Rep. Jason Woolford, from the 50th District, offered the following invocation:

“Isaiah 1:17 says, ‘Learn to do right; seek justice, relieve the oppressed, correct the oppressor, defend the fatherless, and plead the widow.’ The word of prayer is given to the heart of God, and with that, let us pray:

Father, we come before You in the name of Jesus, and we thank You, God, that You are the God of the beginning and the end. The Most High God, our Father Who sent His Son, Jesus, that all might be saved in and through that name. You are the God of Genesis, the God of the Bible, the King of kings, and the Lord of lords.

Father, You have mention in Your Word that the purpose of government is to protect, to punish, and to promote. Let the men and women in this chamber carry out their duties in accordance with Your Word and the Constitution, which has long served as the

foundation and the pillars of this great nation. You said Father, that upon the giving of Your Son, the government would be upon His shoulders, and that His name would be called Wonderful Counselor, Mighty God, Everlasting Father, and Prince of Peace.

So, Father, with that said, I know the responsibility and authority that resides in these men and women, an authority that ultimately comes from You. Your Word says, ‘Let every soul be subject to the governing authorities.’

Lord, we know that with responsibility comes great accountability, both to the people they serve, but most importantly, to You Father. Lord, give each and every man and woman here Your mind, that they would uphold Your principles, that they would find favor with You first, and then with the people they serve. Let them find favor because they chose to do what is right in both the significant and the ordinary moments.

Give them the wisdom and knowledge beyond their own. Let these chambers be filled with men and women who are filled with Your love and Your justice. Lord, we thank You that we are still one nation under God, and not a nation under political correctness.

We pray that we will be guided by Your moral law and not intimidated by any man. We ask all this in Jesus’ name. Amen.”

Rep. BeGole moved that Reps. Coffia, Conlin, Grant, Herzberg, Hoskins, Neeley, Rheingans, Schriver, Steckloff and Whitsett be excused from today’s session.

The motion prevailed.

Motions and Resolutions

Reps. Martus, Hope, Andrews, Paiz, Longjohn, Skaggs, Breen, Glanville, MacDonell, Miller, Rogers, Weiss, Witwer, Wooden and Xiong offered the following resolution:

House Resolution No. 206.

A resolution to declare November 10–16, 2025, as Michigan Historical Music Week in the state of Michigan.

Whereas, Michigan has made a profound and lasting impact on American and global music, producing transformative artists, pioneering new genres, and shaping cultural movements that resonate across generations; and

Whereas, Michigan is the birthplace of Motown, founded by Berry Gordy in Detroit, which became one of the most successful and influential music labels in history. In the 1960s alone, Motown artists achieved seventy-nine Billboard Top 100 hits, elevating Black artists into the mainstream and bringing messages of unity, soul, and love to homes around the world; and

Whereas, Michigan musicians have defined and transformed rock music across eras, from early rock icons such as Bob Seger, Grand Funk Railroad, Ted Nugent and the Amboy Dukes, and Alice Cooper to trailblazing punk innovators like The Stooges and MC5, who helped spark a global punk movement; and

Whereas, In the early 1980s, Detroit DJs and electronic visionaries helped create techno, a genre that revolutionized electronic dance music and continues to influence artists worldwide, solidifying Detroit as a global hub of musical innovation; and

Whereas, Michigan has also contributed significantly to the rise of hip-hop, pop, and alternative music, producing world-renowned artists such as Eminem, Madonna, The White Stripes, Kid Rock, Big Sean, Sufjan Stevens, and Greta Van Fleet; and

Whereas, Michigan's musical heritage spans gospel, jazz, folk, country, R&B, soul, and blues, with influential artists such as Aretha Franklin, Marvin Gaye, Anita Baker, Diana Ross, Stevie Wonder, The Temptations, Smokey Robinson, Glenn Frey, Mitch Ryder, Jack Scott, and gospel choirs and folk musicians from communities across the Upper Peninsula and throughout the state; and

Whereas, Thirty artists and groups from the city of Detroit alone have been inducted into the Rock and Roll Hall of Fame, a testament to Michigan's extraordinary artistic output and global cultural influence; and

