

PUBLIC ACTS

[No. 1]

(SB 234)

AN ACT to amend 1949 PA 300, entitled "An act to provide for the registration, titling, sale, transfer, and regulation of certain vehicles operated upon the public highways of this state or any other place open to the general public or generally accessible to motor vehicles and distressed vehicles; to provide for the licensing of dealers; to provide for the examination, licensing, and control of operators and chauffeurs; to provide for the giving of proof of financial responsibility and security by owners and operators of vehicles; to provide for the imposition, levy, and collection of specific taxes on vehicles, and the levy and collection of sales and use taxes, license fees, and permit fees; to provide for the regulation and use of streets and highways; to create certain funds; to provide penalties and sanctions for a violation of this act; to provide for civil liability of owners and operators of vehicles and service of process on residents and nonresidents; to provide for the levy of certain assessments; to provide for the enforcement of this act; to provide for the creation of and to prescribe the powers and duties of certain state and local agencies; to impose liability upon the state or local agencies; to provide appropriations for certain purposes; to repeal all other acts or parts of acts inconsistent with this act or contrary to this act; and to repeal certain parts of this act on a specific date," by amending sections 676a and 907 (MCL 257.676a and 257.907), section 676a as amended by 1999 PA 46 and section 907 as amended by 2004 PA 493.

The People of the State of Michigan enact:

257.676a Sale or display for sale of produce or merchandise within right-of-way of highway; civil infraction; issuance of permit; conditions; exceptions; logo signage; disposition of revenue.

Sec. 676a. (1) Except as otherwise provided in this section, a person, firm, or corporation who sells or offers for sale, or displays or attempts to display for sale, goods, wares, produce, fruit, vegetables, or merchandise within the right-of-way of a highway outside of the corporate limits of a city or village, or within the right-of-way of a state trunk line highway, is responsible for a civil infraction.

(2) The state transportation department may issue a permit to a person, firm, or corporation to conduct activities described in subsection (1) if the permitted activities do not create an unsafe situation and do not interfere with transportation along the state trunk line highway. As a condition of issuing a permit under this subsection, the state transportation department shall require the municipality having jurisdiction over the site to pass a resolution authorizing the activities described in subsection (1) and may require that the municipality having jurisdiction over the site of the permitted activities agree to enforce compliance with the permit. The issuance of a permit under this subsection does

not confer any property right. The state transportation department may charge a fee for issuing a permit under this subsection in an amount not greater than the administrative cost of issuing the permit.

(3) A holder of a permit issued under subsection (2) that conducts activities in violation of that permit is responsible for a civil infraction. Each day during which the permit holder conducts activities in violation of the permit is a separate violation. The state transportation department may limit or revoke a permit issued under subsection (2) if the permit holder conducts activities that create an unsafe situation or interfere with transportation along the state trunk line highway, or if the permit holder is in violation of the conditions of the permit.

(4) This section does not interfere with a permanently established business that, as of September 27, 1957, was located on or partially on private property or grant to the owner of that business additional rights or authority that the owner did not possess on September 27, 1957, or diminish the legal rights or duties of the authority having jurisdiction of the right-of-way.

(5) In conjunction with the exemption granted by federal law from the restrictions contained in 23 USC 111, and described in the “manual on uniform traffic control devices for streets and highways”, U.S. department of transportation and federal highway administration, part 2g (LOGOS), this section does not prohibit the use of a facility located in part on the right-of-way of I-94 in the vicinity of the interchange of I-94 and I-69 business loop/I-94 business loop for the sale of only those articles which are for export and consumption outside the United States.

(6) This section does not prohibit the use of logo signage within the right-of-way of limited access highways. For purposes of this subsection, “logo signage” means a sign containing the trademark or other symbol that identifies a business in a manner and at locations approved by the state transportation department. The state transportation department may enter into agreements to allow logo signage, and any revenue received by the state transportation department under this subsection shall be deposited into the state trunk line fund established under section 11 of 1951 PA 51, MCL 247.661.

257.907 Civil infraction not crime; payment of civil fine and costs; program of treatment, education, or rehabilitation; sanctions; schedule of civil fines and costs; recommended range of civil fines and costs; certification of repair of defective equipment; collection of civil fines or costs; noncompliance with order or judgment; additional assessment; waiver of fines and costs.

Sec. 907. (1) A violation of this act, or a local ordinance substantially corresponding to a provision of this act, that is designated a civil infraction shall not be considered a lesser included offense of a criminal offense.

(2) If a person is determined pursuant to sections 741 to 750 to be responsible or responsible “with explanation” for a civil infraction under this act or a local ordinance substantially corresponding to a provision of this act, the judge or district court magistrate may order the person to pay a civil fine of not more than \$100.00 and costs as provided in subsection (4). However, for a violation of section 674(1)(s) or a local ordinance substantially corresponding to section 674(1)(s), the person shall be ordered to pay costs as provided in subsection (4) and a civil fine of not less than \$100.00 or more than \$250.00. For a violation of section 328, the civil fine ordered under this subsection shall be not more than \$50.00. For a violation of section 710d, the civil fine ordered under this subsection shall not exceed \$10.00. For a violation of section 710e, the civil fine and court costs ordered under this subsection shall be \$25.00. For a violation of section 682 or a local ordinance substantially

corresponding to section 682, the person shall be ordered to pay costs as provided in subsection (4) and a civil fine of not less than \$100.00 or more than \$500.00. For a violation of section 240, the civil fine ordered under this subsection shall be \$15.00. For a violation of section 252a(1), the civil fine ordered under this subsection shall be \$50.00. For a violation of section 676a(3), the civil fine ordered under this section shall be not more than \$10.00. Permission may be granted for payment of a civil fine and costs to be made within a specified period of time or in specified installments, but unless permission is included in the order or judgment, the civil fine and costs shall be payable immediately.

