(a) The acquisition, construction, and furnishing of buildings or facilities or portions of buildings or facilities.

(b) The acquisition of necessary property.

The proposal to issue general obligation unlimited tax bonds must be submitted to a vote of the electors of the authority by resolution of the board of the authority. The resolution must contain the language of the ballot proposal.

(3) The election for a bond proposal described in subsection (2) must be conducted and canvassed in the same manner as an election on a millage proposal as described in section 12 and in accordance with the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992. (5) An authority may issue limited tax bonds or notes by resolution of the board without submitting the question to the electors in the jurisdictional limits of the authority.

If an incorporating municipality withdraws from an authority, taxes imposed or levied for payment of bonds approved as provided in this act before the adoption of the resolution to withdraw must continue to be levied within the district as if the municipality did not withdraw from the authority until the principal of and interest on those bonds are paid in full.

(7) An authority shall not borrow money or issue bonds or notes for a sum that, together with the total outstanding bonded indebtedness of the authority, exceeds 5% of the state equalized valuation of the taxable property within the jurisdictional limits of the authority.

History: Add. 2022, Act 102, Imd. Eff. June 14, 2022.

124.610 Emergency services; articles of incorporation; collective bargaining; labor agreements; representation.

Sec. 10. (1) The municipalities that are parties to an authority entered into pursuant to this act have the responsibility, authority, and right to manage and direct on behalf of the public the emergency services performed or exercised to the extent provided in the articles of incorporation creating the authority.

(2) The contents or language of the articles of incorporation under this act shall be a permissive subject of collective bargaining between a municipality and a bargaining representative of its employees. If a municipality and a bargaining representative of its employees engage in collective bargaining before the articles of incorporation are approved and that municipality and that bargaining representative reach an agreement on issues that would obligate an entity that will function as an employer in the authority, the articles of incorporation shall include those obligations.

(3) Nothing in this act creates an employment relationship between the existing employees of a municipality and the proposed authority.

(4) An authority is effective through its articles of incorporation at least 180 days before the actual transfer of personnel and equipment. Before the authority's effective date, the incorporating municipalities shall affirm in writing to the authority those employees who will be transferred to the authority.

(5) If employees who are transferred to the authority are represented by a labor organization, those employees are subject to their previous terms and conditions of employment until those terms and conditions of employment are modified in accordance with 1947 PA 336, MCL 423.201 to 423.217, or for 6 months after the transfer to the authority, whichever is earlier. Negotiations on a collective bargaining agreement with an authority shall begin no later than 180 days before the date the employees transfer to the authority.

(6) Subject to subsection (7), a representative of the employees or group of employees in a municipal emergency service who previously represented or was entitled to represent the employees or group of employees in a municipal emergency service under 1947 PA 336, MCL 423.201 to 423.217, shall continue to represent the employees or group of employees after those employees or group of employees are transferred to the authority's emergency service.

(7) This section does not limit the rights of employees, under applicable law, to assert that a bargaining representative protected by subsection (6) is no longer their representative. The employees of the authority are eligible as of the day the authority becomes effective through its articles of incorporation to choose their representative under 1947 PA 336, MCL 423.201 to 423.217. This subsection does not extend the time limits as provided in subsection (4).

(8) If multiple labor organizations assert the right to represent all or part of the authority's workforce or where a substantial portion of the transferred employees were not previously represented, in the absence of a voluntary mutual agreement, at the request of any party or on the initiative of the Michigan employment relations commission, the Michigan employment relations commission shall conduct a representation election.

(9) In the absence of a voluntary mutual agreement, the authority's workforce shall be merged by using a single seniority list for each of the same or similar classifications. The single seniority list shall be composed of all employees from each incorporating municipality employed or having recall rights on the date of transfer and shall be used for purposes that include, but are not limited to, initial assignments, layoffs, recalls, and job bidding. Disputes concerning the single seniority list or use of the single seniority list shall be heard by a single arbitrator appointed by the Michigan employment relations commission.

(10) Nothing in this section requires a municipality or an authority to assume a collective bargaining agreement between another municipality and its employees.

(11) An employee who left the employ of the municipal emergency response service to enter the military service of the United States shall have the same employment rights as to the emergency service as they would have had under the municipal emergency response service under 1951 PA 263, MCL 35.351 to 35.356.

