Rep. Tonya Myers-Phillips, from the 7th District, offered the following invocation:

“Building on Jesus’ teaching, the apostle Paul gives us guidance in I Cor. 13 on what love really is about. I pray that we can truly walk in love in our lives and in our work. I Cor reads

1 If I speak in the tongues of men or of angels, but do not have love, I am only a resounding gong or a clanging cymbal. 2 If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but do not have love, I am nothing. 3 If I give all I possess to the poor and give over my body to hardship that I may boast, but do not have love, I gain nothing.

4 Love is patient, love is kind. It does not envy, it does not boast, it is not proud. 5 It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. 6 Love does not delight in evil but rejoices with the truth. 7 It always protects, always trusts, always hopes, always perseveres.

8 Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away. 9 For we know in part and we prophesy in part, 10 but when completeness comes, what is in part disappears. 11 When I was a child, I talked like a child, I thought like a child, I reasoned like a child. When I became a man, I put the ways of childhood behind me. 12 For now we see only a reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known.

13 And now these three remain: faith, hope and love. But the greatest of these is love.

So, Lord I pray, show us how to love.

In Jesus name,

Amen.”

Rep. Fitzgerald moved that Reps. Brenda Carter, Tyrone Carter, Coffia, Farhat, Grant, Rheingans, Weiss and Whitsett be excused from today’s session.

The motion prevailed.

Rep. Posthumus moved that Reps. Bierlein and Schriver be excused from today’s session.

The motion prevailed.

Motions and Resolutions

Reps. VanWoerkom, Breen, Fox, Glanville, Kelly, Longjohn, MacDonell, Miller, Paiz, Rigas, Rogers, Witwer and Young offered the following resolution:

House Resolution No. 203.

A resolution to declare November 2025 as Diabetes Awareness Month in the state of Michigan.

Whereas, Approximately 923,000 adults and children in Michigan are affected by Type 1 or Type 2 diabetes and approximately 29.7 million Americans are affected nationwide; and

Whereas, Approximately 51,000 new people are diagnosed with diabetes each year in Michigan; and

Whereas, Type 1 diabetes typically presents during childhood or adolescence, but can also develop in adults; and

Whereas, The warning signs of Type 1 diabetes include excessive thirst, frequent urination, rapid weight loss, stomach pain, nausea, vomiting, fatigue, and weakness and are often mistaken for the flu, strep throat, a growth spurt, or a urinary tract infection; and

Whereas, In 2021, approximately 352,000 children and adolescents younger than 20 years had diagnosed diabetes in the United States; and

Whereas, The warning signs of Type 2 diabetes include increased thirst, frequent urination, increased appetite, weight loss, fatigue, and dark patches of skin; and

Whereas, As childhood obesity increases, there is an ongoing shift of Type 2 Diabetes from an adult disease to one that affects children; and

Whereas, The 2022 direct medical cost of diabetes in Michigan was estimated at \$10.8 billion; and

Whereas, There is not a cure for Types 1 or 2 diabetes, but the diseases may be manageable through diet, exercise, insulin therapy or other medications; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 2025 as Diabetes Awareness Month in the State of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Miller, Paiz, Price, Mentzer, Arbit, Pohutsky, Dievendorf, Brenda Carter, Longjohn, Coffia, Tsernoglou, Koleszar, MacDonell, Young, Hope, Puri, Rheingans, Conlin, Tyrone Carter, Scott, Witwer, Martus, Fitzgerald, Breen, Glanville and Rogers offered the following resolution:

House Resolution No. 204.

A resolution to urge President Donald J. Trump and the United States Department of Agriculture (USDA) to activate contingency funds to cover the upcoming month of food assistance benefits for 42 million Americans who stand to lose them on November 1 if the federal government remains shut down.

Whereas, The Supplemental Nutrition Assistance Program (SNAP) is the nation's largest food assistance program, with over 42 million Americans relying on the program to help them put food on the table. This includes approximately 1.4 million Michiganders, or one in seven of the state's residents. Of Michigan's SNAP participants, more than 59 percent are families with children, more than 39 percent are families with older or disabled adults, and more than 46 percent are working families; and

Whereas, On October 10, the Michigan Department of Health and Human Services was notified by the United States Department of Agriculture (USDA) that, due to the ongoing federal government funding lapse, there will be a limited availability to distribute SNAP benefits in November and to hold on issuing SNAP benefits until further notice. The failure to pay these benefits means that low-income families will be forced to choose between purchasing food and paying for other necessities like rent and utilities, children will go hungry and be unable to focus in school, and individuals who are reliant on medication will have to choose between taking their medicine and eating; and

