Fr. Bob Bacik, Pastor of St. Gerard Catholic Church in Lansing, offered the following invocation:

“Almighty and merciful God,

You reign over all creation

and guide the hearts of those who serve the common good.

We thank You for those who offer their gifts and energy in public service, and for the many unseen sacrifices that make their work possible.

Bless the members and staff of this House of Representatives, and their families and loved ones who share in the weight of their service.

Grant them wisdom and courage in their deliberations.

Inspire them to uphold the dignity of every person,

to protect the poor and vulnerable,

to defend freedom of conscience and faith,

to honor the dignity of work,

and to care for the land and waters that make Michigan such a blessed home.

May this House be a place where dialogue replaces division,

where conviction is joined with humility,

and where the good of all Michiganders remains the measure of every choice.

Renew in all of us a spirit of unity and hope for this nation and this state.

In the tradition of my Catholic faith, I offer this prayer and blessing through the intercession of

**Blessed Solanus Casey of Detroit**, humble doorkeeper and friend of the poor, who taught us that gratitude opens the door to grace;

**the Venerable Bishop Frederic Baraga of Michigan’s great north**, missionary and bridge-builder who united peoples through faith, language, and love;

and **Sr. Mary Theresa Dudzik**, servant of the poor and immigrant, whose compassion helped shape our communities.

May their example remind us that holiness is often found in humble service, and that leadership begins with listening.

In the name of the Father, and of the Son, and of the Holy Spirit.

**Amen.”**

### Motions and Resolutions

Reps. Steckloff, Witwer, Lightner, Mentzer, Brenda Carter, Kelly, Robinson, Roth, Wegela, Pohutsky, Thompson, Linting, Schriver, Breen, Price, Bruck, Brixie, Dievendorf, Fox, Glanville, Longjohn, MacDonell, McFall, Paiz, Rheingans and Young offered the following resolution:

#### **House Resolution No. 201.**

A resolution to declare October 2025 as Breast Cancer Awareness Month in the state of Michigan.

Whereas, October has been long recognized across the United States as Breast Cancer Awareness Month in effort to raise public awareness about the importance of early detection; and

Whereas, In 2024 alone, an estimated 9,410 Michiganders were newly diagnosed with breast cancer, with 310,720 diagnosed across the nation. Tragically, about 1,350 Michiganders and 42,250 Americans succumbed to their breast cancer battle last year; and

Whereas, In the United States, 1 in 196 women under 40 years of age is diagnosed with breast cancer. Breast cancer is the most common cancer type amongst adolescent and young females, accounting for 30% of diagnosed cancer cases in American women. Diagnosed cases of invasive breast cancer in women 15-39 years old have increased since 2004. Along with these increasing rates, women under 40 are 39% more likely to die of breast cancer than older women even if diagnosed in early stages; and

Whereas, The use of mammography in the U.S. has been credited with doubling the detection of early stage breast cancer and breast cancer death rates have steadily declined since the 1990s; and

Whereas, Efforts to promote increased mammogram screening have resulted in the third Friday in October being declared National Mammography Day; and

Whereas, Even with impressive progress, many women do not utilize mammograms or other recommended testing methods at regular intervals before physical symptoms can be seen or felt. Breast cancer deaths may continue to decline if women are able to receive recommended screenings at regular intervals; and

Whereas, Breast cancer does not discriminate. Women from all walks of life, of all ages and backgrounds are at risk of developing breast cancer. Breast Cancer Awareness month sheds light on preventative treatments and measures women can utilize to fight off breast cancer before it occurs, or detect breast cancer in its early stages; now, therefore, it be

Resolved by the House of Representatives, That the members of this legislative body declare October 2025 as Breast Cancer Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Rheingans, Brixie, Glanville, McFall, Paiz and Young offered the following resolution:

**House Resolution No. 202.**

A resolution calling on the Michigan Natural Resources Commission to temporarily extend the 2025 open firearm hunting season and set the dates to be November 1, 2025, to November 30, 2025.