(3) Except as provided in this subsection, if a person is determined to be responsible or responsible “with explanation” for a civil infraction under this act or a local ordinance substantially corresponding to a provision of this act while driving a commercial motor vehicle, he or she shall be ordered to pay costs as provided in subsection (4) and a civil fine of not more than \$250.00. If a person is determined to be responsible or responsible “with explanation” for a civil infraction under section 319g or a local ordinance substantially corresponding to section 319g, that person shall be ordered to pay costs as provided in subsection (4) and a civil fine of not more than \$10,000.00.

(4) If a civil fine is ordered under subsection (2) or (3), the judge or district court magistrate shall summarily tax and determine the costs of the action, which are not limited to the costs taxable in ordinary civil actions, and may include all expenses, direct and indirect, to which the plaintiff has been put in connection with the civil infraction, up to the entry of judgment. Costs shall not be ordered in excess of \$100.00. A civil fine ordered under subsection (2) or (3) shall not be waived unless costs ordered under this subsection are waived. Except as otherwise provided by law, costs are payable to the general fund of the plaintiff.

(5) In addition to a civil fine and costs ordered under subsection (2) or (3) and subsection (4) and the justice system assessment ordered under subsection (14), the judge or district court magistrate may order the person to attend and complete a program of treatment, education, or rehabilitation.

(6) A district court magistrate shall impose the sanctions permitted under subsections (2), (3), and (5) only to the extent expressly authorized by the chief judge or only judge of the district court district.

(7) Each district of the district court and each municipal court may establish a schedule of civil fines, costs, and assessments to be imposed for civil infractions that occur within the respective district or city. If a schedule is established, it shall be prominently posted and readily available for public inspection. A schedule need not include all violations that are designated by law or ordinance as civil infractions. A schedule may exclude cases on the basis of a defendant’s prior record of civil infractions or traffic offenses, or a combination of civil infractions and traffic offenses.

(8) The state court administrator shall annually publish and distribute to each district and court a recommended range of civil fines and costs for first-time civil infractions. This recommendation is not binding upon the courts having jurisdiction over civil infractions but is intended to act as a normative guide for judges and district court magistrates and a basis for public evaluation of disparities in the imposition of civil fines and costs throughout the state.

(9) If a person has received a civil infraction citation for defective safety equipment on a vehicle under section 683, the court shall waive a civil fine, costs, and assessments upon receipt of certification by a law enforcement agency that repair of the defective equipment was made before the appearance date on the citation.

(10) A default in the payment of a civil fine or costs ordered under subsection (2), (3), or (4) or a justice system assessment ordered under subsection (14), or an installment of the fine, costs, or assessment, may be collected by a means authorized for the enforcement of a judgment under chapter 40 of the revised judicature act of 1961, 1961 PA 236, MCL 600.4001 to 600.4065, or under chapter 60 of the revised judicature act of 1961, 1961 PA 236, MCL 600.6001 to 600.6098.

(11) If a person fails to comply with an order or judgment issued pursuant to this section within the time prescribed by the court, the driver's license of that person shall be suspended pursuant to section 321a until full compliance with that order or judgment occurs. In addition to this suspension, the court may also proceed under section 908.

(12) The court shall waive any civil fine, cost, or assessment against a person who received a civil infraction citation for a violation of section 710d if the person, before the appearance date on the citation, supplies the court with evidence of acquisition, purchase, or rental of a child seating system meeting the requirements of section 710d.

(13) Until October 1, 2003, in addition to any civil fines and costs ordered to be paid under this section, the judge or district court magistrate shall levy an assessment of \$5.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. An assessment paid before October 1, 2003 shall be transmitted by the clerk of the court to the state treasurer to be deposited into the Michigan justice training fund. An assessment ordered before October 1, 2003 but collected on or after October 1, 2003 shall be transmitted by the clerk of the court to the state treasurer for deposit in the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(14) Effective October 1, 2003, in addition to any civil fines or costs ordered to be paid under this section, the judge or district court magistrate shall order the defendant to pay a justice system assessment of \$40.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. Upon payment of the assessment, the clerk of the court shall transmit the assessment collected to the state treasury to be deposited into the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(15) If a person has received a citation for a violation of section 223, the court shall waive any civil fine, costs, and assessment, upon receipt of certification by a law enforcement agency that the person, before the appearance date on the citation, produced a valid registration certificate that was valid on the date the violation of section 223 occurred.

(16) If a person has received a citation for a violation of section 328(1) for failing to produce a certificate of insurance pursuant to section 328(2), the court may waive the fee described in section 328(3)(c) and shall waive any fine, costs, and any other fee or assessment otherwise authorized under this act upon receipt of verification by the court that the person, before the appearance date on the citation, produced valid proof of insurance that was in effect at the time the violation of section 328(1) occurred. Insurance obtained subsequent to the time of the violation does not make the person eligible for a waiver under this subsection.

This act is ordered to take immediate effect.

AN ACT to amend 1972 PA 295, entitled “An act to license and regulate persons who purport to be able to detect deception, verify truthfulness, or provide a diagnostic opinion of either through the use of any device or instrumentation as lie detectors, forensic polygraphs, deceptographs, emotional stress meters or similar or related devices and instruments; to create a state board of forensic polygraph examiners with licensing and regulatory powers over all such persons and instruments; to provide for administrative proceedings and court review; to establish minimum standards and requirements for all such instrumentation or devices and to prohibit the use of instruments or devices which do not meet minimum standards and requirements; and to provide for injunctions and penalties,” by amending section 10 (MCL 338.1710).

