Sec. 62.

(1) For the purposes of this section:

(a) "Membership" means for a particular fiscal year the total membership of the intermediate district and the districts constituent to the intermediate district or the total membership of the area vocational-technical program, except that if a district has elected not to come under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690, the membership of that district are not included in the membership of the intermediate district. However, the membership of a district that has elected not to come under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690, is included in the membership of the intermediate district if the district meets both of the following:

(i) The district operates the area vocational-technical education program pursuant to a contract with the intermediate district.

(ii) The district contributes an annual amount to the operation of the program that is commensurate with the revenue that would have been raised for operation of the program if millage were levied in the district for the program under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690.

(b) "Millage levied" means the millage levied for area vocational-technical education under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690, including a levy for debt service obligations incurred as the result of borrowing for capital outlay projects and in meeting capital projects fund requirements of area vocational-technical education.

(c) "Taxable value" means the total taxable value of the districts constituent to an intermediate district or area vocational-technical education program, except that if a district has elected not to come under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690, the taxable value of that district is not included in the taxable value of the intermediate district. However, the taxable value of a district that has elected not to come under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690, is included in the taxable value of the intermediate district if the district meets both of the following:

(i) The district operates the area vocational-technical education program pursuant to a contract with the intermediate district.

(ii) The district contributes an annual amount to the operation of the program that is commensurate with the revenue that would have been raised for operation of the program if millage were levied in the district for the program under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690.

(2) From the state school aid fund money appropriated in section 11, there is allocated an amount not to exceed \$9,190,000.00 each fiscal year for 2023-2024 and 2024-2025 to reimburse intermediate districts and area vocational-technical education programs established under section 690(3) of the revised school code, MCL 380.690, levying millages for area vocational-technical education under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690. The purpose, use, and expenditure of the reimbursement are limited as if the funds were generated by those millages.

(3) Reimbursement for those millages levied in 2022-2023 is made in 2023-2024 at an amount per 2022-2023 membership pupil computed by subtracting from \$251,400.00 the 2022-2023 taxable value behind each membership pupil and multiplying the resulting difference by the 2022-2023 millage levied, and then subtracting from that amount the 2022-2023 local community stabilization share revenue for area vocational technical education and 2022-2023 tax increment revenues captured by a brownfield redevelopment authority created under the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2670, behind each membership pupil for reimbursement of personal property exemption loss under the local community stabilization authority act, 2014 PA 86, MCL 123.1341 to 123.1362, and reimbursements paid under section 26d for tax increment revenues captured by a brownfield redevelopment authority under the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2670. For the purposes of the calculation described in the previous sentence only, for an intermediate district receiving funds under this section and section 56, reimbursements paid under section 26d must be multiplied by the ratio of vocational-technical education millage levied, as defined in this section, and the sum of vocational-technical education millage levied and special education millage levied, as defined in section 56.

(4) Reimbursement for those millages levied in 2023-2024 is made in 2024-2025 at an amount per 2023-2024 membership pupil computed by subtracting from \$269,800.00 the 2023-2024 taxable value behind each membership pupil and multiplying the resulting difference by the 2023-2024 millage levied, and then subtracting from that amount the 2023-2024 local community stabilization share revenue for area vocational technical education and 2023-2024 tax increment revenues captured by a brownfield redevelopment authority created under

the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2670, behind each membership pupil for reimbursement of personal property exemption loss under the local community stabilization authority act, 2014 PA 86, MCL 123.1341 to 123.1362, and reimbursements paid under section 26d for tax increment revenues captured by a brownfield redevelopment authority under the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2670. For the purposes of the calculation described in the previous sentence only, for an intermediate district receiving funds under this section and section 56, reimbursements paid under section 26d must be multiplied by the ratio of vocational-technical education millage levied, as defined in this section, and the sum of vocational-technical education millage levied and special education millage levied, as defined in section 56.

(5) The department shall ensure that the amount paid to a single intermediate district under this section does not exceed 38.4% of the total amount allocated under subsection (2).

(6) The department shall ensure that the amount paid to a single intermediate district under this section is not less than 75% of the amount allocated to the intermediate district under this section for the immediately preceding fiscal year.
