- (c) The community college accepts the Michigan Transfer Agreement, partners with the Michigan Transfer Network, and promotes clear transfer pathways for interested students by doing all of the following:

 - (ii) Publishes the policy described in subparagraph (i) on the institution's website in an easily accessible way and in admissions materials.

 - (iv) Begins negotiations to increase the number of reverse transfer agreements or articulation agreements and reports on the progress toward completing the agreements to the state budget director by the last business day in February.

(d) The community college requires all students to receive an academic degree or certificate map that outlines required course sequencing, program and institution requirements, declared minor program academic requirements, and a recommended timeline within which courses should be taken and in which specific semester or term in order to satisfy all program requirements to allow the student to graduate on time.

(e) The community college provides non-credit-bearing developmental or remedial courses at a reduced cost to students.

(f) The community college provides each degree- or certificate-seeking student with a designated, trained academic advisor to support student retention, persistence, and completion. The community college shall require students to meet with their academic advisor at least once per semester or term.

(g) The community college provides employees during business hours to assist prospective and current students in completing the Free Application for Federal Student Aid.

(2) The state budget director shall implement uniform reporting requirements to ensure that a community college receiving a payment under section 201 for performance funding and under section 201f for 1-time performance funding payments has satisfied the institutional best practices requirements of this section. The state budget director has the sole authority to determine if a community college has met the requirements of this section. Information reported by a community college to the state budget director under this subsection must also be reported to the house and senate appropriations subcommittees on higher education and the house and senate fiscal agencies.

(3) If a community college fails to comply with the certification requirements of this section, the state treasurer may withhold the monthly installments under section 206 to the community college until the certification is completed. If a community college does not comply with the certification requirements described in this section by the end of the fiscal year, the community college forfeits the amount withheld. Forfeited funds must lapse to the state school aid fund. The state budget director shall notify the chairs of the house and senate appropriations subcommittees on higher education at least 10 days before withholding funds from any community college.