The People of the State of Michigan enact:

338.1710 Examiner’s license; qualifications.

Sec. 10. (1) Upon application and payment of the required fee, a person fulfilling the following is qualified to receive a license as an examiner:

- (a) Is at least 18 years of age.
- (b) Is a citizen of the United States.
- (c) Has not been under sentence for the commission of a felony within 5 years prior to his or her application, including parole, probation, or actual incarceration.
- (d) Has either 1 of the following, subject to subsection (2):
 - (i) An academic degree, at least at the baccalaureate level, from an accredited college or university, with an academic degree to include specialized study in 1 academic major, or 2 academic minor areas that the department determines to be suitable for and related to specialization as an examiner.
 - (ii) A high school diploma or its equivalent from an accredited high school and at least 5 years of continuous investigative experience with a recognized governmental law enforcement or governmental investigative agency.
- (e) Has either 1 of the following:
 - (i) Has satisfactorily completed an internship training program approved by the department.
 - (ii) Satisfies the department that he or she has training or experience equivalent to an internship training program described in subparagraph (i).
- (f) Furnishes the department with satisfactory proof that he or she has suitable experience in the personal administration of polygraph examinations during an internship, or its equivalent.
- (g) Furnishes the department with a completed fingerprint card, bearing the applicant’s fingerprints and such other identifying information or certification as to their authenticity as the department may reasonably require and arranges for the conduct of a criminal history check that fails to demonstrate ineligibility under this section. The department shall submit the applicant’s fingerprints along with the appropriate state and federal fees to the department of state police for a criminal history check. The department of state police may then forward the fingerprints to the federal bureau of investigation for a criminal history check. The fee shall be paid by the applicant and shall accompany the submission of the fingerprints to the department. The information obtained as a result of the criminal

history check of an applicant shall be limited to officially determining the character and fitness of the applicant for licensing purposes.

(h) Has not previously had an examiner's license, or its equivalent, refused, revoked, suspended or otherwise invalidated for a reason that would also represent lawful grounds for revoking or denying applicant's license under this act.

(i) Upon reasonable investigation, satisfies the department that no substantial derogatory information exists regarding applicant's loyalty, honesty, or integrity as would reasonably and prudently justify denying him or her a license.

(j) Has continuously resided in this state or has been continuously eligible to apply for an absentee voter's ballot for the general elections in this state for at least 6 calendar months immediately before the date of the application; or any combination of these 2 requirements that totals at least 6 calendar months.

(k) Has satisfactorily passed required qualifying examinations conducted by the department, or under its supervision, to determine his or her competency to obtain a license to practice as an examiner, except that the applicant first shall have satisfied all the other requirements in this section before taking such a qualifying examination.

(2) All applicants shall have received an academic degree, at least at the baccalaureate level, from an accredited college or university, with such academic degree to include specialized study in 1 academic major, or 2 academic minor areas that the department determines to be suitable for and related to specialization as an examiner.

This act is ordered to take immediate effect.

(HB 4210)

AN ACT to amend 1949 PA 300, entitled "An act to provide for the registration, titling, sale, transfer, and regulation of certain vehicles operated upon the public highways of this state or any other place open to the general public or generally accessible to motor vehicles and distressed vehicles; to provide for the licensing of dealers; to provide for the examination, licensing, and control of operators and chauffeurs; to provide for the giving of proof of financial responsibility and security by owners and operators of vehicles; to provide for the imposition, levy, and collection of specific taxes on vehicles, and the levy and collection of sales and use taxes, license fees, and permit fees; to provide for the regulation and use of streets and highways; to create certain funds; to provide penalties and sanctions for a violation of this act; to provide for civil liability of owners and operators of vehicles and service of process on residents and nonresidents; to provide for the levy of certain assessments; to provide for the enforcement of this act; to provide for the creation of and to prescribe the powers and duties of certain state and local agencies; to impose liability upon the state or local agencies; to provide appropriations for certain purposes; to repeal all other acts or parts of acts inconsistent with this act or contrary to this act; and to repeal certain parts of this act on a specific date," by amending sections 617, 617a, 618, and 619 (MCL 257.617, 257.617a, 257.618, and 257.619), section 617 as amended by 2001 PA 159 and section 619 as amended by 1999 PA 73.

The People of the State of Michigan enact:

257.617 Accident resulting in serious impairment of body function or death; stopping required; reporting to police agency or officer; violation as felony; penalty.

Sec. 617. (1) The driver of a vehicle who knows or who has reason to believe that he or she has been involved in an accident upon public or private property that is open to travel by the public shall immediately stop his or her vehicle at the scene of the accident and shall remain there until the requirements of section 619 are fulfilled or immediately report the accident to the nearest or most convenient police agency or officer to fulfill the requirements of section 619(a) and (b) if there is a reasonable and honest belief that remaining at the scene will result in further harm. The stop shall be made without obstructing traffic more than is necessary.

(2) Except as provided in subsection (3), if the individual violates subsection (1) and the accident results in serious impairment of a body function or death, the individual is guilty of a felony punishable by imprisonment for not more than 5 years or by a fine of not more than \$5,000.00, or both.

(3) If the individual violates subsection (1) following an accident caused by that individual and the accident results in the death of another individual, the individual is guilty of a felony punishable by imprisonment for not more than 15 years or a fine of not more than \$10,000.00, or both.

257.617a Accident; personal injury; reporting to police agency or officer; stopping required; penalty; suspension of license.

Sec. 617a. (1) The driver of a vehicle who knows or who has reason to believe that he has been involved in an accident upon public or private property that is open to travel by the public shall immediately stop his or her vehicle at the scene of the accident and shall remain there until the requirements of section 619 are fulfilled or immediately report the accident to the nearest or most convenient police agency or officer to fulfill the requirements of section 619(a) and (b) if there is a reasonable and honest belief that remaining at the scene will result in further harm. The stop shall be made without obstructing traffic more than is necessary.

(2) If an individual violates subsection (1) and the accident results in injury to any individual, the individual is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than \$1,000.00, or both.

(3) The secretary of state shall suspend the operator's or chauffeur's license of an individual convicted of violating this section as provided in section 319.

257.618 Accident; damage to vehicles; stopping required; reporting to police agency or officer; penalty.

Sec. 618. (1) The driver of a vehicle who knows or who has reason to believe that he has been involved in an accident upon public or private property that is open to travel by the public shall immediately stop his or her vehicle at the scene of the accident and shall remain there until the requirements of section 619 are fulfilled or immediately report the accident to the nearest or most convenient police agency or officer to fulfill the requirements of section 619(a) and (b) if there is a reasonable and honest belief that remaining at the scene will result in further harm. The stop shall be made without obstructing traffic more than is necessary.

