

MUTUAL NUCLEAR WEAPONS FREEZE (EXCERPT)
Initiated Law of 1982

3.852 Text of transmittal.

Section 2.

Text of Transmittal. The Secretary of the Michigan Senate and The Clerk of the Michigan House of Representatives shall prepare and transmit on or before December 31, 1982, the following written communication to the President of the United States, the Secretary of Defense, the Secretary of State and all members of the United States Congress:

"The people of the State of Michigan, recognizing that the safety and security of the United States must be paramount in the concerns of the American people; and further recognizing that our national security is reduced, not increased, by the growing danger of nuclear war between the United States and the Soviet Union, which would result in millions of deaths of people in Michigan and throughout the nation; do hereby urge that the Government of the United States immediately propose to the Government of the Soviet Union a Mutual Nuclear Weapons Freeze, whereby both countries agree to halt immediately the testing, production, and further deployment of all nuclear weapons, missiles, and delivery systems in a way that can be checked and verified by both sides, and that Congress transfer the funds which would have been used for those purposes to civilian use."

Compiler's Notes: This initiated law was submitted to and approved by the people at the general election held on November 2, 1982, and took effect on December 3, 1982, pursuant to Mich. Const. Art. 2, § 9. In a letter opinion addressed to Richard H. Austin, Secretary of State, dated September 1, 1982, the Attorney General declared that "it is my opinion that the initiative proposal [for mutual nuclear weapons freeze] is for the enactment of a law and is in substantial compliance with Const. 1963, Art. 2, § 9."
