

MENTAL HEALTH CODE (EXCERPT)
Act 258 of 1974

330.1304 Meaning of “net cost” in MCL 330.1302.

Sec. 304.

For the purpose of section 302, net cost means: the operating cost of providing the service to the individual minus that part of operating cost paid for by federal and private funds and minus that amount received by the state as reimbursement from those persons and insurers who are financially liable for the cost of such service.

History: 1974, Act 258, Eff. Aug. 6, 1975