(2) If an individual violates the requirements of subsection (1) and the accident results in damage to a vehicle operated by or attended by any individual, the individual is guilty

of a misdemeanor punishable by imprisonment for not more than 90 days or a fine of not more than \$100.00, or both.

257.619 Accident; duties of driver.

Sec. 619. The driver of a vehicle who knows or who has reason to believe that he or she has been involved in an accident with an individual or with another vehicle that is operated or attended by another individual shall do all of the following:

(a) Give his or her name and address, and the registration number of the vehicle he or she is operating, including the name and address of the owner, to a police officer, the individual struck, or the driver or occupants of the vehicle with which he or she has collided.

(b) Exhibit his or her operator's or chauffeur's license to a police officer, individual struck, or the driver or occupants of the vehicle with which he or she has collided.

(c) Render to any individual injured in the accident reasonable assistance in securing medical aid or arrange for or provide transportation to any injured individual.

This act is ordered to take immediate effect.

[No. 4]

(HB 4413)

AN ACT to amend 1927 PA 175, entitled "An act to revise, consolidate, and codify the laws relating to criminal procedure and to define the jurisdiction, powers, and duties of courts, judges, and other officers of the court under the provisions of this act; to provide laws relative to the rights of persons accused of criminal offenses and ordinance violations; to provide for the arrest of persons charged with or suspected of criminal offenses and ordinance violations; to provide for bail of persons arrested for or accused of criminal offenses and ordinance violations; to provide for the examination of persons accused of criminal offenses; to regulate the procedure relative to grand juries, indictments, informations, and proceedings before trial; to provide for trials of persons complained of or indicted for criminal offenses and ordinance violations and to provide for the procedure in those trials; to provide for judgments and sentences of persons convicted of criminal offenses and ordinance violations; to establish a sentencing commission and to prescribe its powers and duties; to provide for procedure relating to new trials and appeals in criminal and ordinance violation cases; to provide a uniform system of probation throughout this state and the appointment of probation officers; to prescribe the powers, duties, and compensation of probation officers; to provide penalties for the violation of the duties of probation officers; to provide for procedure governing proceedings to prevent crime and proceedings for the discovery of crime; to provide for fees of officers, witnesses, and others in criminal and ordinance violation cases; to set forth miscellaneous provisions as to criminal procedure in certain cases; to provide penalties for the violation of certain provisions of this act; and to repeal all acts and parts of acts inconsistent with or contravening any of the provisions of this act," by amending section 16 (MCL 770.16), as added by 2000 PA 402.

The People of the State of Michigan enact:

770.16 DNA testing.

Sec. 16. (1) Notwithstanding the limitations of section 2 of this chapter, a defendant convicted of a felony at trial before January 8, 2001 who is serving a prison sentence for the felony conviction may petition the circuit court to order DNA testing of biological material identified during the investigation leading to his or her conviction, and for a new trial based on the results of that testing. The petition shall be filed not later than January 1, 2009.

(2) A petition under this section shall be filed in the circuit court for the county in which the defendant was sentenced and shall be assigned to the sentencing judge or his or her successor. The petition shall be served on the prosecuting attorney of the county in which the defendant was sentenced.

(3) The court shall order DNA testing if the defendant does all of the following:

(a) Presents prima facie proof that the evidence sought to be tested is material to the issue of the convicted person's identity as the perpetrator of, or accomplice to, the crime that resulted in the conviction.

(b) Establishes all of the following by clear and convincing evidence:

(i) A sample of identified biological material described in subsection (1) is available for DNA testing.

(ii) The identified biological material described in subsection (1) was not previously subjected to DNA testing or, if previously tested, will be subject to DNA testing technology that was not available when the defendant was convicted.

(iii) The identity of the defendant as the perpetrator of the crime was at issue during his or her trial.

(4) The court shall state its findings of fact on the record or shall make written findings of fact supporting its decision to grant or deny a petition brought under this section.

(5) If the court grants a petition for DNA testing under this section, the identified biological material and a biological sample obtained from the defendant shall be subjected to DNA testing by a laboratory approved by the court. If the court determines that the applicant is indigent, the cost of DNA testing ordered under this section shall be borne by the state. The results of the DNA testing shall be provided to the court and to the defendant and the prosecuting attorney. Upon motion by either party, the court may order that copies of the testing protocols, laboratory procedures, laboratory notes, and other relevant records compiled by the testing laboratory be provided to the court and to all parties.

(6) If the results of the DNA testing are inconclusive or show that the defendant is the source of the identified biological material, the court shall deny the motion for new trial. If the DNA test results show that the defendant is the source of the identified biological material, the defendant's DNA profile shall be provided to the Michigan state police for inclusion under the DNA identification profiling system act, 1990 PA 250, MCL 28.171 to 28.176.

(7) If the results of the DNA testing show that the defendant is not the source of the identified biological material, the court shall appoint counsel pursuant to MCR 6.505(a) and hold a hearing to determine by clear and convincing evidence all of the following:

(a) That only the perpetrator of the crime or crimes for which the defendant was convicted could be the source of the identified biological material.

(b) That the identified biological material was collected, handled, and preserved by procedures that allow the court to find that the identified biological material is not contaminated or is not so degraded that the DNA profile of the tested sample of the identified biological material cannot be determined to be identical to the DNA profile of the sample initially collected during the investigation described in subsection (1).

(c) That the defendant's purported exclusion as the source of the identified biological material, balanced against the other evidence in the case, is sufficient to justify the grant of a new trial.

(8) Upon motion of the prosecutor, the court shall order retesting of the identified biological material and shall stay the defendant's motion for new trial pending the results of the DNA retesting.

