

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.16315 Health professions regulatory fund; nurse professional fund; pain management education and controlled substances electronic monitoring and antidiversion fund.

Sec. 16315.

(1) The health professions regulatory fund is established in the state treasury. Except as otherwise provided in this section, the state treasurer shall credit the fees collected under sections 16319 to 16349 to the health professions regulatory fund. Except as otherwise provided in this section, the money in the health professions regulatory fund shall be expended only as provided in subsection (5).

(2) The state treasurer shall direct the investment of the health professions regulatory fund. Interest and earnings from health professions regulatory fund investment shall be credited to the health professions regulatory fund.

(3) The unencumbered balance in the health professions regulatory fund at the close of the fiscal year shall remain in the health professions regulatory fund and shall not revert to the general fund.

(4) The health professions regulatory fund may receive gifts and devises and other money as provided by law.

(5) The department shall use the health professions regulatory fund to carry out its powers and duties under this article, article 7, and article 8, including, but not limited to, reimbursing the department of attorney general for the reasonable cost of services provided to the department under this article, article 7, and article 8.

(6) The nurse professional fund is established in the state treasury. Of the money that is attributable to per-year license fees collected under section 16327, the state treasurer shall credit \$8.00 of each individual annual license fee collected to the nurse professional fund. The money in the nurse professional fund shall be expended only as provided in subsection (9).

(7) The state treasurer shall direct the investment of the nurse professional fund, and shall credit interest and earnings from the investment to the nurse professional fund. The nurse professional fund may receive gifts and devises and other money as provided by law.

(8) The unencumbered balance in the nurse professional fund at the close of the fiscal year shall remain in the nurse professional fund and shall not revert to the general fund.

(9) The department of health and human services shall use the nurse professional fund each fiscal year only as follows:

(a) To promote safe patient care in all nursing practice environments.

(b) To advance the safe practice of the nursing profession.

(c) To ensure a continuous supply of high-quality direct care nurses, nursing faculty, and nursing education programs.

(d) To operate a nursing scholarship program.

(10) The pain management education and controlled substances electronic monitoring and antidiversion fund is established in the state treasury.

(11) The state treasurer shall direct the investment of the pain management education and controlled substances electronic monitoring and antidiversion fund. Interest and earnings from investment of the pain management education and controlled substances electronic monitoring and antidiversion fund shall be credited to the pain management education and controlled substances electronic monitoring and antidiversion fund.

(12) The unencumbered balance in the pain management education and controlled substances electronic monitoring and antidiversion fund at the close of the fiscal year shall remain in the pain management education and controlled substances electronic monitoring and antidiversion fund and shall not revert to the general fund. The pain management education and controlled substances electronic monitoring and antidiversion fund may receive gifts and devises and other money as provided by law. Twenty dollars of the license fee received by the department under section 16319 shall be deposited with the state treasurer to the credit of the pain management education and controlled substances electronic monitoring and antidiversion fund. The department shall use the pain management education and controlled substances electronic monitoring and antidiversion fund only in connection with programs relating to pain management education for health professionals, preventing the diversion of controlled substances, and development and maintenance of the electronic monitoring system for controlled substances data required by section 7333a.

(13) For the fiscal year ending September 30, 2020 only, \$10,000,000.00 of the money in the health professions regulatory fund is transferred to and must be deposited into the general fund.