124.611 Withdrawal of incorporating municipality from authority.

Sec. 11. (1) An incorporating municipality may withdraw from the authority of which it is a part by resolution of the municipality's legislative body approving the withdrawal.

(2) A municipality that withdraws from an authority shall continue to be subject to any tax levied in its jurisdiction under section 12 for the duration of the period of that tax as determined pursuant to section 12(3).

(3) Employees of an authority who perform emergency services in the jurisdiction of a municipality that withdraws from an authority shall be protected in relation to the municipality to the same extent as employees of an incorporating municipality are protected in relation to an authority under section 10.

(4) A municipality that withdraws from an authority shall remain liable for a proportion of the debts and liabilities of the authority incurred while the municipality was a part of the authority. The proportion of the authority's debts for which a municipality is liable under this subsection shall be determined by dividing the state equalized value of the real property in the municipality by the state equalized value of all real property in

the authority at the time of the withdrawal.

History: 1988, Act 57, Eff. Apr. 1, 1988.

124.612 Tax levy by authority.

Sec. 12. (1) An authority may levy a tax on all of the taxable property within the limits of the authority for the purposes of this act.

(2) The tax authorized under subsection (1) shall not be levied without the approval of a majority of the registered electors residing in the authority affected and qualified to vote and voting on the tax at a general or special election. The election may be called by resolution of the board of the authority. The recording officer of the authority shall file a copy of the resolution of the board calling the election with the clerk of each incorporating municipality not less than 60 days before the date of the election. The resolution calling the election shall contain a statement of the proposition to be submitted to the electors. Each municipal clerk and all other municipal officials of an incorporating municipality shall undertake those steps to properly submit the proposition to the electors of the incorporating municipality at the election specified in the resolutions of the authority. The election shall be conducted and canvassed in accordance with the Michigan election law, Act No. 116 of the Public Acts of 1954, being sections 168.1 to 168.992 of the Michigan Compiled Laws, except that if the authority is located in more than 1 county, the election shall be canvassed by the state board of canvassers. The results of the election shall be certified to the governing body of the authority promptly after the date of the election. Not more than 1 election may be held in an authority in a calendar year for approval of the tax authorized under subsection (1). If the election is a special election, the authority in which the election is held shall pay its share of the costs of the election.

(3) The taxes authorized by this section may be levied at a rate not to exceed 20 mills and for a period as determined by the authority in the resolution calling the election and as shall be set forth in the proposition submitted to the electors.

(4) The tax rate authorized by this section shall be levied and collected as are all ad valorem property taxes in the state, and the recording officer of the authority shall at the appropriate times certify to the proper tax assessing or collecting officers of each tax collecting municipality the amount of taxes to be levied and collected each year by each municipality. The authority shall determine on which tax roll, if there is more than 1, of each incorporating municipality that the taxes authorized by this section shall be collected. Each tax assessing and collecting officer and each county treasurer shall levy and collect the taxes certified by the authority and shall pay those taxes to the authority by the time provided in section 43 of the general property tax act, Act No. 206 of the Public Acts of 1893, being section 211.43 of the Michigan Compiled Laws. The tax rate authorized by this section may be first levied by the authority as a part of the first tax roll of the appropriate municipalities occurring after the election described in subsection (2). The tax may be levied and collected on the December tax roll next following the date of election, if the tax is certified to the proper tax assessing officials not later than September 15 of the year in which the election is held.

(5) To the extent applicable and consistent with the requirements of this section, the general property tax act, Act No. 206 of the Public Acts of 1893, being sections 211.1 to 211.157 of the Michigan Compiled Laws, shall apply to proceedings in relation to the assessment, spreading, and collection of taxes pursuant to this section. Additionally, in relation to the assessment, spreading, and collection of taxes pursuant to this section, the county treasurer shall have powers and duties similar to those prescribed by Act No. 206 of the Public Acts of 1893, for township supervisors, township clerks, and township treasurers. However, this section shall not be considered to transfer any authority over the assessment of property.

(6) A county treasurer collecting taxes pursuant to this section shall be bonded for tax collection in the same amount and in the same manner as a township treasurer would be for undertaking the duties prescribed by this section.