(9) The court shall state its findings of fact on the record or make written findings of fact supporting its decision to grant or deny the defendant a new trial under this section. Notwithstanding section 3 of this chapter, an aggrieved party may appeal the court's decision to grant or deny the petition for DNA testing and for new trial by application for leave granted by the court of appeals.

(10) If the name of the victim of the felony conviction described in subsection (1) is known, the prosecuting attorney shall give written notice of a petition under this section to the victim. The notice shall be by first-class mail to the victim's last known address. Upon the victim's request, the prosecuting attorney shall give the victim notice of the time and place of any hearing on the petition and shall inform the victim of the court's grant or denial of a new trial to the defendant.

(11) Effective January 1, 2001, the investigating law enforcement agency shall preserve any biological material identified during the investigation of a crime or crimes for which any person may file a petition for DNA testing under this section. The identified biological material shall be preserved for the period of time that any person is incarcerated in connection with that case.

This act is ordered to take immediate effect.

AN ACT to amend 1951 PA 51, entitled "An act to provide for the classification of all public roads, streets, and highways in this state, and for the revision of that classification and for additions to and deletions from each classification; to set up and establish the Michigan transportation fund; to provide for the deposits in the Michigan transportation fund of specific taxes on motor vehicles and motor vehicle fuels; to provide for the allocation of funds from the Michigan transportation fund and the use and administration of the fund for transportation purposes; to set up and establish the truck safety fund; to provide for the allocation of funds from the truck safety fund and administration of the fund for truck safety purposes; to set up and establish the Michigan truck safety commission; to establish certain standards for road contracts for certain businesses; to provide for the continuing review of transportation needs within the state; to authorize the state transportation commission, counties, cities, and villages to borrow money, issue bonds, and make pledges of funds for transportation purposes; to authorize counties to

advance funds for the payment of deficiencies necessary for the payment of bonds issued under this act; to provide for the limitations, payment, retirement, and security of the bonds and pledges; to provide for appropriations and tax levies by counties and townships for county roads; to authorize contributions by townships for county roads; to provide for the establishment and administration of the state trunk line fund, local bridge fund, comprehensive transportation fund, and certain other funds; to provide for the deposits in the state trunk line fund, critical bridge fund, comprehensive transportation fund, and certain other funds of money raised by specific taxes and fees; to provide for definitions of public transportation functions and criteria; to define the purposes for which Michigan transportation funds may be allocated; to provide for Michigan transportation fund grants; to provide for review and approval of transportation programs; to provide for submission of annual legislative requests and reports; to provide for the establishment and functions of certain advisory entities; to provide for conditions for grants; to provide for the issuance of bonds and notes for transportation purposes; to provide for the powers and duties of certain state and local agencies and officials; to provide for the making of loans for transportation purposes by the state transportation department and for the receipt and repayment by local units and agencies of those loans from certain specified sources; and to repeal acts and parts of acts,” by amending section 20a (MCL 247.670a), as amended by 2002 PA 498.

The People of the State of Michigan enact:

247.670a Contract for preservation of county local road system within township.

Sec. 20a. A board of county road commissioners in a county and the township board of a township having a population of not less than 15,000, as determined by the most recent statewide federal census, and which in the prior year and the contract year will have levied a property tax of not less than 1 mill on each dollar of assessed valuation of the township for the improvement or preservation of county roads within the township, may exercise the provisions of this section only by entering into a written contract of not more than 1 year providing for the preservation by the township of all or any part of the county local road system within that township, subject to, but not limited to, the following conditions:

(a) The contract shall specify the total amount of money that shall be annually expended by the contracting township for the preservation of the local road system or part thereof. The contracting road commission may pay not more than 90% of the amount specified in the contract to the contracting township annually. The contracting road commission shall not pay more than 66% of an amount equal to the average annual amount of funds expended by the county road commission on the local road system located within the contracting township for construction and preservation purposes over the previous 5-year period from local road funds received by the county under this act. Any funds expended by the contracting road commission on the local road system located within the contracting township in excess of 66% shall be matched by the contracting township. The amount paid the contracting township shall not directly or indirectly include money transferred from the primary fund allocation to the county as set forth in section 12(8).

(b) The contracting township shall keep separate accounts and accurate and uniform records on all road preservation work and funds, and shall file with the state transportation commission and the contracting county road commission on or before April 1 of each year, on forms to be provided by the state transportation commission, a report showing the disposition of funds received and expended for road purposes.

(c) The contract shall require the contracting township to provide insurance covering the contracting road commission's liability for failure to preserve the local roads specified in the contract.

(d) The contracting road commission shall determine and specify the equipment and personnel necessary to provide the preservation as set forth in the contract, and the contract shall not take effect until the contracting township has acquired the necessary equipment and personnel specified in the contract.

(e) As used in this section:

(i) "County road commission" means the board of county road commissioners elected or appointed pursuant to section 6 of chapter IV of 1909 PA 283, MCL 224.6, or, in the case of a charter county with a population of 2,000,000 or more with an elected county executive that does not have a board of county road commissioners, the county executive for ministerial functions and the county commission provided for in section 14(1)(d) of 1966 PA 293, MCL 45.514, for legislative functions.

(ii) "Preservation" means that term as defined in section 10c unless the contracting parties specify a different meaning in the contract.

This act is ordered to take immediate effect.

AN ACT to amend 1961 PA 236, entitled "An act to revise and consolidate the statutes relating to the organization and jurisdiction of the courts of this state; the powers and duties of such courts, and of the judges and other officers thereof; the forms and attributes of civil claims and actions; the time within which civil actions and proceedings may be brought in said courts; pleading, evidence, practice and procedure in civil and criminal actions and proceedings in said courts; to provide remedies and penalties for the violation of certain provisions of this act; to repeal all acts and parts of acts inconsistent with or contravening any of the provisions of this act; and to repeal acts and parts of acts," by amending section 1312 (MCL 600.1312), as amended by 2004 PA 12.

