
