"The management and budget act,"
(MCL 18.1101 to 18.1594) by adding section 364.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 364. (1) Except as otherwise provided in this section, a
2 state department or agency shall not expend money that was
3 appropriated as a legislatively directed spending item. A
4 legislator must submit a request for a legislatively directed
5 spending item in accordance with this section and on the form
6 described in section 364a. A request for a legislatively directed
7 spending item that is submitted for the first fiscal year of a 2-
8 year legislative session applies to both fiscal years of a 2-year
9 legislative session and does not need to be resubmitted or renewed.

1 A request for a legislatively directed spending item that is
2 submitted for the second fiscal year of a 2-year legislative
3 session applies only to that fiscal year and does not carry over to
4 the following 2-year legislative session. A legislatively directed
5 spending item must be presented at a hearing of the appropriations
6 committee or subcommittee of the chamber in which the legislatively
7 directed spending item was requested before a bill containing the
8 legislatively directed spending item is passed by both chambers of
9 the legislature. A legislator that does not hold a leadership
10 position may not request a legislatively directed spending item for
11 an intended recipient or location that is not located within, or
12 that would not benefit the residents of, the legislator's district
13 or a county, any part of which is located within the legislator's
14 district.

15 (2) A for-profit entity is not eligible to receive a
16 legislatively directed spending item. A nonprofit corporation is
17 eligible to receive a legislatively directed spending item if all
18 of the following requirements are met:

19 (a) The nonprofit corporation has continuously operated in
20 this state during the immediately preceding 3-year period.

21 (b) The nonprofit corporation had a physical office in this
22 state during the immediately preceding 1-year period.

23 (c) The nonprofit corporation has a board of directors.

24 (3) The senate and house of representatives shall each
25 establish pages on their existing websites that are accessible to
26 the public at no cost and that contain information regarding
27 legislatively directed spending items. Not later than 5 business
28 days after a request for a legislatively directed spending item is
29 submitted, the senate and house of representatives shall post the

1 information for the legislatively directed spending item on the
2 respective page. At least 45 calendar days before the date that a
3 bill containing a legislatively directed spending item is passed by
4 both chambers of the legislature, the senate and house of
5 representatives shall post the information for each legislatively
6 directed spending item contained in the bill on the respective
7 page.

8 (4) The department shall establish and maintain a website that
9 lists information for each legislatively directed spending item
10 included in an appropriations bill that is enacted into law. The
11 website must be available to the public at no cost. The website
12 must include all of the following information for each
13 legislatively directed spending item:

14 (a) The name of the legislator who submitted the request for
15 the legislatively directed spending item and of each legislator who
16 cosponsored the request.

17 (b) The name of the recipient of the legislatively directed
18 spending item.

19 (c) A summary of the purpose of the legislatively directed
20 spending item.

21 (d) A description of the legislatively directed spending item.

22 (e) The state department or agency that is administering the
23 legislatively directed spending item.

24 (f) The section of the bill or law that contains the
25 legislatively directed spending item.

26 (g) The status of the legislatively directed spending item.

27 (h) The status of the legislatively directed spending item
28 agreement.

29 (i) Whether the legislatively directed spending item agreement

1 has been amended and, if so, a description of the amendment.

2 (j) To the extent allowed by law, the forms provided by a
3 nonprofit corporation under subsection (7) (e).

4 (5) The department or, if applicable, the state department or
5 agency that is administering a legislatively directed spending
6 item, shall do both of the following:

7 (a) Post the information described in subsection (4) on the
8 website or on the state department's or agency's website, and
9 provide the information described in subsection (4) to the
10 department.

11 (b) At frequent intervals, update the status of each
12 legislatively directed spending item.

13 (6) The state department or agency that is administering a
14 legislatively directed spending item shall, for the duration of the
15 public project, but not to exceed 7 years, ensure that the
16 legislatively directed spending item has been spent in accordance
17 with the terms of the legislatively directed spending item
18 agreement. The auditor general shall, at no additional cost to the
19 department or state department or agency, evaluate the management
20 of legislatively directed spending items as part of the auditor
21 general's annual financial audits of state agencies.

22 (7) A recipient of a legislatively directed spending item
23 shall enter into a legislatively directed spending item agreement.
24 A legislatively directed spending item agreement must require, at a
25 minimum, all of the following:

26 (a) That the recipient repay the legislatively directed
27 spending item if the recipient uses the appropriation for a purpose
28 other than the purpose for which it was appropriated.

29 (b) That the legislatively directed spending item not be

1 disbursed if the department determines that the recipient is not
2 using or will not use the appropriation for the purpose for which
3 it was appropriated.

4 (c) That the legislatively directed spending item must not be
5 used to pay a tax lien, delinquent tax, or other obligation owed to
6 the federal government, this state, or a political subdivision of
7 this state.

8 (d) That the department or state department or agency may take
9 any action authorized by law, including, but not limited to,
10 requiring a corrective action plan before making further payment,
11 cancelling the legislatively directed item, or seeking
12 reimbursement of funds that have been disbursed to the recipient,
13 if the department or state department or agency administering the
14 legislatively directed spending item determines that the recipient
15 is not in compliance with the legislatively directed spending item
16 agreement.

17 (e) If the recipient is a nonprofit corporation, that the
18 nonprofit corporation submit the recipient's internal revenue
19 service form 990, 990-EZ, or other 990-series return for the most
20 recent tax year to the department.

21 (8) The disbursement of the money associated with a
22 legislatively directed spending item must be made in accordance
23 with this act and the disbursement schedule in the executed
24 legislatively directed spending item agreement.

25 (9) The department or state department or agency administering
26 a legislatively directed spending item, as applicable, shall do all
27 of the following:

28 (a) Disburse, in whole or in part, a legislatively directed
29 spending item to a recipient only after the recipient has provided

(b) Verify that a legislatively directed spending item recipient meets the eligibility requirements under this section before disbursing the legislatively directed spending item to the recipient. Verification under this subdivision may be done by accessing publicly available filings, relying on certified information provided by the intended recipient, or other similar means.

(c) Notify a legislatively directed spending item recipient of the status of the disbursement of the legislatively directed spending item after the recipient enters into a legislatively directed spending item agreement.

(d) Not later than 30 calendar days after taking action under subsection (7) (d), notify each member of the legislature who holds a leadership position.