Whereas, Michigan is home to renowned institutions that preserve, teach, and celebrate its musical heritage, including the Motown Museum in Detroit, Interlochen Center for the Arts in Grand Traverse County, the Detroit Music Hall Center for the Performing Arts, and the Michigan Rock and Roll Legends Hall of Fame, which collectively support both historical preservation and the next generation of artists; and

Whereas, Michigan's music heritage not only entertains but also tells stories of resilience, social change, cultural pride, industrial identity, and community spirit, inspiring generations of artists and audiences alike; and

Whereas, Michigan Historical Music Week provides an opportunity for residents, educators, museums, libraries, and cultural institutions to celebrate Michigan's musical heritage, educate new generations, and support the growth of future musicians and creators; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 10–16, 2025, as Michigan Historical Music Week in the state of Michigan; and be it further

Resolved, That we honor the musicians of Michigan—past, present, and future—whose innovation, creativity, and cultural impact have shaped the soundscape of our state, our nation, and the world; and be it further

Resolved, That the members of this legislative body encourage educational institutions, higher education institutions, community organizations, music educators, historical societies, and cultural venues to observe this week with appropriate programs, events, and educational activities recognizing Michigan's rich musical heritage.

The question being on the adoption of the resolution,

Rep. Posthumus moved that consideration of the resolution be postponed for the day.

The motion prevailed.

Reps. Fitzgerald, Pohutsky, Glanville, Miller, Snyder, Wooden, Witwer, Hope, Byrnes, Breen, Longjohn, Dievendorf, MacDonell, Paiz, Rogers, Weiss and Xiong offered the following resolution:

House Resolution No. 207.

A resolution to declare November 2025 as Children's Grief Awareness Month in the state of Michigan.

Whereas, One in twelve children in the United States will experience the death of a parent or sibling before graduating from high school; and

Whereas, Every child who has known love is capable of deep grief, and every grieving child deserves understanding, support, and compassion; and

Whereas, Children who experience the death of a loved one often feel isolated, different from their peers, and may struggle to express or process complex emotions; and

Whereas, Without proper support, childhood grief can have long-term effects on emotional well-being, academic success, and social development; and

Whereas, Michigan is home to compassionate organizations, professionals, and volunteers who provide critical grief support to children and families—offering safe spaces to share, heal, and build resilience after loss; and

Whereas, As the holiday season approaches and feelings of grief can become especially intense, it is important to raise awareness of the unique needs of grieving children and to recognize the individuals and organizations working tirelessly to help them heal; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 2025 as Children’s Grief Awareness Month in the state of Michigan; and be it further

Resolved, That we encourage all Michiganders to support grieving children and their families, and to promote greater understanding of childhood bereavement and the importance of compassionate care and community support.

The question being on the adoption of the resolution,

The resolution was adopted.

Reports of Standing Committees

The Speaker laid before the House

House Resolution No. 196, entitled

A resolution to demand that the Michigan Secretary of State comply with the United States Department of Justice’s request for an unredacted copy of Michigan’s computerized statewide voter registration list, as required by section 303 of the Civil Rights Act of 1960 and section 8(i)(1) of the National Voter Registration Act of 1993, to the full extent permitted by law

(For text of resolution, see House Journal No. 102, p. 1685.)

(The resolution was reported by the Committee on Election Integrity on October 28.)

The question being on the adoption of the resolution,

Rep. Fox moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 196.

A resolution to demand that the Michigan Secretary of State comply with the United States Department of Justice’s request for an unredacted copy of Michigan’s computerized statewide voter registration list, as required by section 303 of the Civil Rights Act of 1960 and section 8(i)(1) of the National Voter Registration Act of 1993, to the full extent permitted by law.

Whereas, The administration of voter registration for elections for federal office is regulated, in part, at the federal level; and

Whereas, The National Voter Registration Act of 1993 (NVRA) was enacted to “protect the integrity of the electoral process” and “ensure that accurate and current voter registration rolls are maintained,” and this purpose was furthered by the requirements of the Help America Vote Act of 2002 (HAVA), which requires states to conduct voter registration list maintenance “on a regular basis”; and