Whereas, The Michigan Department of Natural Resources has established a program called Hunters Feeding Michigan which allows deer hunters to donate venison to participating processors to be distributed to Michigan food banks. One donated deer can provide approximately 160 meals for hungry Michiganders. Currently, Hunters Feeding Michigan is completely funded by private donations; and

Whereas, It has been announced that on Saturday, November 1, 2025, the United States Department of Agriculture will be pausing the Supplemental Nutrition Assistance Program (SNAP), a federal program that helps ensure that our most vulnerable citizens stay fed and healthy; and

Whereas, The United States Department of Agriculture has deemed that it is legally unable to utilize the emergency contingency funds that have already been appropriated to the department for SNAP. This is a complete deviation from how prior administrations have viewed the availability of contingency funding for SNAP during a government shutdown; and

Whereas, Stopping SNAP benefits will have drastic impacts in Michigan and across the entire country. Approximately 1.4 million Michiganders receive SNAP benefits, which includes 492,225 children and 38,513 veterans; and

Whereas, Opening firearm hunting season two weeks early will allow processors participating in Hunters Feeding Michigan to have more time to process venison products. Such products can be frozen and stored for later use while the country navigates these unprecedented times; and

Whereas, While extending the open firearm season is not the only measure that Michigan can take to make up for the lack of federal funding for SNAP, it is one action that can help our citizens; now, therefore, be it

Resolved by the House of Representatives, That we call on the Michigan Natural Resources Commission to temporarily extend the 2025 open firearm hunting season and set the dates to be November 1, 2025, to November 30, 2025; and be it further

Resolved, That copies of this resolution be transmitted to the Director of the Michigan Department of Natural Resources and the members of the Michigan Natural Resources Commission.

Rep. Fitzgerald moved that Rule 71 be suspended and the resolution be considered at this time.

The motion did not prevail, 3/5 of the members present not voting therefor.

The resolution was referred to Committee on Government Operations.

---

Rep. Fitzgerald moved that Rep. Farhat be excused temporarily from today's session.  
The motion prevailed.

**Messages from the Senate**

**Senate Concurrent Resolution No. 7.**

A concurrent resolution to urge the Trump Administration and the United States Department of Agriculture (USDA) to immediately release Supplemental Nutrition Assistance Program funding.

Whereas, The Supplemental Nutrition Assistance Program (SNAP) is one of the most effective anti-hunger and anti-poverty initiatives in the nation. SNAP provides critical food assistance to more than 42 million individuals, including working families, children, seniors, and veterans, who rely on this support to put food on the table; and

Whereas, In 2024, approximately 1.4 million Michigan residents relied on SNAP, which is one in seven Michiganders, including 492,225 children and 38,513 veterans; and

Whereas, In Senate Districts 9, 20, and 30 alone, over 29,000 households rely on SNAP benefits; and

Whereas, The USDA under the Trump Administration advised the Michigan Department of Health and Human Services that there may not be enough funds to pay November SNAP benefits in full and directed the department to pause and withhold November SNAP benefits until further notice; and

Whereas, The withholding, delay, or obstruction of SNAP benefit disbursement needlessly and directly threatens the stability and health of working individuals and their families who are already struggling under rising inflation from national policies initiated by the Trump Administration and the Republican Congress; and

Whereas, The White House and Republican Congressional majorities have repeatedly used hunger and hardship as political weapons, leveraging the suffering of fellow Americans to advance radical and draconian budget cuts, dismantle social safety nets, and score partisan political points at the expense of working families and human dignity; and

Whereas, The legislative actions and inactions of President Trump and Republicans in Congress have generated the political climate that has resulted in the shutdown of the federal government that threatens SNAP benefits and will also lead to dramatic increases in healthcare costs due to extreme cuts to Medicaid, Medicare, and Affordable Care Act Enhanced Premium Tax Credits for working families; and

Whereas, The USDA has the option to use the billions of dollars available in contingency reserves, already authorized by Congress, to fund SNAP benefits, and any failure to act by President Trump and Secretary Rollins is a callous disregard of working individuals and families and a conscious choice to hurt fellow Americans; and