The People of the State of Michigan enact:

600.1312 Key number; first jury list; compilation.

Sec. 1312. The board shall apply the key number uniformly to the names on the list received pursuant to section 1310 and compile a list or card index, to be known as the first jury list, which shall include every name and only those names as the application of the key number has designated. The board shall do this as follows:

(a) Select by a random method a starting number between 0 and the key number.

(b) Count down the list the number of names to reach the starting number. That name shall be placed on the first jury list.

(c) Continue from that name counting down the list, beginning to count again with the number 1, until the key number is reached. That name shall be placed on the first jury list.

(d) Repeat the process provided in subdivision (c) until the whole list has been counted and the names placed on the first jury list.

(e) The board shall then remove from the first jury list the name of any person who its records show served, pursuant to the provisions of this chapter, as a petit or grand juror in any court of record in the county at any time in the preceding 1 year.

(f) The board, with the approval of the chief circuit judge, may remove from the first jury list the name of any person who has been convicted of a felony and is therefore disqualified from serving as a juror pursuant to section 1307a(1)(e).

This act is ordered to take immediate effect.

(HB 4233)

AN ACT to amend 1995 PA 279, entitled “An act to license and regulate the conducting of horse race meetings in this state with pari-mutuel wagering on the results of horse races and persons involved in horse racing and pari-mutuel gaming activities at such race meetings; to create the office of racing commissioner; to prescribe the powers and duties of the racing commissioner; to prescribe certain powers and duties of the department of agriculture and the director of the department of agriculture; to provide for the promulgation of rules; to provide for the imposition of taxes and fees and the disposition of revenues; to impose certain taxes; to create funds; to legalize and permit the pari-mutuel method of wagering on the results of live and simulcast races at licensed race meetings in this state; to appropriate the funds derived from pari-mutuel wagering on the results of horse races at licensed race meetings in this state; to prescribe remedies and penalties; and to repeal acts and parts of acts,” by amending section 16 (MCL 431.316).

The People of the State of Michigan enact:

431.316 Occupational license; issuance; persons required to be licensed; exception; conditions to licensure; additional requirements; fingerprints; duties and responsibilities of trainer; suspension of occupational license; notice; hearing; appeal; license fee.

Sec. 16. (1) Each person participating in or having to do with pari-mutuel horse racing or pari-mutuel wagering on the results of horse races at a licensed race meeting, including, but not limited to, all racing officials, veterinarians, pari-mutuel clerks or tellers, totalisator company employees, security guards, timers, horse owners, jockeys, drivers, apprentices, exercise riders, authorized agents, trainers, grooms, valets, owners of stables operating under an assumed name, jockey agents, pony riders, hot walkers, blacksmiths, starting gate employees, owners and operators of off-track training centers, farms or stables where racehorses are kept, and vendors operating within the barn area of a licensed racetrack or off-track training center, farm, or stable where racehorses are kept may be licensed by the racing commissioner pursuant to rules promulgated by the racing commissioner under this act. The racing commissioner shall not issue an occupational license to a person who, within the 6 years immediately preceding the date of the person’s application for the occupational

license, was convicted of a felony involving theft, dishonesty, misrepresentation, fraud, corruption, drug possession, delivery, or use, or other criminal misconduct that is related to the person's ability to and the likelihood that the person will perform the functions and duties of the racing related occupation for which the person seeks to be licensed and participate in pari-mutuel horse racing in that licensed occupation in a fair, honest, open, and lawful manner. The racing commissioner shall not issue a pari-mutuel occupational license to a person who, within 2 years immediately preceding the date of the person's application for the occupational license, was convicted of a misdemeanor involving theft, dishonesty, misrepresentation, fraud, corruption, drug possession, delivery, or use, or other criminal misconduct that is related to the person's ability to and the likelihood that the person will perform the functions and duties of the racing related occupation for which the person seeks to be licensed and participate in pari-mutuel horse racing in that licensed occupation in a fair, honest, open, and lawful manner.

(2) A veterinarian is not required to be licensed under this act to provide necessary and appropriate emergency veterinary care or treatment to any horse that is intended to be entered, is entered, or participates in a race with wagering by pari-mutuel methods or a nonbetting race or workout conducted at a licensed race meeting in this state. For purposes of this section, "emergency veterinary care or treatment" means care or treatment necessary and appropriate to save the life of a horse or prevent permanent physical injury or damage to a horse in a situation requiring immediate veterinary action. Only veterinarians licensed under this act may provide nonemergency veterinary care or treatment to a horse in this state that is intended to be entered, is entered, or participates in races at licensed race meetings in this state. Only persons licensed under this act or otherwise authorized by the racing commissioner may enter the restricted grounds of a licensed race meeting where horses are kept that are eligible to race at the race meeting. For the purposes of this section and sections 30 and 31, a horse that is intended to be entered is a horse that has its name put into the draw for a specific race, and a horse that is entered in a race is a horse that has been drawn into a specific race.

(3) As conditions precedent to being issued and holding a valid pari-mutuel occupational license, a license applicant shall disclose, in writing, any ownership interest that the applicant has in a racehorse and provide any other information the racing commissioner considers necessary and proper and proof of compliance with the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.101 to 418.941, except that the proof of compliance requirement does not apply to horse owners and trainers not covered under section 115 of the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.115.

(4) In addition to the requirements of subsection (3), an applicant for a pari-mutuel occupational license shall consent, upon application and for the duration of the occupational license, if issued, to all of the following:

(a) Personal inspections, inspections of the applicant's personal property, and inspections of premises and property related to his or her participation in a race meeting by persons authorized by the racing commissioner.

