

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994
Part 617
UNITIZATION

324.61701 Definitions.

Sec. 61701.

As used in this part, unless the context otherwise requires:

(a) "Field" means an underground reservoir or reservoirs containing oil or gas, or both. Field also includes the same general surface area that is underlaid or appears to be underlaid by at least 1 pool. Field and pool have the same meaning if only 1 underground reservoir is involved. However, field, unlike pool, may relate to 2 or more pools.

(b) "Lessee" means lessees under oil and gas leases and also the owners of unleased lands or mineral rights having the right to develop them for oil and gas.

(c) "Oil and gas" means oil and gas as such in combination one with the other and also means oil, gas, casinghead gas, casinghead gasoline, gas distillate, or other hydrocarbons, or any combination or combinations of these substances, which may be found in or produced from a common source of supply of oil, gas, oil and gas, or gas distillate.

(d) "Pool" or "common source of supply" means a natural underground reservoir containing or appearing to contain a common accumulation of oil and gas. Each productive zone of a general structure that is completely separate from any other zone in the structure, or that may for the purposes of this part be declared by the supervisor to be completely separate, is included in the term pool or common source of supply. Any reference to a separately owned tract, although in general terms broad enough to include the surface and all underlying common sources of supply of oil and gas, shall have reference thereto only in relation to the common source of supply or portion thereof included within the unit area of a particular unit.

(e) "Supervisor" or "supervisor of wells" means the department as provided in part 615.

(f) "Unit area" means the formation or formations that are unitized and surface acreage that is a part of the unitized lands, as described in the plan for unit operations that is the subject of the supervisor's order as provided in section 61706.

(g) "Unit expense" means any and all cost, expense, or indebtedness incurred by the unit in the establishment of its organization or incurred in the conduct and management of its affairs or the operations conducted by it.

(h) "Unit production" means all indigenous oil and gas produced and saved from a unit area after the effective date of the order of the supervisor creating the unit, regardless of the well or tract within the unit area from which that oil and gas is produced.

(i) "Waste", in addition to its ordinary meaning, means physical waste as that term is generally understood in the oil and gas industry. Waste includes all of the following:

(i) The inefficient, excessive, or improper use or dissipation of reservoir energy and the locating, spacing, drilling, equipping, operating, producing, or plugging of any oil and gas well or wells in a manner that results or tends to result in reducing the quantity of oil and gas ultimately recoverable from any pool in the state under good oil and gas field practice.

(ii) The inefficient production of oil and gas in a manner that causes or tends to cause unnecessary or excessive surface loss or destruction of oil and gas.

(iii) The locating, spacing, drilling, equipping, operating, producing, or plugging of a well or wells in a manner that causes or tends to cause unnecessary or excessive loss or destruction of oil and gas.

Sec. 61702.

Subject to the limitations of this part, the supervisor shall make and enforce such orders, rules, and regulations and do such things as may be necessary or proper to carry out and effectuate the purposes of this part, including

adoption of a schedule of fees to be paid upon the filing of petitions, amendments to petitions, and other instruments in connection with petitions that bear reasonable relation to the cost of examining, inspectional, and supervisory services required under this part.

324.61703 Petition; filing; contents.

Sec. 61703.

Any interested lessee may file a verified petition with the supervisor requesting an order for the unit operation of a pool, pools, or parts of 1 or more pools. The petition shall contain all of the following:

(a) A description of the proposed unit area containing the pool, pools, or parts of 1 or more pools to be operated.

(b) The names of all persons owning or having an interest in oil and gas in the proposed unit area and the names of all surface owners in the proposed unit area, as disclosed by the records in the office of the register of deeds for the county in which the unit area is situated, and their addresses, if known. If the address of any person is unknown, the petition shall state that information.

(c) A statement of the type of the operations contemplated in order to comply with this part.

(d) A recommended plan of unitization applicable to the proposed unit area which the petitioner considers fair, reasonable, and equitable.