Whereas, A lapse in SNAP benefits will have wide-reaching social, health, and economic impacts. As well as putting the health and well-being of SNAP participants at risk, failing to provide SNAP funding will result in a loss of revenue for farmers, grocers, and other small businesses; and

Whereas, It is all the more important that SNAP benefits be distributed when millions of Americans are already struggling to afford food. Staples like eggs, coffee, and ground beef all hit record high prices this year. Even prior to the current funding lapse, a majority of polled Americans cited the cost of groceries as being a major stressor; and

Whereas, The federal government's claim that SNAP's contingency funds are not legally available to cover regular benefits is inaccurate in light of prior practice that allows for the Trump administration to use its legal transfer authority, the same authority it recently used to provide additional funds to the Women, Infants, and Children (WIC program), to cover regular SNAP benefits; and

Whereas, Multiple USDA documents and confirmation from the Government Accountability Office (GAO) have explicitly confirmed that contingency funds can be used for SNAP benefits during a government shutdown in order to prevent a break in benefits; and

Whereas, The Trump administration itself, particularly during the 2018-2019 government shutdown, as well as past administrations, have all held the position that emergency contingency funds can and should be used to fund SNAP during a government shutdown; now, therefore be it

Resolved by the House of Representatives, That we urge President Trump and the United States Department of Agriculture to activate contingency funds to cover the upcoming month of food assistance benefits for 42 million Americans who stand to lose them on November 1 if the federal government remains shut down; and be it further

Resolved, That copies of this resolution be transmitted to President Trump, the Secretary of the United States Department of Agriculture, and members of the Michigan congressional delegation.

The resolution was referred to Committee on Government Operations.

Reps. Mentzer, Price, Miller, Arbit, McKinney, O'Neal, Neeley, McFall, Xiong, Brixie, Longjohn, Brenda Carter, Pohutsky, Tsernoglou, Coffia, Koleszar, MacDonell, Young, Martus, Hope, Rheingans, Wooden, Byrnes, Paiz, Scott, Witwer, Breen, Dievendorf, Glanville and Rogers offered the following resolution:

House Resolution No. 205.

A resolution to strongly urge President Donald J. Trump and the United States Congress to take immediate and deliberate action to ensure the issuance of Supplemental Nutrition Assistance Program benefits for the month of November and for the duration of the continued lapse in appropriations.

Whereas, The Supplemental Nutrition Assistance Program (SNAP) provides food benefits to low-income families. SNAP is the nation's largest nutrition assistance program, serving more than 42 million individuals across the nation; and

Whereas, In Michigan alone, nearly 13 percent of households — approximately 1.4 million individuals — relied on SNAP benefits to access food in 2024. Of these households, 43 percent included children, 36 percent included older adults, and 51 percent included a person with a disability; and

Whereas, On October 10, the Michigan Department of Health and Human Services received notice from the United States Department of Agriculture’s Food and Nutrition Service directing states to hold their November issuance files and delay transmission to state EBT vendors until further notice. This means that Michiganders will not receive SNAP benefits for November; and

Whereas, SNAP is a lifeline that helps put food on the table for children, seniors, veterans, disabled persons, and other vulnerable individuals struggling to meet their basic food needs. The loss of SNAP benefits would harm these vulnerable Michiganders and exacerbate challenges this state faces with food insecurity and childhood hunger; and

Whereas, While food banks and pantries are preparing to expeditiously serve as many Michiganders as possible, neither alone has the capacity nor the funding to meet the demand or make up for the loss of SNAP benefits for Michigan families; now, therefore, be it

Resolved by the House of Representatives, That we urge President Donald J. Trump and the United States Congress to take immediate and deliberate action to ensure the issuance of SNAP benefits for the month of November and for the duration of the continued lapse in appropriations; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the Speaker of the United States House of Representatives, the Majority Leader of the United States Senate, the United States Secretary of Agriculture, and the members of the Michigan congressional delegation.

The resolution was referred to Committee on Government Operations.

Rep. Fitzgerald moved that Reps. Herzberg and Liberati be excused temporarily from today’s session. The motion prevailed.

Rep. Young, having reserved the right to explain her nay vote, made the following statement:
“Mr. Speaker and members of the House:

I believe this resolution was premature in that the MDE is continuing their engagement with parents and other stakeholders. A primary key about what MDE is proposing is that parents can absolutely continue to opt their children out of any health/sexual education they don’t want them to participate. Parents, not politicians, are empowered to make the best decisions for their children regarding this matter. Love is the work!”

Rep. Jaime Greene moved that the House adjourn.
The motion prevailed, the time being 4:30 p.m.

The Speaker Pro Tempore declared the House adjourned until Wednesday, November 5, at 1:30 p.m.
