

PSEUDORABIES AND SWINE BRUCELLOSIS CONTROL AND ERADICATION ACT (EXCERPT)
Act 239 of 1992

287.853 Pseudorabies herd cleanup technical advisory committee.

Sec. 53.

- (1) The director may establish and consult with a pseudorabies herd cleanup technical advisory committee.
- (2) The pseudorabies herd cleanup technical advisory committee shall serve as a resource and, at the request of the director, shall do the following:
 - (a) Evaluate progress made in accomplishing elimination of pseudorabies virus from an infected herd.
 - (b) Assist in obtaining cooperation from herd owners.
 - (c) Recommend adjustments in herd cleanup plans.
 - (d) Make recommendations for depopulation of infected herds.