(e) A verified statement indicating in detail what action the petitioner has taken to contact and obtain the approval of all persons of record owning or having an interest in oil and gas in the proposed unit area who have not approved the proposed plan of unitization. If the question of whether the plan for unit operations has been approved as provided for in section 61706 is to be considered at a supplemental hearing pursuant to section 61707, this verified statement need not be part of the petition and may be filed separately prior to the supplemental hearing.

324.61704 Notice to interested persons; contents; notice of protest; order.

Sec. 61704.

(1) Upon the filing of a petition as provided in section 61703, the petitioner shall give notice to interested persons as set forth in section 61727. A person protesting the petition shall have 15 days after the completion of the publication of notice as provided in section 61726 to provide the supervisor with written notice of protest and the reason or reasons for the protest.

(2) The notice to interested persons required by subsection (1) shall set forth the procedure required to file a protest and the name, address, and phone number of a representative of the petitioner who is available to discuss the petition, and shall state that the supervisor may issue an order approving the petition without a hearing if no protests are received in the time period provided in subsection (1). The notice to all mineral owners who have not approved the plan of unitization shall include a copy of the petition provided for in section 61703, except that the petitioner may omit from the notice those parts of the petition referred to in section 61703(b) and (e).

(3) If no protests are filed, the supervisor may issue an order as provided in subsection (4) without holding a hearing.

(4) The supervisor shall issue an order providing for the unit operation of a unit area if he or she finds all of the following:

(a) That the unitization requested is reasonably necessary to substantially increase the ultimate recovery of oil and gas from the unit area.

(b) That the type of operations contemplated by the plan are feasible, will prevent waste, and will protect

correlative rights.

(c) That the estimated additional cost of conducting such operations will not exceed the value of the additional oil and gas so recovered.

- (b) A statement in reasonable detail of the operations contemplated.
- (c) An allocation to the separately owned tracts in the unit area of all the oil and gas that is produced from the unit area and is saved, excepting that production that is used in the conduct of operations on the unit area or unavoidably lost. A separately owned tract's fair, reasonable, and equitable share of production shall be measured by the value of the tract for oil and gas purposes and its contributing value to the unit in relation to like values of all tracts in the unit.
- (d) The manner in which the unit and the further development and operation of the unit area shall or may be financed and the basis, terms, and conditions on which the cost and expense shall be apportioned among and assessed against the tracts and interests made chargeable therewith, including a detailed accounting procedure governing all charges and credits incident to the operations.
- (e) Provisions for carrying or otherwise financing a person who elects to be carried or otherwise financed, allowing a reasonable interest and service charge payable out of the person's share of production.
- (f) The procedure and basis upon which wells, equipment, and other properties of the several lessees within the unit area are to be taken over and used for unit operations, including the method of arriving at the compensation therefor.
- (g) Provisions for supervision and conduct of the unit operations, in respect to which each person shall have a vote with a value corresponding to the percentage of the costs of unit operations chargeable against the interest of the person.
- (h) The time when the plan of unitization becomes effective and when unit operations commence.
- (i) The time when, conditions under which, and method by which the unit shall be dissolved and its affairs wound up.

- (a) By those persons who under the supervisor's order will be required to pay at least 51% of the costs of unit operation, and also by those persons who under the supervisor's order will be entitled to at least 51% of the production from the unit area or the proceeds of that production that will be credited to interests that are free of cost, including, but not limited to, royalties, overriding royalties, and production payments.

(b) By those persons who under the supervisor's order will be entitled to at least 75% of all production from the unit area or the proceeds of that production, provided that among those persons there must be persons who under the supervisor's order will be entitled to at least 50% of the production from the unit area or the proceeds of that production that will be credited to interests that are free of cost, including, but not limited to, royalties, overriding royalties, and production payments.

(c) By those persons who under the supervisor's order will be entitled to at least 65% of all production from the unit area or the proceeds of that production.

If the written approval is found, then the supervisor shall make a supplemental order declaring the plan effective and setting forth the date for the commencement of unit operations. If the written approval is not found within a period of 6 months from the date on which the order providing for unit operations is made, the order shall be ineffective and shall be revoked by the supervisor unless for good cause shown the supervisor extends the time for an additional period not to exceed 1 year.
