FORD DAY (EXCERPT)
Act 225 of 2003**

435.303 “Henry Ford Day.”

Sec. 3.

(1) The legislature recognizes the outstanding contributions to American life, history, and culture made by Henry Ford, founder of Ford motor company and a man of great vision. During most of his life, Henry Ford resided in Dearborn. He pioneered industrial mass production methods and made an automobile that was affordable for his workers. The Ford motor company debuted the Model T in 1908; by 1918, fully half of all cars sold in America were Model Ts. In 1910, Ford opened a large automobile factory in Highland Park; later, he introduced the moving assembly line. This innovation reduced costs, increased production, and revolutionized industrial manufacturing in the United States and abroad. In honor of the significant role Henry Ford has played in the history of the state of Michigan and the United States, the legislature declares that July 30 of each year shall be known as "Henry Ford Day".

(2) The legislature encourages each individual in the great state of Michigan to pause on Henry Ford day and reflect upon the significance of Henry Ford's contributions to the history of the state of Michigan and to the history of this great nation.