Whereas, Failure to release SNAP benefits will likely cause immediate and lasting harm: seniors will skip meals, children will go hungry, individuals with disabilities will have to pick between medication and eating, families will be forced to choose between putting food on the table and paying rent, and resource-strained communities will struggle with increased demand on food banks and emergency services; and

Whereas, The Trump Administration’s actions this year have already strained food banks by cutting 500 million dollars in deliveries for the Emergency Food Assistance Program, which provides locally produced meat, dairy, and eggs to food banks and other organizations across the country; and

Whereas, Michiganders in rural counties will be hardest hit. Of the 30 counties with the highest SNAP participation rates, 26 are rural. The economic impact of withholding SNAP benefits extends beyond individual households, as farmers, local grocery stores, and vendors will struggle with reduced demand for their goods; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we urge the United States Department of Agriculture under the Trump Administration to release Supplemental Nutrition Assistance Program funding without political interference, delay, or manipulation; and be it further

Resolved, That we urge the Republican majorities in Congress and President Trump to reopen the government, uphold health care access, and restore food access to people as soon as possible; and be it further

Resolved, That we call for an end to the deliberate obstruction of nutritional aid by the White House and Congressional Republicans, whose actions threaten the health, stability, and moral conscience of the nation; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the United States Secretary of Agriculture, the Speaker of the United States House of Representatives, the President Pro Tempore of the United States Senate, and the congressional delegation of Michigan.

The Senate has adopted the concurrent resolution.

The question being on the adoption of the concurrent resolution,

Rep. Robinson moved to substitute (H-1) the concurrent resolution as follows:

**Substitute for Senate Concurrent Resolution No. 7.**

A concurrent resolution urging the United States Congress to immediately reopen the federal government by passing a clean continuing resolution.

Whereas, The United States government has been shut down for more than 29 days, marking the second longest shutdown in our nation's history; and

Whereas, The damaging impacts of the federal government shutdown are being felt across Michigan. Shutdowns result in most federal workers being furloughed or required to work without pay, and there are around 56,000 federal workers across our state. This prolonged shutdown could result in thousands of families struggling to make ends meet; and

Whereas, Our 1.3 million active-duty military personnel are bravely protecting and serving our country, not knowing if they will receive their next paycheck; and

Whereas, The shutdown disrupts critical services, such as food assistance programs, likely causing immediate and lasting harm: seniors will skip meals, children will go hungry, individuals with disabilities will have to pick between medication and eating, families will be forced to choose between putting food on the table and paying rent, and resource-strained communities will struggle with increased demand on food banks and emergency services; and

Whereas, There have now been 13 blocked attempts to reopen the federal government; and

Whereas, From 2021 to 2024, there were 13 separate short-term funding measures enacted by Congress; and

Whereas, Members of Congress who continue to allow this shutdown to persist should recognize these real and immediate harms and understand that partisan disagreements should not come at the expense of the American people. Differences in policy and spending priorities can and should be debated after reopening the government; and

Whereas, The state of Michigan has demonstrated the ability to prioritize people over politics. Despite deep differences in spending priorities, the Representatives and Senators of the Michigan Legislature worked together to reconfigure state budgets and delivered greater value for taxpayers while achieving earmark reform and rooting out waste, fraud, and abuse; and

Whereas, Michigan's leaders have shown that this important work can continue while the government is operating. By adopting a temporary stopgap measure, Michigan was able to pass a responsible, bipartisan, and balanced budget that reduced spending from the previous year without jeopardizing vital public services; and

Whereas, No one wins in a government shutdown. Every day that the federal government remains closed is another day of unnecessary hardship for American families, public servants, and communities across the nation; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we urge the United States Congress to take immediate action to reopen the federal government by passing a clean continuing resolution and to do right by the American people; and be it further

Resolved, That copies of this resolution be transmitted to the Speaker of the United States House of Representatives, the Minority Leader of the United States House of Representatives, the Majority and Minority Leaders of the United States Senate, and the members of the Michigan congressional delegation.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.
