

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.8511 Selection of sample from package or bulk lot for comparison with label; order to cease and desist; seizing, or stopping sale of, fertilizer or soil conditioner; conditions; filing action with court.

Sec. 8511.

(1) The director, by a duly authorized agent, may select from any package or bulk lot of commercial fertilizer or soil conditioner exposed for sale in this state a sample to be used for the purposes of an official analysis for comparison with the label affixed to the package or bulk lot on sale. The director may at any time order a person to cease and desist from manufacturing, storing, distributing, selling, or registering a product regulated by this part, or may seize or stop the sale of a fertilizer or soil conditioner that is misbranded or adulterated, fails to meet a label claim or guarantee, is being manufactured or distributed by an unlicensed person, or otherwise fails to comply with this part.

(2) An order shall be written and shall inform the manufacturer, storage operator, distributor, seller, or registrant of the grounds for issuance of the order. The person receiving the order shall immediately comply with the order. Failure to comply shall subject the person to the penalty imposed under this part.

(3) The director shall rescind the order immediately upon being satisfied by inspection of compliance with the order. The inspection shall be conducted as soon as possible at the verbal or written request of the responsible party. The rescinding order of the director may be verbal and the person may rely on the verbal rescinding order. However, a verbal order shall be followed by a written rescinding order.

(4) The director may issue and enforce a written order prohibiting the sale, use, or removal of a product regulated by this part to the owner or custodian of any product or product lot and requiring the product to be held by the owner or custodian at a designated place when the director finds that the product is being distributed in violation of this part. The order remains in effect until the director determines that the person is complying with the law or until the violation has been otherwise legally disposed of by written authority. The director shall release the product for sale, use, or removal upon compliance with this part and payment of all costs and expenses incurred in connection with the issuance and enforcement of the order.

(5) Any product or product lot not in compliance with this part is subject to seizure upon an action filed by the director in a court of competent jurisdiction in the county in which the product is located. If the court finds the product to be in violation of this part and orders the condemnation of the product, the product shall be disposed of in any manner consistent with the quality of the product and the laws of this state except that the disposition of the product shall not be ordered by the court without first providing the claimant an opportunity to petition the court for release of the product or for permission to process or relabel the product to bring it into compliance with this part.
