LT. GOVERNOR

Michigan Senate  
Michigan House of Representatives

Lansing, Michigan 48913

Ladies and Gentlemen:

Today I vetoed Enrolled House Bill 5634. The bill would have amended the Michigan Vehicle Code to allow, among other things, greater use of tinting on vehicle windows. Specifically, the bill would have revised or deleted existing provisions of law concerning the application of window tint on a motor vehicle's windshield, rear window, or side window to the rear of the driver.

The bill would have increased the potential risk of harm to law enforcement personnel, particularly when approaching a vehicle during traffic enforcement stops by making it more difficult for law enforcement personnel to view a vehicle's interior and contents, including the number and location of occupants inside the vehicle.

With that in mind, I have vetoed Enrolled House Bill 5634.

Sincerely,

Rick Snyder  
Governor
