

**MICHIGAN VEHICLE CODE (EXCERPT)**  
**Act 300 of 1949**

**257.72 “Traffic control signal” defined.**

Sec. 72.

"Traffic control signal" means any device whether manually, electrically or mechanically operated, by which traffic is alternately directed to stop and to proceed.

**History:** 1949, Act 300, Eff. Sept. 23, 1949
