

CORRECTIONS CODE OF 1953 (EXCERPT)
Act 232 of 1953

791.238 Custody of paroled prisoner; warrant for return of paroled prisoner; incarceration pending hearing; treatment as escaped prisoner; time during parole violation not counted as time served; forfeiture of good time; committing crime while on parole; construction of parole.

Sec. 38.

(1) Each prisoner on parole shall remain in the legal custody and under the control of the department. The deputy director of the bureau of field services, upon a showing of probable violation of parole, may issue a warrant for the return of any paroled prisoner. Pending a hearing upon any charge of parole violation, the prisoner shall remain incarcerated.

(2) A prisoner violating the provisions of his or her parole and for whose return a warrant has been issued by the deputy director of the bureau of field services is treated as an escaped prisoner and is liable, when arrested, to serve out the unexpired portion of his or her maximum imprisonment. The time from the date of the declared violation to the date of the prisoner's availability for return to an institution shall not be counted as time served. The warrant of the deputy director of the bureau of field services is a sufficient warrant authorizing all officers named in the warrant to detain the paroled prisoner in any jail of the state until his or her return to the state penal institution.

(3) If a paroled prisoner fails to return to prison when required by the deputy director of the bureau of field services or if the paroled prisoner escapes while on parole, the paroled prisoner shall be treated in all respects as if he or she had escaped from prison and is subject to be retaken as provided by the laws of this state.

(4) The parole board, in its discretion, may cause the forfeiture of all good time to the date of the declared violation.

(5) A prisoner committing a crime while at large on parole and being convicted and sentenced for the crime shall be treated as to the last incurred term as provided under section 34.

(6) A parole shall be construed as a permit to the prisoner to leave the prison, and not as a release. While at large, the paroled prisoner shall be considered to be serving out the sentence imposed by the court and, if he or she is eligible for good time, shall be entitled to good time the same as if confined in a state correctional facility.
