

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.9205b Risks of human papillomavirus; availability of materials; definitions.

Sec. 9205b.

(1) The department shall identify materials that contain information regarding the risks associated with human papillomavirus and the availability, effectiveness, and potential risks of immunization for human papillomavirus. The department shall notify each public school, public school academy, and nonpublic school in this state of the availability of the materials described in this subsection and shall post the materials on its website.

(2) The department shall encourage each public school, public school academy, and nonpublic school in this state to provide or make available to parents of students attending the school information regarding the risks associated with human papillomavirus and the availability, effectiveness, and potential risks of immunization for human papillomavirus.

(3) As used in this section, "public school", "public school academy", and "nonpublic school" mean those terms as defined in section 5 of the revised school code, 1976 PA 451, MCL 380.5.
