

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.36106 Open space land; application for open space development rights easement; form; contents; notice; review, comments, and recommendations; approval or rejection; preparation and contents of easement; appraisal; statement of fair market value; execution and recordation of easement; forwarding copies of easement; appeal; legislative approval; costs; reapplication; tax exemption.

Sec. 36106.

(1) An owner of open space land desiring an open space development rights easement whose land is subject to section 36101(j)(ii) may apply by filing an application with the local governing body. The application shall be made on a form prescribed by the state land use agency. The application shall contain information reasonably necessary to properly identify the land as open space. This information shall include a land survey or a legal description of the land and a map showing the significant natural features and all structures and physical improvements located on the land.

(2) Upon receipt of an application, the local governing body shall notify the county planning commission, the regional planning commission, and the soil conservation district agency. If the local governing body is the county board of commissioners, the county board shall also notify the township board of the township in which the land is situated. If the land is within 3 miles of the boundary of a city or within 1 mile of the boundary of a village, the local governing body shall notify the governing body of the city or village.

(3) An entity receiving notice under subsection (2) has 30 days to review, comment, and make recommendations to the local governing body with which the application was filed.

(4) The local governing body shall approve or reject the application after considering the comments and recommendations of the reviewing entities and within 45 days after the application was received by the local governing body, unless that period is extended by agreement of the parties involved. The local governing body's approval or rejection of the application shall be based upon, and consistent with, rules promulgated by the state land use agency under section 36116. If the local governing body does not act within the time prescribed or agreed upon, the applicant may proceed as provided in subsection (9) as if the application was rejected.

(5) If the application is approved by the local governing body, the local governing body shall prepare the easement. If the application is approved by the state land use agency on appeal, the state land use agency shall prepare the easement. An easement prepared under this section shall contain all of the following provisions:

(a) A structure shall not be built on the land without the approval of the local governing body.

(b) An improvement to the land shall not be made without the approval of the local governing body.

(c) An interest in the land shall not be sold, except for a scenic, access, or utility easement that does not substantially hinder the character of the open space land.

(d) Public access to the open space land may be provided if agreed upon by the owner and if access will not jeopardize the conditions of the land.

(e) Any other condition or restriction on the land as agreed to by both parties that is considered necessary to preserve the land or appropriate portions of it as open space land.

(6) Upon receipt of the application, the local governing body shall direct either the local assessing officer or an independent certified assessor to make an on-site appraisal of the land within 30 days in compliance with the Michigan state tax commission assessors manual. The approved application shall contain a statement specifying the current fair market value of the land and the current fair market value of the development rights, if any. A copy of the approved application and the development rights easement shall be forwarded to the applicant for his or her execution.

(7) If the owner of the land executes the approved easement, it shall be returned to the local governing body for its execution. The local governing body shall record the development rights easement with the register of deeds of the county. A copy of the approved easement shall be forwarded to the local assessing office and to the state land use agency for their information.

(8) The decision of the local governing body may be appealed to the state land use agency, pursuant to subsection (9).

(9) If an application for an open space development rights easement is rejected by the local governing body, the local governing body shall notify the applicant and all reviewing entities with a written statement of the reasons for rejection. Within 30 days after receipt of the rejected application, the applicant may appeal the rejection to the state land use agency. The state land use agency shall have 60 days to approve or reject the application. The state land use agency shall submit to the legislature each approved application for an open space development rights easement and an analysis of its cost. The application shall be approved in both houses by a resolution concurred in by a majority of the members elected and serving in each house. The amount of the cost shall be returned to the local governing body where lost revenues are indicated. A copy of the approved application and an appropriate easement

shall be forwarded by the state land use agency to the applicant for execution and to the local governing body where the land is situated.

(10) If an application for an open space development rights easement is rejected under subsection (4), the applicant may reapply for an open space development rights easement beginning 1 year after the final rejection.

(11) The development rights held by the local governing body as expressed in an open space development rights easement are exempt from ad valorem taxation.

History: Add. 1995, Act 59, Imd. Eff. May 24, 1995 ;-- Am. 1996, Act 233, Imd. Eff. June 5, 1996 ;-- Am. 2002, Act 75, Imd. Eff. Mar. 15, 2002
