Sec. 2. No driveway, banner or parade is lawful except pursuant to a permit issued in accordance with this act unless otherwise provided. Nothing in this act shall be construed to prevent the application of the provisions of any other statute of this state or any local ordinance which is more restrictive than this act nor to preclude any city or village from requiring city or village permits with respect to any street or highway within its corporate limits. No permit shall be issued pursuant to this act unless there is compliance with other provisions of law or ordinances.

History: 1969, Act 200, Imd. Eff. Aug. 6, 1969.

Requests for temporary closing of highways shall indicate the time and date the highway is to be closed to traffic, the date and time the highway is to be reopened to traffic, and other information as the highway authority may require. A permit shall not be issued for the partial or complete closing of a highway unless the highway authority is satisfied that adequate arrangements have been made for the handling of highway traffic during such closure. Permits for banners, decorations, or similar objects over the traveled way of a highway shall require that they be securely fastened and be at least 18 feet above the surface of the traveled way. This section does not apply to a racing event for which a permit has been issued under the city motor vehicle racing act of 1981.

Rules shall prescribe reasonable standards for the design and the location of driveways and may require that driveways shall be hard-surfaced.