Whereas, Federal law also imposes transparency requirements related to voter registration. Under Title III of the Civil Rights Act of 1960, state election officers are required to retain and preserve “all records and papers which come into [their] possession relating to any application, registration, payment of poll tax, or other act requisite to voting” in an election for federal office for a period of 22 months from the date of the election. Section 303 of the Civil Rights Act, 52 U.S.C. § 20703, further provides that any such record “shall, upon demand in writing by the Attorney General or his representative . . . be made available for inspection, reproduction, and copying at the principal office” of the custodian of the record. Furthermore, section 8(i)(1) of the NVRA, 52 U.S.C. § 20507(i)(1), requires each state to maintain for at least two years and make available for public inspection “all records concerning the implementation of programs and activities conducted for the purpose of ensuring the accuracy and currency of official lists of eligible voters,” with limited exceptions; and

Whereas, The Attorney General of the United States is entitled to certain state election records under these laws and has the power to bring suit against the state to obtain them. Section 303 of the Civil Rights Act expressly requires records relating to voter registration to be made available upon the demand of the Attorney General, and section 401 of the HAVA, 52 U.S.C. § 21111, grants the Attorney General civil enforcement authority for that act. Under the Supremacy Clause of the United States Constitution, these federal requirements take precedence over state laws, even when they conflict. Federal law authorizes the Attorney General to bring a civil action against a state “to carry out the uniform and nondiscriminatory election technology and administration requirements” of the HAVA, including requirements to conduct voter registration list maintenance in compliance with the NVRA; and

Whereas, On July 21, 2025, the Civil Rights Division of the United States Department of Justice wrote a letter to Michigan Secretary of State Jocelyn Benson to request “information regarding the State’s procedures for complying with the statewide voter registration list maintenance provisions of the [NVRA] and the voter verification requirements of the [HAVA].” One specific piece of information requested by the Department was “[t]he current electronic copy of Michigan’s computerized statewide voter registration list.” The United States Department of Justice sent an additional letter to Secretary Benson on August 14, describing the Department’s authority under the NVRA and the HAVA and further requesting an unredacted copy of the statewide voter registration list pursuant to Title III of the Civil Rights Act of 1960; and

Whereas, On September 2, 2025, the Michigan Department of State provided a partial response to the request of the United States Department of Justice. However, the Michigan Department of State refused to provide an unredacted copy of the statewide voter registration list, instead providing the United States Department of Justice with the public version of our statewide voter registration list, the Qualified Voter File (QVF), citing the Michigan Election Law and Michigan’s Freedom of Information Act and disputing the United States Department of Justice’s arguments about privacy protections under federal law. The Michigan Department of State reiterated that it would only be providing the public version of the QVF in a further response to the United States Department of Justice on September 9, 2025; and

Whereas, On September 25, 2025, the United States filed suit against the Michigan Secretary of State, seeking an order compelling the state to provide an unredacted copy of Michigan’s computerized statewide voter registration list. The federal government has indicated that each registrant’s date of birth and their driver’s license number or the last four digits of their Social Security number are necessary for the Attorney General of the United States to determine whether Michigan is complying with the voter registration list maintenance requirements of the NVRA and the HAVA; and

Whereas, While the QVF does contain personal information, the United States Department of Justice has provided the Michigan Department of State options for sharing this data in a secure manner. The Department has indicated that the data “will be kept securely and treated consistently with the Privacy Act” of 1974, which provides strong safeguards against improper disclosure of information; and

Whereas, As the state’s chief election officer, the Michigan Secretary of State has a duty to administer and enforce Michigan election laws, including laws on voter registration list maintenance. The United States Department of Justice and the Michigan Department of State thus share a common goal in ensuring that elections held in Michigan are free and fair, which is facilitated by the careful review of voter registration records to confirm they are as accurate and up to date as possible. Compliance with federal law supports this shared goal; now, therefore, be it

Resolved by the House of Representatives, That we demand that the Michigan Secretary of State comply with the United States Department of Justice’s request for an unredacted copy of Michigan’s computerized statewide voter registration list, as required by section 303 of the Civil Rights Act of 1960 and section 8(i)(1) of the National Voter Registration Act of 1993, to the full extent permitted by law; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Secretary of State and the Attorney General of the United States.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Aragona, BeGole, Beson, Bierlein, Bohnak, Bollin, Borton, Hall, Harris, Kuhn, Kunse, Meerman, Neyer, Posthumus, Prestin, Roth, Schmaltz, Schuette, Steele, Thompson, Tisdell, VanWoerkom and Wozniak were named co-sponsors of the resolution.
