House Bill 4930 (proposed substitute H-1)

Sponsor: Rep. Mike Mueller

Committee: Rules

Complete to 10-29-25

Analysis available at
<http://www.legislature.mi.gov>

SUMMARY:

House Bill 4930 would amend Article 15 (Occupations) of the Public Health Code to require an application for health professional licensure or registration under the article to include the applicant's full legal name. In addition, the code now requires that if the facts set forth in an application meet the requirements for licensure or registration of the applicable health profession board or task force and of Article 15, the board or task force must grant a license or registration to the applicant. The bill would revise this provision to remove the references to a board or task force and to include requirements provided by rule. Under the bill, if the facts set forth in an application meet the requirements for licensure or registration of Article 15 and the applicable rules, the applicant would have to be granted a license or registration.

Health fields that have professions licensed or registered under Article 15 include acupuncture, athletic training, applied behavior analysis, audiology, chiropractic, counseling, dentistry, dietetics and nutrition, marriage and family therapy, massage therapy, medicine, midwifery, nursing, nursing home administration, occupational therapy, optometry, osteopathic medicine, pharmacy, physical therapy, podiatry, psychology, respiratory therapy, sanitary sciences, social work, speech-language pathology, and veterinary medicine.

The bill would take effect 90 days after being enacted.

MCL 333.16177

FISCAL IMPACT:

House Bill 4930 would have no fiscal impact on any units of state or local government.