(b) If the applicant is applying for a racing official, jockey, driver, trainer, or groom license, or for any other license for an occupation that involves contact with or access to the racehorses or the barn areas or stables where racehorses are kept, a breathalyzer test, urine test, or other noninvasive fluid test to detect the presence of alcohol or a controlled substance, if directed to do so by the racing commissioner or his or her representative. If the results of a test show that an occupational licensee has more than .05% of alcohol in his or her blood, or has present in his or her body a controlled substance, the person shall not be permitted to continue in his or her duties or participate in horse racing until he or she can produce, at his or her own expense, a negative test result. The licensee may be

penalized by the racing commissioner for his or her positive test results, which may include any disciplinary action authorized by this act or rules promulgated under this act. This subsection does not apply to a controlled substance obtained directly from, or pursuant to a valid prescription from, a licensed health care provider, except that the racing commissioner may consider the person's medical need for prescribed controlled substances in determining the person's fitness to be licensed to participate in pari-mutuel horse racing. The racing commissioner shall suspend for not less than 1 year the license of a person who for the third time in a period of not more than 6 consecutive years is relieved of his or her duties because of this subsection.

(5) When applying for an occupational license, an applicant shall provide the racing commissioner with 1 or more sets of his or her fingerprints and the appropriate fees as requested by the racing commissioner. The racing commissioner shall send the applicant's fingerprints and the appropriate fees to either the department of state police or the federal bureau of investigation in a manner acceptable to the federal bureau of investigation. If the fingerprints and fees are sent to the department of state police, the department of state police shall forward the fingerprints and the fees to the federal bureau of investigation for a criminal history check. Information obtained under this subsection shall only be used to determine the character and fitness of the applicant for licensing purposes.

(6) A person who is issued a pari-mutuel occupational license as a trainer is responsible for and absolute insurer of the condition, fitness, eligibility, and qualification of the horses entered to race for the person by whom the trainer is employed, except as prescribed by the rules promulgated by the racing commissioner under this act. This subsection shall not be construed or interpreted to determine civil tort liability of any racehorse owner or trainer but shall be for purposes of enforcement of this act only. A trainer shall not start a horse that has in its body a drug or foreign substance unless permitted pursuant to section 30 and the rules promulgated under that section. A trainer is strictly liable and subject to disciplinary action if a horse under the trainer's actual or apparent care and control as trainer has a drug or foreign substance in its body, in violation of section 30 and the rules promulgated under that section.

(7) Upon the filing of a written complaint, under oath, in the office of the racing commissioner, or upon the written motion of the racing commissioner regarding the actions or omissions of a person issued a pari-mutuel occupational license, the racing commissioner may summarily suspend the occupational license of the person for a period of not more than 90 days pending a hearing and final determination by the racing commissioner regarding the acts or omissions complained of in the written complaint or motion, if the commissioner determines from the complaint or motion that the public health, safety, or welfare requires emergency action. The racing commissioner shall schedule the complaint or motion to be heard within 14 business days after the occupational license is summarily suspended and notify the holder of the occupational license of the date, time, and place of the hearing not less than 5 days before the date of the hearing. The hearing shall be conducted in accordance with the contested case provisions of the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. The action of the racing commissioner in revoking or suspending a pari-mutuel occupational license may be appealed to the circuit court pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. If the racing commissioner's order is predicated upon a series of acts, the review by the circuit court may be in the county in which any of the alleged acts or failures to act took place.

(8) A decision by the racing commissioner or a deputy commissioner or state steward of racing to deny an application for an occupational license may be appealed to the circuit court and reviewed pursuant to section 631 of the revised judicature act of 1961, 1961 PA 236,

MCL 600.631. A suspension or revocation of an occupational license may be appealed and reviewed pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(9) Each pari-mutuel occupational licensee shall pay a license fee of not less than \$10.00 or more than \$100.00 as determined by the racing commissioner.

This act is ordered to take immediate effect.

AN ACT to amend 1955 PA 133, entitled “An act to provide for the granting of military leaves and providing re-employment protection for officers and enlisted men of the military or naval forces of the state or of the United States,” (MCL 32.271 to 32.274) by adding section 3a.

The People of the State of Michigan enact:

32.273a Differential pay program; definitions.

Sec. 3a. (1) A local unit of government may provide by ordinance or resolution or through personnel policy a differential pay program or for a specific number of paid days of leave for employees of the local unit of government who request or are required to take a leave of absence to enter into active service in a uniformed service as those terms are defined in section 3.

(2) As used in this section:

(a) “Differential pay program” means a program through which the local unit of government agrees to pay during the leave of absence all or a part of the difference between the amount the employee is paid by the local unit of government and the amount the employee receives through his or her uniformed service if the amount paid by the local unit of government exceeds the amount paid by the uniformed service.

(b) “Local unit of government” means a city, village, township, or county.

STATE BUILDING AUTHORITY

State building authority projects; general fund advances; interest; sale of bonds or notes; repayment to general fund upon termination of project.

Sec. 301. (1) Subject to section 242 of the management and budget act, 1984 PA 431, MCL 18.1242, and upon the approval of the state building authority, the department may expend from the general fund of the state during the fiscal year ending September 30, 2005 an amount to meet the cash flow requirements of those state building authority projects solely for lease to a state agency identified in both part 1 and this section, and for which state building authority bonds or notes have not been issued, and for the sole acquisition by the state building authority of equipment and furnishings for lease to a state agency as permitted by 1964 PA 183, MCL 830.411 to 830.425, for which the issuance of bonds or notes is authorized by a legislative concurrent resolution that is effective for a fiscal year ending September 30, 2005. Any general fund advances for which state building authority bonds have not been issued shall bear an interest cost to the state building authority at a rate not to exceed that earned by the state treasurer's common cash fund during the period in which the advances are outstanding and are repaid to the general fund of the state.

(2) Upon sale of bonds or notes for the projects identified in part 1 or for equipment as authorized by legislative concurrent resolution and in this section, the state building authority shall credit the general fund of this state an amount equal to that expended from the general fund plus interest, if any, as defined in this section.

(3) For state building authority projects for which bonds or notes have been issued and upon the request of the state building authority, the state treasurer shall make advances without interest from the general fund as necessary to meet cash flow requirements for the projects, which advances shall be reimbursed by the state building authority when the investments earmarked for the financing of the projects mature.

