

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.47354 Keweenaw bay.

Sec. 47354.

A person shall not take, catch, or attempt to take or catch any fish with seines, gill nets, or any form of pound or trap nets or in any manner except by the use of hook and line and spear as permitted by law in the waters of L'Anse bay, which are defined as follows: South of an east and west line beginning at the meander corner between sections 25 and 36, township 51 north, range 33 west, and extending west to the meander corner between section 27 and section 34, township 51 north, range 33 west. In the remaining waters of Lake Superior inside of a line extending from Manitou light on Manitou island, Keweenaw county, to the Huron island light on west Huron island and thence to the mouth of the Huron river in township 52 north, range 29 west, Marquette county, excluding Huron bay as defined in section 47356, from January 1 to October 31 in each year a person shall not set or use in waters between 120 feet in depth and 300 feet in depth any gill net with meshes less than 4-1/2 inches, except for taking herring when the net is floated so that the lower line of the net is not more than 42 feet below the surface of the water, and for the taking of bait for set hook lines in accordance with section 47309.