(4) In the event that a project identified in part 1 is terminated after final design is complete, advances made on behalf of the state building authority for the costs of final design shall be repaid to the general fund in a manner recommended by the director and approved by JCOS.

Excess revenue; reimbursement by university or community college to state building authority; “revenue” defined.

Sec. 302. (1) State building authority funding to finance construction or renovation of a facility that collects revenue in excess of money required for the operation of that facility shall not be released to a university or community college unless the institution agrees to reimburse that excess revenue to the state building authority. The excess revenue shall be credited to the general fund to offset rent obligations associated with the retirement of bonds issued for that facility. The auditor general shall annually identify and present an audit of those facilities that are subject to this section. Costs associated with the administration of the audit shall be charged against money recovered pursuant to this section.

(2) As used in this section, “revenue” includes state appropriations, facility opening money, other state aid, indirect cost reimbursement, and other revenue generated by the activities of the facility.

Payment of rent obligations and insurance premiums.

Sec. 303. (1) The state building authority rent appropriations in part 1 may also be expended for the payment of required premiums for insurance on facilities owned by the state building authority or payment of costs that may be incurred as the result of any deductible provisions in such insurance policies.

(2) If the amount appropriated in part 1 for state building authority rent is not sufficient to pay the rent obligations and insurance premiums and deductibles identified in subsection (1) for state building authority projects, there is appropriated from the general fund of this state the amount necessary to pay such obligations.

Status of construction projects; report.

Sec. 304. The department shall provide JCOS and the fiscal agencies a report, not more than 15 days after the reporting date, relative to the status of construction projects associated with state building authority bonds on March 31 and September 30 of each year, or not more than 30 days after a refinancing or restructuring bond issue is sold. The report shall include, but is not limited to, the following:

(a) A list of all completed construction projects for which state building authority bonds have been sold, and which bonds are currently active.

(b) A list of all projects under construction for which sale of state building authority bonds is pending.

(c) A list of all projects authorized for construction or identified in an appropriations act for which approval of schematic/preliminary plans or total authorized cost is pending that have state building authority bonds identified as a source of financing.

CAPITAL OUTLAY PROCESSES, PROCEDURES, AND REPORTS

Compliance with MCL 18.1101 to 18.1594.

Sec. 401. Each capital outlay project authorized in this act or any previous capital outlay act shall comply with the procedures required by the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Statement of proposed facility’s operating cost.

Sec. 402. A statement of a proposed facility’s operating cost shall be included with the facility’s program statement and planning documents when the plans are presented to JCOS for approval.

Projects at community colleges and universities; agreement; provisions; authority and responsibility of department.

Sec. 403. (1) Before proceeding with final planning and construction for projects at community colleges and universities included in an appropriations act, the community college or university shall sign an agreement with the department that includes the following provisions:

(a) The university or community college agrees to construct the project within the total authorized cost established by the legislature pursuant to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594, and an appropriations act.

(b) The design and program scope of the project shall not deviate from the design and program scope represented in the program statement and preliminary planning documents approved by the department.

(c) Any other items as identified by the department that are necessary to complete the project.

(2) The department retains the authority and responsibility normally associated with the prudent maintenance of the public's financial and policy interests relative to the state-financed construction projects managed by a community college or university.

Matching requirements.

Sec. 406. A state agency, college, or university shall take steps necessary to make available federal and other money indicated in this act, to make available federal or other money that may become available for the purposes for which appropriations are made in this act, and to use any part or all of the appropriations to meet matching requirements that are considered to be in the best interest of this state. However, the purpose, scope, and total estimated cost of a project shall not be altered to meet the matching requirements.

COLLEGES AND UNIVERSITIES**Community college projects; requirements.**

Sec. 801. (1) This section applies only to projects for community colleges.

(2) State support is directed towards the remodeling and additions, special maintenance, or construction of certain community college buildings. The community college shall obtain or provide for site acquisition and initial main utility installation to operate the facility. Funding shall be comprised of local and state shares, and the state share shall include 50% of any federal money awarded for projects appropriated in this act. Not more than 50% of a capital outlay project, not including a lump-sum special maintenance project or remodeling and addition project, for a community college shall be appropriated from state and federal funds, unless otherwise appropriated by the legislature.

(3) An expenditure under this act is authorized when the release of the appropriation is approved by the board upon the recommendation of the director. The director may recommend to the board the release of any appropriation in part 1 only after the director is assured that the legal entity operating the community college to which the appropriation is made has complied with this act and has matched the amounts appropriated as required by this act. A release of funds in part 1 shall not exceed 50% of the total cost of planning and construction of any project, not including lump-sum remodeling and additions and special maintenance, unless otherwise appropriated by the legislature. Further planning and construction of a project authorized by this act or applicable sections of the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594, shall be in accordance with the purpose and scope as defined and delineated in the approved program statements

and planning documents. This act is applicable to all projects for which planning appropriations were made in previous acts.

(4) The community college shall take the steps necessary to secure available federal construction and equipment money for projects funded for construction in this act if an application was not previously made. If there is a reasonable expectation that a prior year unfunded application may receive federal money in a subsequent year, the college shall take whatever action necessary to keep the application active. If federal money is received, the state share shall be adjusted accordingly as provided by this act.

Amount of matching revenue less than appropriation.

Sec. 802. If matching revenues are received in an amount less than the appropriations contained in this act, the state funds of the appropriation shall be reduced in proportion to the amount of matching revenue received.

Documentation.

Sec. 804. (1) The director may require that community colleges and universities that have an authorized project listed in part 1 submit documentation regarding the project match and governing board approval of the authorized project not more than 60 days after the beginning of the fiscal year.

(2) If the documentation required by the director under subsection (1) is not submitted, or does not adequately authenticate the availability of the project match or board approval of the authorized project, the authorization may terminate. The authorization terminates 30 days after the director notifies the JCOS of the intent to terminate the project unless the JCOS convenes to extend the authorization.

This act is ordered to take immediate effect.
Approved April 28, 2005.
